

Probate Pointers.

Claim for \$30 allowed against the estate of Legrand Wisdom, in favor of John McGown.

A paper writing purporting to be the last will and testament of Anton Huber, deceased, is produced in and exhibited to the court, upon examination whereof, and of the testimony of A. C. Steffes and Albert Schuetz, the subscribing witnesses thereto, it is considered by the court that said instrument in writing is duly proved to be the last will and testament of said Anton Huber, deceased.

Est. Anton Huber: The last will and testament of Anton Huber, deceased, having been admitted to probate, and it appearing therefrom that Michael Huber was named therein as executor thereof it is ordered that he be and he is hereby appointed executor of said will. Bond in the sum of \$2,500 with A. C. Steffes and Albert Schuetz as security is approved and they are appointed witnesses.

Now comes John Palmer, guardian of the person and estate of Blanche Smalley, and shows to the court that his said ward has married; and also presents settlement of his accounts which the court approves. And it appearing therefrom that there are no assets left in the hands of said guardian, and that by reason of over payment said ward is indebted to him, it is therefore ordered that said guardian be and he is hereby discharged.

Est. J. O. Stanley: Now comes Ella Stanley, widow of J. O. Stanley, deceased, and shows to the court that at the date of the death of her said husband, did not leave on hand provisions sufficient for herself and family for one year and prays the court for an order directing the administrator of said estate to pay her such sum as the court may deem reasonable to make good said deficiency. Wherefore the court having fully heard the cause doth find that \$100 would be reasonable allowance for the purchase of sufficient provision to make good said deficiency, and doth order and adjudge that the administrator of said estate pay the said widow out of any funds in his hands that may belong to said estate, the sum of \$100 for the purpose aforesaid.

Est. W. James Tillerson: Comes now Nancy Tillerson and shows to the court that a sale of the real estate of her deceased husband W. James Tillerson has been made by the administrator, and made, with the express agreement and understanding that she should be paid the present value of her dower interest in the net proceeds of said sale after paying all prior debts, liens and incumbrances. And the court after hearing this cause, find the allegations in said petition are true and that the net proceeds of said sale is, in round numbers, \$4,080, and that the said widow is of the age of 70 years, and that the present value of her dower interest in said net proceeds is \$573. Wherefore it is ordered and adjudged by the court that said Nancy Tillerson be allowed the sum of \$573 as the present value of her dower interest in the net proceeds of said sale and that out of said net proceeds the administrator pay to her the said sum of \$573.

PASTOR'S WIFE CURED OF PELVIC CATARRH

She Suffered for Years and Felt Her Case Was Hopeless—Cured by Pe-ru-na.

MRS. ANNA B. FLEHARTY, recent Superintendent of the W. C. T. U. headquarters, at Galesburg, Ill., was for ten years one of the leading women there. Her husband, when living, was first President of the Nebraska Wesleyan University, at Lincoln, Neb.

In a letter written from 401 Sixty-seventh street, W., Chicago, Ill., Mrs. Fleharty says the following in regard to Peruna:

"Having lived a very active life as wife and working partner of a busy minister, my health failed me a few years ago. I lost my husband about the same time, and gradually I seemed to lose health and spirit. My daughter is a confirmed invalid, and we both felt great need of an invigorator.

"One of my neighbors advised me to try Peruna. A bottle was immediately secured and a great change took place in my daughter's as well as in my own health. Our appetites improved very greatly, the digestion seemed much helped, and restful sleep soon improved us, so that we seemed like new women."

"I would not be without Peruna for ten times its cost."—Mrs. Anna B. Fleharty.

What used to be called female diseases by the medical profession is now called pelvic catarrh. It has been found by experience that catarrhal diseases of the pelvic organs are the cause of most cases of female diseases.

Dr. Hartman was among the first of America's great physicians to make this discovery. For forty years he has been treating diseases peculiar to women, and long ago he reached the conclusion that a woman entirely free from catarrhal affection of these organs would not be subject to female disease. He therefore began using Peruna for these cases and found it so admirably adapted to their permanent cure that Peruna has now become the most famous remedy for female diseases ever known. Everywhere the women are using it and praising it. Peruna is not a palliative simply; it cures by removing the cause of female disease.

Dr. Hartman has probably cured more women of female ailments than any other living physician. He makes these

cures simply by using and recommending Peruna.

Mrs. Esther M. Milner, DeGraff, Ohio, writes:

"I was a terrible sufferer from female weakness and had the headache continuously. I was not able to do my household work for myself and husband. I wrote you and described my condition as near as possible. You recommended Peruna. I took four bottles and was completely cured. I think Peruna a wonderful medicine."—Mrs. Esther M. Milner.

Congressman Thad. M. Mahon, of Chambersburg, Pa., writes:

"I take pleasure in commending your Peruna as a substantial tonic and a good catarrh remedy."—T. M. Mahon.

If you do not receive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

September 16, after which the body was given over to the members of the M. W. A. lodge for the last tribute of respect to their neighbor. The remains were followed by a large crowd of sorrowing friends and relatives to the Lower cemetery, one-half mile east of Brunswick. The entire community extends sympathy to the bereaved wife and family.

Death our dearest ties can sever,  
Take our loved ones from our side,  
Bar them from our homes forever,  
O'er the dark cold river's tide

Call not back the dear departed  
Anchored safe where storms are o'er,  
On the border land we left them  
Soon to meet and part no more.

When we leave this world of changes,  
When we leave this world of care,  
We shall find our missing loved ones  
In our Father's mansion fair.

God in His wisdom has recalled  
The boon His love has given,  
And though we miss their presence here  
The soul is safe in heaven.

The golden gates were opened  
A gentle voice said "come,"  
And with farewells unspoken  
He calmly entered home.

A FRIEND.
