Negroes Scrapping.

For some time past there has been trouble between James Talbot and Richard Hayes, both colored, caused, as Talbot says, by Hayes separating him and his wife.

Last spring they had a difficulty, during which Talbot tried to shoot Hayes with a revolver. Hayes, however, managed to get the revolver from Talbot, and then had him arrested. He was tried and sent to jail for four months for felonious assault, having just been released on the 7th of this month.

Monday morning as Hayes was going from his home to Mrs. Brooks, in the Hills neighborhood, for a calf, he having his double-barreled shotgun with him at the time, he espied Talbot a short distance ahead of him in the road, in the act of drawing a revolver. Hayes immediately brought his gun to bear on Jim and pulled the trigger, but the gun snapped and Talbot turned, with his back to Hayes, when Dick cocked the other barrel and fired, filling Jim's back full of small shot. Not content with this Hayes gave the first barrel of his gun another trial when it went off the contents striking Talbot in the back of the head and neck.

Hayes was arrested and taken before Squire Wheeler, who placed him under \$200 bonds, which he readily gave and is now at liberty.

Talbot has a very sore back but is not thought to be seriously hurt.

Accused of Child Murder.

Tuesday afternoon Deputy Sheriff John Anderson, of Clark township, brought Jonas Long and his wife, Eliza Long, to Keytesville and lodged them in jail, charged with killing their 10-days old baby by squeezing it through the loins.

About two years ago another child of this couple died under rather suspicious circumstances, and Mrs. Long's father, J. H. Compton, when the second child died swore out a warrant for their arrest as above stated.

We understand Mrs. Long does not deny that she killed the child, and says her mother promised her a feather bed if she would get rid of the first child, but assigns no reason for killing the last one. She is very simple and weak minded, and does not seem to realize the enormity of her offense.

Long refuses to say anything, except that both the children seemed healthy and stout up to the time of their deaths.

The couple had their preliminary examination before Squire Clark, at Westville, Monday, and were committed to jail to await the action of the grand jury.
