In Norton's District.

Special to the Record.
Sandusky, Ohio, May 22.—Indications point to the renomination of Congressman James A. Norton at the Democratic congressional convention of the Thirtieth District in session here today. There is an organized opposition, but the Norton forces appear to have the better of the contest and express confidence in their ability to win the fight.

Card of Thanks.

We take this means of thanking the friends and neighbors who so kindly lent their assistance during the sickness and death of our infant daughter.

MR. and MRS. F. E. CHESLEY

Crushed to Death.

E. C. Nash an employe of A. C. Brechner met with a frightful accident yesterday morning at 8 o'clock, on the Klondike plantation. It occurs that in the operation of sinking a well, a piece of six inch casing weighing nearly 500 pounds became uncontrollable and despite the warning which was given by Mr. Frink. Mr. Nash apparently did not heed, as several who were standing in a group with Mr. Nash had ample time to get out of the way of the falling pipe which struck and killed Mr. Nash.

The remains of Mr. Nash were brought to Jennings this morning and interred in the Jennings cemetery.

P. McConkey of Jennings was also struck but not injured.

Peace Expected.

Smallpox at Lacasine.

Tom Cox, of Lacasine, who was in town yesterday, says that the smallpox in that neighborhood has not abated with hot weather. There are still a number of cases and several deaths have occurred, all among white people. Some thing apparently should be done to stamp out the epidemic in this locality.—American.

Marconi's Ex-Fiance Weds.

Special to the Record.
New York, May 22.—A dispatch from London says that the wedding of Miss Josephine Holman, formerly of Indianapolis, who was once engaged to marry Signor Marconi, of wireless telegraphy fame, to Eugene Mc-Bross, of Birm'ngham, took place today at St. Margaret's Chapel, Westminster, in the presence of a brilliant assemblage that included many prominent members of the American colony.

The announcement a few weeks ago of Miss Holman's engagement to Mr. Boross created quite a sensation as it came so soon after it had become known that the troth between the young Indiana girl and Senor Marconi had been broken. Mr. Boross is well known in this city, having paid several long visits here during the past few years. He is the only son of a wealthy business man of Budapest, and has been a great traveler. He is about thirty years of age, handsome, accomplished and a man of charming manners. On his latest visit to America he was the guest of E. R. Merritt, of this city, a cousin of President Roosevelt.

WHOOPIING COUGH.

A woman who has had experience with this disease, tells how to prevent any dangerous consequences from it. She says: Our three children took whooping cough last summer, our baby boy being only three months old and owing to our giving them Chamberlain's Cough Remedy, they lost none of their plumpness and came out in much better health than other children whose parents did not use this remedy. Our oldest little girl would call lustily for cough syrup between whoops—Jessie Pinkey Hall, Springville, Ala. This Remedy is for sale by all druggists.
