FOR THE COMPLEXION.

The complexion always suffers from biliousness or constipation. Unless the bowels are kept open the impurities from the body appear in the form of unsightly eruptions. DeWitt's Little Early Risers keep the liver and bowels in health, condition and remove the cause of such troubles. C. E. Hooper, Albany, Ga., says: "I took DeWitt's Little Early Risers for biliousness. They were just what I needed. I am feeling better now than in years." Never gripe or distress. Safe, thorough and gentle. The very best pills. Dr. Terry's Drug Store.

For Rent.

A PRINTER GREATLY SURPRISED.

"I never was so much surprised in my life, as I was with the results of using Chamberlain's Pain Balm," says Henry T. Crook, pressman of the Asheville (N. C.) Gazette. "I contracted a severe case of rheumatism early last winter by getting my feet wet. I tried several things for it without benefit. One day while looking over the Gazette, I noticed that Pain Balm was positively guaranteed to cure rheumatism, so bought a bottle of it, and before using two-thirds of it, my rheumatism had taken its flight and I have not had a rheumatic pain since." Sold by all druggists.

Holly, real estate, insurance and loan agent, of Macomb, Ill. "Before using Kodol Dyspepsia Cure she could not eat an ordinary meal without intense suffering. She is now entirely cured. Several physicians and many remedies had failed to give relief." "I had to have to diet. Eat any good food you want, but don't over eat the stomach. Kodol Dyspepsia Cure will always digest it for you. Dr. Terry's Drug Store.

A Later Complication.

More red tape appears in the Batson case. Gov. Alexander M. Dickery, of Missouri, is cautious to an extent somewhat unusual. This morning it was thought here that Sheriff Perkins would reach New Orleans with his prisoner tonight, but today about noon, Deputy Richard received the following telegram from Gov. Beard:

Have clerk of court forward certificate to Gov. A. M. Dockery at Jefferson City, Mo., that J. L. Wasey was a justice of the peace at the time affidavit was made before him charging Batson with the murder of the Earls."

The certificate goes by first mail. It was natural to suppose that Gov. Dockery would need to be shown, but this looks like straining at a gnat to swallow Batson.

FAVORITE NEARLY EVERYWHERE.

Constipation means dullness, depression, headache, generally disordered health. De Witt's Little Early Risers stimulate the liver, open the bowels and relieve this condition. Safe, speed and thorough. They never gripe. Favorite pills. At Dr. Terry's Drug Store.

This Remedy has been in general use in Virginia for many years, and the people well acquainted with its excellent qualities. Many of them have testified to the remarkable results it has effected. Still Fighting Addicks.

Dover, Del., March 4.—The rumors of harmony among the republicans of Delaware have evidently been based more upon the wishes of some of the leaders than on actual facts. As a matter of fact there appears to be no let-up in the fight to prevent the election of J. Edward Addicks as United States senator. This is evidenced by the rousing meeting of the regular republicans of Sussex county at Georgetown today, at which plans were discussed for continuing the campaign with increased vigor. The republicans of Sussex county have the strongest party organization in the state and their action will doubtless be followed by the anti-Addicks element all along the line.

COULD NOT BREATHE.

Coughs, colds, croup, grip, bronchitis, other throat and lung troubles are quickly cured by One Minute Cough Cure. One Minute Cough Cure is not a mere expectorant, which gives only temporary relief. It softens and liquefies the mucous, draws out the inflammation and removes the cause of the disease. Absolutely safe. Acts at once. "One Minute Cough Cure will do all that is claimed for it," says Justice of the Peace, J. Q. Board, Crosby, Miss. "My wife could not get her breath and was relieved by the first dose. It has been a benefit to all my family." Dr. Terry's Drug Store.

Daily Limited

According to the authoritative statement of Manager and vice-president Van Vleck made while in San Antonio Saturday, this will be the last season of the Sunset Limited, and instead a double daily train service will be inaugurated between New Orleans and San Francisco. At the same time there will be three trains each day between New Orleans and Houston. In other words, as expressed by officials in Houston the Sunset will be made a daily instead of a tri-weekly service.

At the present time there is but one train daily between San Antonio and El Paso, and another will be put on. Nos. 9 and 10 will be made a through train and will take the place of the Sunset Limited with all its magnificent equipment and fast time. Nos. 7 and 8 will also be a through train, but will correspond to the regular trains run at present.

Sleeping car service is also inaugurated between New Orleans and Denison, Texas.

Short Talks On Advertising

By Charles Austin Bates.

No. 23.

The down-town terminus of a Third avenue elevated road is exactly opposite the entrance to an East River bridge. As one comes down the stairway from the elevated, or comes out of the bridge entrance, he is met by a number of newsboys, each one crying his papers, and at the same time holding out his hand in the hope

The boy who asks foremost and keeps most persistently in the foreground will be the most successful.

of receiving the paper with which you are through. These papers are either sold again or are returned to the newspaper offices as unsold copies.

There is as much difference in the methods of these newsboys as there is in those of business men who advertise. Some of the boys push to the front and seem to catch the eye of almost everybody. There is another kind of boy, who stands a little in the background, but who still reaches out his hand. Out on the edge are some of the smaller, weaker and less energetic boys, and beyond them are some who take no interest in the proceedings at all, who receive few papers and sell few. The boy who asks oftenest and keeps most persistently in the foreground is the boy who sells the most papers.

The advertiser who keeps his business prominently before people and asks persistently and often for their trade is the one who will get the most business. The man who is nearly as energetic will get the business that

is left, and the one who stands around on the edge, with his hands in his pockets, may very reasonably and justly expect to get "what the boy shot at."
