Felix Hibner, a former resident of Carrollton, committed suicide at Excelsior Springs Tuesday, and his remains were taken to Carrollton for interment. His reason for taking his own life is unknown.

Harry Markham, cashier of Wheeler's Savings bank at Brookfield, and John Jones had a fistie encounter in the bank last Friday morning, but were separated before either was seriously hurt. The trouble arose over Markham's refusal to let Jones have a canceled draft which he wanted to use as evidence in a suit against his father-in-law, L. S. Denyes of California.

The Triplet Tribune says that its Dean Lake scribe makes a fine correspondent, and expresses the hope that she will not marry soon. How unkind of Brother Evans to give vent to such a wish!

Beautiful Complexions

Are spoiled by using any kind of preparation that fills the pores of the skin. The best way to secure a clear complexion, free from sallowness, pimples, blotches, etc., is to keep the liver in good order. An occasional dose of Herbine will cleanse the bowels, regulate the liver, and so establish a clear, healthy complexion. 50c at H. M. Sigloch's.

J. N. Gaines has rented his fine, large farm, four miles north of Triplet, to a Mr. Winn of Saline county. Mrs. Gaines has bought the Thos. I. Beazley residence property in Brunswick and will move to that city.

His Lite in Peril.

"I just seemed to have gone all to pieces," writes Alfred Bee, of Welfare, Tex., "biliousness and a lame back had made life a burden. I couldn't eat or sleep and felt almost too worn out to work when I began to use Electric Bitters, but they worked wonders. Now I sleep like a top, eat anything, have gained in strength and enjoy hard work." They give vigorous health and new life to weak, sickly, run-down people. Try them. Only 50c at W. C. Gaston's drug store.

T. M. Carskadon of near Dalton called Monday and put a head on the editor of the COURIER. It was a cabbage head, intended to match the one we already had. However as the one with which Mr. Carskadon presented us was a very fine one we do not feel the least insulted.

Do You Want to Yawn?

Feel cold shiverings, aching in the bones, lack of energy, headache and great depression? These symptoms may be followed by violent headache, high fever, extreme nervousness, a condition known as malaria. Herbine cures it. Take it before the disease gets a fair hold, though it will work a cure in any stage. J. A. Hopkins, Manchester, Kas., writes: "I have used your great medicine, Herbine, for several years. There is nothing better for malaria, chills and fever, headache, biliousness, and for a blood purifying tonic, there is nothing as good." 50c at H. M. Sigloch's.

The Carrollton Democrat says: The lightning did more or less damage Thursday night in several parts of the county adjacent to Carrollton. A stack of oats on Mrs. John Rea's farm was struck, set fire to and burned, and some wheat or hay stacks were reported in danger; Dr. L. Tull's barn on his place in the northeast part of Carrollton was struck and damaged somewhat; W. C. Hoffman's house, one mile east of town, was damaged, and five head of cattle on another farm were reported killed.

Special Offer.

About the best way for a newspaper to acknowledge its own inferiority is to offer some cut throat price in its endeavor to induce cheap-john people to subscribe, as one of the COURIER'S would-be rivals is now doing. The COURIER stands pat on its subscription price of \$1 a year. If a good county paper isn't worth that it isn't worth a cent. But if you are not a subscriber and would like to try the COURIER from now until January 1, 1903, we will send it free from now until the first of the year, provided you will send us your name and address. Should you conclude that you want the COURIER, after reading one or more copies, hand or remit to us \$1, and we will send you the paper till January 1, 1904. But in no case will the paper be continued beyond Jan. 1, 1903, to those who send in their name in acceptance of the free proposition herein made unless they express a desire for continuance accompanied by \$1 in cash.

## Consumption

by no means, the dreadful disease it is thought to be—the beginning. It can always be stopped—the beginning. The trouble you don't know you've got; you don't believe it; you don't believe it—till you are cured. Then it is dangerous.

Don't be afraid; but attend to it quick—you can do it yourself and at home.

Take Scott's Emulsion of Cod Liver Oil, and live carefully every way.

This is sound doctrine, whatever you may think or be told; and, if heeded, will save life.

If you have not tried it, send for the sample, its agreeable taste will surprise you.

Health is a magnet which irresistibly draws the man to the woman in life's mating time. Health does more than tint the skin with beauty; it puts music into the voice and buoyancy into the step, as well as happiness into the heart. A great many women covet beauty and are constantly seeking aids to beautify them. Let a woman first seek perfect health and all other charms shall be added to her.

There can be no general health for women while there is disease of the delicate womanly organism. The first step to perfect health is to cure womanly diseases by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

"I used four bottles of your 'Favorite Prescription' and one of 'Golden Medical Discovery,'" writes Mrs. Elmer D. Shearer, of Mount Hope, Lancaster Co., Pa., "and can say that I am cured of that dreaded disease, uterine trouble. Am in better health than ever before. Everybody who knows me is surprised to see me look so well. In June I was so poor in health that at times I could not walk. To-day I am well. I tell everybody that Dr. Pierce's medicines cured me."

FREE. Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

The Republican party in Missouri is out and wants to get in. That's all there is to it.

The state of Missouri, thanks to Democratic votes, has the lowest tax rate of any adjoining state.

WANTED—A TRUSTWORTHY GENTLEMAN or lady in each county to manage business for an old established house of solid financial standing. A straight bona fide weekly cash salary of \$18.00 paid by check each Wednesday with all expenses direct from headquarters. Money advanced for expenses. Manager, 347 Caxton Bldg., Chicago.

Gov. DOCKERY wants "a tidal-wave victory" for Democracy this year. He will get it, if every Democrat votes.

Mothers

Who would keep their children in good health, should watch for the first symptoms of worms, and remove them with White's Cream Vermifuge. It is the children's best tonic. It gets digestion at work so that their food does them good, and they grow up healthy and strong. 25c at H. M. Sigloch's.

The choice is between the Democratic and Republican party. Not a Democrat in Chariton county wants any more Republican rule in Missouri. Enough of that was had for all time years ago. Then come out to the polls and vote the straight Democratic ticket.

Sheriff's Sale.

By virtue and authority of a transcript execution issued from the office of the Clerk of the Circuit Court of Chariton County, Missouri, returnable at the November term, 1902, of said Court, and to me directed, in favor of Wm. E. Hill and against James M. Halley, I have levied upon and seized all the right, title, interest and claim of the said James M. Halley of, in and to the following described real estate, lying and being in the Town of Keytesville, Chariton County, Missouri, to-wit:

Beginning at the northwest corner of Mrs. Sarah Halley's tract of land in said Town of Keytesville in said County, thence east along south side of Jones' addition to the said Town of Keytesville, ninety (90) feet, thence south three hundred and fifty-five (355) feet, thence west ninety (90) feet, thence north three hundred and fifty-five (355) feet to the place of beginning, containing three-quarters of an acre, more or less. And I will on

Saturday, the 22nd day of November, A. D. 1902,

between the hours of nine o'clock in the forenoon and five o'clock in the afternoon of that day, at the east front door of the courthouse, in the City of Keytesville, County of Chariton aforesaid, sell the same, or so much thereof as may be required, at public vendue, to the highest bidder, for cash in hand (subject to all prior liens and judgments), to satisfy said execution and costs.

F. M. VEATCH,  
 Sheriff of Chariton County, Missouri.

MISSOURI has the largest public school fund of any state in the union except Texas. It is safely invested at a good rate of interest. Safe, because the credit of the state is back of it.

SECRETARY MOODY says the duty of sixty-seven cents a ton on anthracite coal was "smuggled into the tariff act in a sneaking and cowardly manner." That is not the only instance of a sneak in the tariff.
