Home Happenings.

Interesting Items Concerning Jennings and the Neighboring Country.

Rev. A. W. Turner, of Lake Arthur, was in town today.

Chas. Brooks returned from a business trip to Lake Charles today.

E. S. Streeter, principal owner of the Lake Arthur saw mill, visited Lake Charles yesterday.

C. E. Boehm returned last evening to El Campo, Tex., where he is engaged in drilling irrigating wells.

The Southern Methodists of Crowley will erect a \$20,000 brick church, at once, having a seating capacity of 800.

Deputy Sheriff Judson Harris and Lawyer C. E. Wooten were at the parish seat on legal business yesterday.

Mrs. C. R. Cline returned from Houston last evening accompanied by her husband. They went to Houston one week ago when Mrs. Cline was suddenly taken ill and could not return. She is considerably improved but not yet well.

The Huber building on Main street, recently vacated by W. S. Case's shoe store, is being remodeled by extending the front out about eight feet, making the store room that much longer and also putting it in line with other Main street buildings.

Everybody within twenty miles of Jennings should come to town next Monday morning and spend the week in the city. The street fair and merchants' carnival will be running. You will have a chance to see sights never seen before and that you may never see again.

The big street fair will be on hand in all its glory next Monday morning, March 10th. New Iberia is thronged with visitors this week on account of the street fair which is being held by the Burke & Robinson Carnival company, the same parties that are coming here. Reports say that the merchants there are doing a big business.

Edd Bucklin, who left here last November for a visit among old friends in Massachusetts, has returned after a stay of over three months, which would indicate that he must have had an enjoyable time. Edd states that the train on which he returned ran for many miles with its wheels under water on account of the floods in the east.

For a refreshing outing, get a rig and team of high steppers at Cullen & Clark's livery stable, south of the depot. 53tf

The Cold Wave.

The cold wave predicted by the weather bureau arrived last night on schedule time and got down almost to the level predicted. The signal service thermometer here, in charge of Fred Buch, registered 37 this morning. No great damage is supposed to have been done to vegetation.

Sheriff En Route.

In the absence of anything further from Sheriff Perkins at Princeton, in reference to the Baton extradition, it is thought in official circles that the Missouri executive has honored the papers and that the sheriff and his prisoner are on their way to New Orleans. The demand of Governor Dockery for a certificate concerning the legality of Justice Wasey's warrant of the arrest must be for the purpose of completing the record in the case.

A dispatch from Kansas City, Mo., states that Sheriff Perkins and the prisoner passed through that city yesterday en route to Louisiana.

It seems to be fairly well established that Mr. Perkins will leave Baton in the New Orleans jail, at least for the present.—Press.

PRACTICALLY STARVING.

"After using a few bottles of Kodol Dyspepsia Cure my wife received perfect and permanent relief from a severe and chronic case of stomach trouble," says J. R. Holly, real estate, insurance and loan agent, of Matate, Ill. "Before using Kodol Dyspepsia Cure she could not eat an ordinary meal without intense suffering. She is now entirely cured. Several physicians and many remedies had failed to give relief." You don't have to diet. Eat any good food you want, but don't overload the stomach. Kodol Dyspepsia Cure will always digest it for you. Dr. Terry's Drug Store.

No fellow need be ashamed to take his girl, (or any other fellow's girl) for a drive in one of Cullen & Clark's swell rigs. 53tf

A PRINTER GREATLY SURPRISED.

"I never was so much surprised in my life, as I was with the results of using Chamberlain's Pain Balm," says Henry T. Crook, pressman of the Asheville (N. C.) Gazette. "I contracted a severe case of rheumatism early last winter by getting my feet wet. I tried several things for it without benefit. One day while looking over the Gazette, I noticed that Pain Balm was positively guaranteed to cure rheumatism, so bought a bottle of it and before using two thirds of it my rheumatism had taken its flight and I have not had a rheumatic pain since."
