# Modest Women

Modesty in women is no less a charm than beauty and wit. It is the quality which makes a woman beloved and respected. It is the quality which makes a woman a blessing to her family and a credit to her community. It is the quality which makes a woman a true and noble woman.

The weakness and irregularities of women may be recognized by certain unfailing symptoms. Backache, headache, bearing-down pains, irritability and extreme nervousness indicate derangement of the delicate female organism. Bradfield's Female Regulator is the standard remedy for characteristic diseases of women.

Sold by druggists at \$1.00 per bottle. THE BRADFIELD REGULATOR CO., Atlanta, Ga.

## August Flower.

"It is a surprising fact," says Prof. Hunton, "that in my travels in all parts of the world for the last ten years, I have met more people having used Green's August Flower than any other remedy for dyspepsia, deranged liver and stomach and for constipation. I find for tourists and salesmen, or for persons filling office positions where headaches and general bad feelings from irregular habits exist, that Green's August Flower is a grand remedy. It does not injure the system by frequent use, and is excellent for sour stomachs and indigestion." Sample bottle free at Sneed Drug Co. and City Drug store, Keytesville; R. Wessner, Dalton, Mo.
