

If the Stove is a "Garland" it's Good

Some marks signify DEFINITE QUALITY, like the "Hall Mark" of England. When the trademark shown herewith appears on a Stove or Range it is an absolute GUARANTEE by the largest makers of Stoves and Ranges in the world, that it is the BEST ARTICLE OF THE KIND that can be made for the price asked, and that price is no more than is asked for other high-grade stoves.

Every desirable feature of DURABILITY, ECONOMY and CONVENIENCE known to stove making is combined in "GARLANDS."

Well-cooked food and comfortably warmed rooms go a long way toward MAKING HOME HAPPY, therefore, buy the best stove you can.

GONE TO HER REWARD.

Mrs. Fannie B. Dodsworth, Mother of Wm. E. Dodsworth, Passes Away Yesterday.

All that was mortal of Mrs. Fannie B. Dodsworth, passed away to her heavenly maker yesterday afternoon at 2:15. The deceased had been ailing for some time back, and at times suffered considerable. She lived to the ripe age of 76 years of age, and leaves one son to mourn her loss, namely W. E. Dodsworth, who is secretary of the Jennings Building & Loan Association and fills a similar position with the Commercial League of this city.

This good lady had been living with her son for the past 26 years, and prior to her coming here in June last lived with her son in New Orleans. She was a member of one of the old honored families of Virginia, and from a religious sense was a member of the Roman Catholic church. The deceased was a lady in every sense of the word, possessed with all the graces that is necessary to throw sunshine and happiness on the lives of others. During her residence in Jennings she made many steadfast friends, and in her demise a son loses a good and devoted mother and the community a valuable citizen.

The numerous friends of Mr. Dodsworth extend sympathy in this his sad hour of affliction.

The funeral took place at 2 p. m. today, and the remains were interred in the Jennings cemetery. Requiescat in pace.
