

CHARITON COURIER.

C. P. VANDIVER, ED. AND PROP.

KEYTESVILLE, - MISSOURI.

Entered at the Post-office at Keytesville, Mo., as second-class matter.

THE Chariton County Republican accuses the Democrats of being guilty of imbecility in finding crumbs of comfort over the fall elections, and especially when they attempt to show that the Republican victories are an indication that the policy of the national administration toward the Philippine islands is condemned by the people. Bosh on such nonsense! The truth is, the Democrats carried Maryland, which was captured by the Republicans in 1896, while Nebraska was lost to the Republicans by several thousand more this year than three years ago. In Ohio the vote polled for McLean and Jones for governor showed that the McKinley administration was repudiated in McKinley's own state by nearly 10,000 majority. Hauna's own county went against him with a commendable exhibition of nausea. Crumbs of comfort, indeed! The Democrats are enjoying a regular feast at the expense of Republican stupidity.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Sample bottles at Sneed-Richardson Drug Co. and City Drug store, Keytesville and O. B. Anderson & Son, Dalton.

I have some good small tracts of land for sale, cheap, if taken at once. Four 80-acre tracts and one of 160 acres. Get particulars.

Sec. 8263.—If no person claim and prove said stray within the time limited in the next preceding section, the taker-up shall go before some justice of the peace of the county and file a copy of the notice given by him, as prescribed in the preceding section, and make affidavit that the animal or animals was or were taken up on his plantation or the plantation of another, as the case may be, and that the marks and brands have not to his knowledge been changed since the same was or were taken up; that he set up or caused to be set up three notices containing a description of the property in three public places in the township where the property was taken up, and also forwarded a copy of such notice to the county clerk thirty days previous to filing this affidavit, and that the notice aforesaid shall be a true copy of those set up and forwarded to the county clerk.
