Ocean Springs, Miss.  
 Dear Sirs: Here is a bulky one. Mr. Dooly (not of Chicago), painter, Luncester, N. H., got the job of painting the Episcopal parsonage. He was used to a paint as pure as Devoe, but weak and short-measure—he didn't know it was weak or short measure. Dooly surveyed the job, and said it would take 20 gallons.

Mr. F. Moore, our agent, offered to give 10 gallons Devoe. Accepted of course.

Eleven gallons did it: the 10 plus 1. Mr. Moore isn't painting parsonages or shares this year.

Yours truly,
