A Runaway Bicycle.

terminated with an ugly cut on the leg of J. B. Orner, Franklin, Grove, Ills. It developed a stubborn ulcer unyielding to doctors and remedies for four years. Then Bucklin's Arnica Salve cured. It's just as good for burns, scalds skin eruptions and piles. 25c at O. B. Anderson & Son's drugstore.

No one can so inspire a man to noble purposes as a noble woman, and no one so thoroughly degrades a man as a wife of unworthy tendencies.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly fattening a cure with local treatment, protracted their error. Science has proven catarrh to be a constitutional disease, and therefore, requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio.

Sold by druggist, 75c. Hall's Family Pills are the best.

Every man builds his own spiritual ladder and it is his own fault if he does not build it long enough to reach heaven.

Constipation.

Health is absolutely impossible if constipation be present. Many serious cases of liver and kidney complaints have sprung from neglected constipation. Such a deplorable condition is unnecessary. There is a cure for it. Herbine will speedily remedy matters. C. A. Lindsay, P. M., Bronson, Fla., writes, February 12, 1902: "Having tried Herbine, I find it a fine medicine for constipation." 50c a bottle. H. M. Sigloch.

The first little sin, whose cords he did not break, became the beginning fibre in the halter 'round the villain's neck.

Neuralgia Pains.

Rheumatism, lumbago and sciatic pains yield to the penetrating influence of Ballard's Snow Liniment. It penetrates to the nerves and bones and being absorbed into the blood, its healing properties are conveyed to every part of the body, and effect some wonderful cures. 25c, 50c, \$1. H. M. Sigloch.

Of course the infant is boss of the house. When a woman goes out, doesn't her husband have to mind the baby?

There were eight additions to the church as a result of the recent protracted meeting at Mendon which was conducted by Rev. W. T. Eneyart of the M. E. church.

Our young friend, John Lucas of Mendon, will follow in the footsteps of his father, Dr. W. B. Lucas, having decided to become an M. D. He is now attending a medical college at St. Louis.

The Republicans of Mendon township were so elated over the election returns that they had a jollification Monday night. We predict, however, now that Missouri Democrats have come to their senses, it will be a long time before Missouri Republicans will have occasion to celebrate another election in this state.

The Salisbury Democrat says that the sudden change in the weather last week gave the Democrat's roosters the chills so they were unable to make their appearance in the last issue of that paper. The Republicans stole all of our roosters except one to crow for the county Democratic ticket.

It is with pleasure that the COURIER notes the fact that our esteemed friend, W. R. Eidson of St. Louis, an old Chariton county boy, has been elected president of the associated fraternities of America. Will is "away up" on fraternities, and his newly-found honors are worthily bestowed.

Nobody but J. G. Gallemore would have had the supreme gall, under the same circumstances, to publish "a card of thanks" to those who so kindly and tenderly administered to his wife in her "illness" and death. Gallemore, by kidnapping their son and leaving Mrs. Gallemore word that he had left her for good, drove her to her grave. A card of remorse would have been more appropriate than a card of thanks.

The COURIER has sustained a great and irreparable loss, having been deprived of the refulgence of the "mental pabulum" of "Aunt" Mary Virginia Houston, who has dropped the COURIER from the exchange list of the Salisbury Press-Spectator. Should we suspend publication the cause can be readily accounted for—we don't get the Press-Spectator any longer or shorter either. It has passed us up entirely. Too bad! too bad!! How can we survive?

According to the Salisbury Democrat, Pearl Green, while at work on Dr. G. W. Lawhorn's new dwelling at Forest Green Monday morning of last week, slipped from off the scaffold and fell a distance of 12 feet, breaking his collar-bone and throwing his shoulder out of place, besides receiving a bruise on his leg. Pearl was up and walking around on the streets of Salisbury the following morning, and was feeling as well as could be expected, but it will be several days before he will be able to do any work.

A sleeping car, says the Brunswick, was considerably damaged in the Wabash yards here Thursday morning. Passenger trains No. 16 on the main line and No. 16 on the high line both reach Brunswick about the same time. Both are from the west. The trains are usually consolidated at Brunswick, the main line train first pulling to the platform, then backing a portion of its cars back up the main line to be picked up by the Omaha train. The Omaha line 16 was standing on the Omaha track, and the cars from main line 16 were being backed up the main line, when the brakeman threw the switch wrong, allowing the cars from the main line to be run into the engine of 16 on the Omaha track. The rear car was so badly damaged that it was set out and sent to the shops.

In Memorium.

BACON:—Little Evalynn, youngest daughter of Mr. and Mrs. J. F. Bacon of Lubbock, Tex., was born March 1, 1904, and died November 29, 1904.

She was taken into covenant relation with the church September 22 by the ordinance of baptism administered by Rev. J. L. Routh in the home of her grandparents, Judge J. L. Stacy and wife of Keytesville, Mo.

Cause of death, tonsillitis.

This is the short, sad story of a life that came and went like the rising and setting of the sun, yet it left its impress on the tablets of a fond father's and mother's hearts and those who loved her that time will never efface. To them how strange, and yet how true, the saddest thought that Mary is dead. But in their memory may be found her sweet smile and prattle, the sweetest music to a fond mother. These will comfort and mingle with grief.

She died to live with God. Is her life not made sweeter still by the welcome of Him who said: "Suffer little children to come unto me?" And is there not a comfort that, while she is not in her mother's arms, she is in the fond embrace of Him who took little children in his arms and blessed them.

We weep, yet are not condemned, but are glad rather that the grace of God has tendered our hearts when He takes our loved ones whom He has given us and has made so dear to us.

J. L. R.

It Will Surprise You—Try it.

It is the medicine above all others for catarrh and is worth its weight in gold. Ely's Cream Balm does all that is claimed for it.—B. W. SPERRY, Hartford, Conn.

My son was afflicted with catarrh. He used Ely's Cream Balm and the disagreeable catarrh all left him.—J. C. OLMSTEAD, Arcola, Ills.

The Balm does not irritate or cause sneezing. Sold by druggists at 50 cts. or mailed by Ely Brothers, 56 Warren St., New York.

Tired Nervous

When you feel languid, tired, nervous and irritable, your vitality is low—your supply of nerve energy exhausted, and your system running down for lack of power.

The organs of the body are working poorly, or not at all, and you are not getting the nourishment needed. This soon impoverishes the blood and instead of throwing off the impurities, distributes it all through the body. This brings disease and misery.

Feed the nerves with Dr. Miles' Nerveine, a nerve food, a nerve medicine, that nourishes and strengthens the nerves, and see how quickly you will get strong and vigorous.

"My wife suffered with nervousness previous to a recent attack of typhoid fever, but after her recovery from the fever, she was much worse, and could hardly control herself being exceedingly nervous when the least excited. She was very restless at night, and never had a good night's rest. She also suffered much from nervous headache. Dr. Miles' Nerveine was recommended by a friend. After the first three doses she had a good night's rest, and at the end of the first week's treatment she was wonderfully improved. Continued use of Nerveine has completed her entire cure."

1021 Cherry St., Evansville, Ind.
 Dr. Miles' Nerveine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.
