Mrs. Geo. Herman, Salisbury, Mo.

Now is the time to buy trimmed hats for little money. MRS. C. P. VANDIVER.

Itch cured in 30 minutes by Woolford's Sanitary Lotion. Never fails. Sold by all druggists.

The Constitution thinks that Mendon ought to have a Commercial club.

REV. DR. IRVINE says it is hard for a priest without a charge, to make a living. Some of them with charges are laboring under the same difficulty.

Mendon has a Mistletoe club composed of about 30 couples of young people. The object of the organization is to have a good time socially.

Geo. A. Southerland, one of Sumner's leading business men, has purchased the interest of his partner, Jay Fulbright, in the lumber and agricultural implement business.

Swift & Co. have rented the old brick Methodist church building on Virginia St. in Carrollton. They will use this for an office and ship their poultry alive until they can build a plant on leased land, near one of the railroads. It is rumored that they will build a \$20,000 plant.

**Imperfect Digestion.**  
Means less nutrition and in consequence less vitality. When the liver fails to secrete bile, the blood becomes loaded with bilious properties, the digestion becomes impaired and the bowels constipated. Herbine will rectify this; it gives tone to the stomach, liver and kidneys, strengthens the appetite, clears and improves the complexion, infuses new life and vigor to the whole system. 50 cts. a bottle. Sold by H. M. Sigloch.

We note in the Mendon Constitution that O. G. Dameron, county surveyor, returned to Keytesville Tuesday of last week. While there he surveyed 480 acres of land, known as the Taylor farm, for Atterbury & Nichols, 258 acres of which were sold to Lloyd Stewart by Laughlin Bros., and did some work for E. M. Shupe and Dr. W. B. Lucas. He also ran the levels for tiling on 400 acres of land west of town, belonging to Messrs. Holden Jewell.

We learn from the Salisbury Press-Spectator that in a letter recently received from Alva Cloyd at Sidney, Aus., he says their school was to close December 12 for the six-weeks' summer vacation. The governor-general of the province made the closing address, and Alva had been invited to spend the warm weeks in the pleasant country home of the college president. Sounds queer to us who live north of the equator. Mr. Cloyd is an old Salisbury boy.

## Sick Headache

When your head aches, there is a storm in the nervous system, centering in the brain. This irritation produces pain in the head, and the turbulent nerve current sent to the stomach causes nausea, vomiting. This is sick headache, and is dangerous, as frequent and prolonged attacks weaken the brain, resulting in loss of memory, inflammation, epilepsy, fits, dizziness, etc. Alay this stormy, irritated, aching condition by taking Dr. Miles' Anti-Pain Pills.

They stop the pain by soothing, strengthening and relieving the tension upon the nerves—not by paralyzing them, as do most headache remedies.

Dr. Miles' Anti-Pain Pills do not contain opium, morphine, chloral, cocaine or similar drugs. "Sick headache is hereditary in my family. My father suffered a great deal, and for many years I have had spells that were so severe that I was unable to attend to my business affairs for a day or so at a time. During a very severe attack of headache, I took Dr. Miles' Anti-Pain Pills and they relieved me almost immediately. Since then I take them when I feel the spell coming on and it is as if at once." JOHN J. McERLAIN, Pres. E. B. Eng. Co., South Bend, Ind. Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails he will return your money. 25 doses, 25 cents. Never sold in bulk. Miles Medical Co., Elkhart, Ind.

Sumner has a butcher named Baker and Walnut has a baker named Butcher.

The Brunswicker has a new head letter, which considerably improves its appearance. The word "weekly" has been eliminated.

I have buyers for Missouri farms. If you want to sell, list with me or write for particulars. HORACE GRANT, Heist Bldg., Kansas City, Mo.

John B. Accola has purchased the interest of his partner, R. H. Gehrig, in the firm of Accola & Gehrig, engaged in the hardware and grocery business at Mendon.

Will Clark, the affable clothing clerk in Eli Shire's big store at Salisbury, and Miss Elizabeth Wayland, one of Salisbury's fairest daughters, are to be married next Wednesday, January 25.

**Greatly in Demand**  
Nothing is more in demand than a medicine which meets modern requirements for a blood and system cleanser, such as Dr. King's New Life Pills. They are just what you need to cure stomach and liver troubles. Try them. At O. B. Anderson & Son's drugstore, 25c, guaranteed.

Hugh Stewart died in Jefferson City Thursday of dropsy of the heart, aged 68 years. He was born near New Franklin and lived continuously in Howard county until he accepted a position as guard in the shoeshop of the penitentiary 17 years ago.

**Sickening Shivering Fits**  
of ague and malaria can be relieved and cured with Electric Bitters. This is pure, tonic medicine; of especial benefit in malaria, for it exerts a true curative influence on the disease, driving it entirely out of the system. It is much to be preferred to Quinine, having none of this drug's bad after-effects. E. S. Munday, of Henrietta, Tex., writes: "My brother was very low with malarial fever and jaundice till he took Electric Bitters, which saved his life. At O. B. Anderson & Son's drugstore; price, 50c, guaranteed."

The Sumner Star indulges in this heartless item: A man out on rural route No. 2 is mad at his wife. About 5 o'clock the other morning he was dreaming that he was eating rich food in a fine hotel and paying for it out of a roll of \$10,000 he had in his pocket, when his wife woke him and made him get out in the cold and build three fires.

**How's This?**  
We offer one hundred dollars reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure. F. J. CHENEY & CO., Props., Toledo, O. We, the undersigned, have known F. J. Cheney for the last 25 years, and believe him perfectly honorable in all business transactions and financially able to carry out any obligations made by their firm. WESTER TRUAY, Wholesale Druggists, Toledo, O. WALTON, KINAY & MARVIN, Wholesale Druggists, Toledo, O. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system. Price, 75 cts. a bottle. Sold by all druggists. Testimonials free. Hall's Family Pills are the best.

Even if Judge Parker won't talk politics, he can, according to the New York Commercial, tell a good story. His latest is as follows: A young man in Savannah, named Du Bose, invited his sweetheart to take a buggy-ride with him. The young woman had a very fetching lisp. When they reached a rather lonesome bit of the road the young man announced: "This is where you have to pay toll. The toll is either a kiss or a squeeze." And the modest young woman simply replied: "Oh, Mr. Du Bose."

**A Grim Tragedy**  
is daily enacted, in thousands of homes, as death claims, in each one, another victim of consumption or pneumonia. But when coughs and colds are properly treated, the tragedy is averted. F. G. Huntley, of Oaklandon, Ind., writes: "My wife had the consumption, and three doctors gave her up. Finally she took Dr. King's New Discovery for consumption, Coughs and colds, which cured her, and today she is well and strong." It kills the germs of all diseases. One dose relieves. Guaranteed at 50 cts. and \$1 by O. B. Anderson & Son, druggists. Trial bottle free.

A man may have enough money to keep him out of heaven and still not have enough to get into society.

Over in Hannibal nobody ever gets married. They're always united in the holy bonds of wedlock.

**Spoiled Her Beauty.**

Harriet Howard of 209 W. 34th St., New York, at one time had her beauty spoiled with skin trouble. She writes: "I had Salt Rheum or Eczema for years, but nothing would cure it until I used Bucklen's Arnica Salve." A quick and sure healer for cuts, burns and sores. 25c at O. B. Anderson & Son's drugstore.

Nations, like individuals, are powerful in the degree that they command the sympathies of their neighbors.

The Mendon Constitution says that Selly Shoop, one of Rothville's business men, took a pleasure trip to the southern part of the state recently, and brought back a wife.

**Cured Lumbago.**

A. B. Canman, Chicago, writes March 4, 1903: "Having been troubled with Lumbago at different times and tried one physician after another; then different ointments and liniments, gave it up altogether. So I tried one more, and got a bottle of Ballard's Snow Liniment, which gave me almost instant relief. I can cheerfully recommend it, and will add my name to your list of former sufferers." 25c, 50c and \$1. Sold by H. M. Sigloch.

Dr. J. C. Maple was called over to Glasgow Sunday to fill the regular appointment of Rev. Phillips, pastor of the Baptist church. Rev. Phillips was quarantined at home on account of one of his children having scarlet fever.

An exchange thus fitly describes the meaning of the term "local enterprise." If you can think of anything that can be done to beautify or build up your town, go and do it. Keep your capital at home; patronize home industries; help your merchants to sell more so they can sell cheaper. Always get your work done in your town if possible, and subscribe and pay for your home paper. If you follow these suggestions and your town does not improve and build up, it will not be your fault. Try it.

Let me say I have used Ely's Cream Balm for catarrh and can thoroughly recommend it for what it claims. Very truly, (Rev.) H. W. Hathaway, Elizabeth, N. J. I tried Ely's Cream Balm and to all appearances am cured of catarrh. The terrible headaches from which I have suffered are gone.—W. J. Hitchcock, Major U. S. Vol. and A. A. Gen., Buffalo, N. Y.

The Balm does not irritate or cause sneezing. Sold by druggists at 50 cts. or mailed by Ely Brothers, 56 Warren St., New York.

The following persons took the civil service examination provided by the government for those wishing employment as mail carriers and post-office clerks at Macon Wednesday: John Shea, Roy Muff, George Glasscock, Joe Bell Chapman, George Collet George Pohlman and Miss Elnora Short. The examination was conducted by Miss Nellie Wilson and Ed Maffrg. Questions were asked on spelling, geography and concerning important towns. Another test was to read 25 badly written addresses in a minute and a half.

# YOU'RE NEEDED

The Southwest is really in need of nothing save people. More men are needed—YOU'RE NEEDED. There are vast areas of unimproved land—and not yielding the crops of which it is capable. This same thing in a different way is true of the mills and manufacturing plants, small stores, banks, newspapers and lumber yards. The oil and gas fields of Kansas, Indiana Territory and Oklahoma are practically new and offer wonderful opportunities for development along commercial lines.

**THE OPPORTUNITY IS NOW.**

The M. K. & T. has no lands for sale, we are simply interested in the upbuilding of the country. We believe in the Southwest, and know that with its present needs and opportunities, the prospects are brighter and the future more hopeful than in the older and more densely populated States. We want you to investigate conditions and satisfy yourself of the truthfulness of this.

On January 17th, February 21st and March 21st, the M. K. & T. R'y. will sell excursion tickets from St. Louis, Hannibal and Kansas City to Indian Territory, Oklahoma and Central and Eastern Texas.

One way second class COLONIST tickets will be sold on the same dates at one-half the standard one way rate, plus \$1. You should take advantage of this opportunity to see the Southwest yourself.

We are in possession of all sorts of information valuable alike to the investor and homeseeker. If you interested, tell us what you want, how much you have to invest, and we will gladly furnish the information. Write to-day for a copy of our book "Business Chances." It's free. Address,

**"KATY," ST. LOUIS, MO.**

Two negroes tried to "hold up" an editor from Hebron, Neb., Saturday night. The bodies of the negroes have not been found.

**Pleasant and Most Effective.**

T. J. Chambers, Ed. Vindicator, Liberty, Tex., writes December 25, 1902: "With pleasure and unsolicited by you, I bear testimony to the curative power of Ballard's Horehound Syrup. I have used it in my family and can cheerfully affirm it is the most effective and pleasant remedy for coughs and colds I have ever used." 25c, 50c and \$1. Sold by H. M. Sigloch.

A. T. Franklin, a former resident of Moberly, died at the home of his daughter, Mrs. C. A. Jennings of Chicago. His remains were interred at Moberly Thursday.

According to the Constitution, a couple blew into Mendon Monday from Mt. Pleasant, Iowa, and stated to about everybody with whom they came in contact that they had eloped and desired to be married as soon as possible. Not being provided with a marriage license they were unsuccessful in ending their "pretty romance" by being made one. "Love will find a way" didn't seem to work in their case, and finding that they could not be "spliced" here, they afterwards stated that they were already married, and proceeded to the hotel and registered as "hubby and wife." There is considerable gossip in regard to the affair, but the above seems to be the predominant version of Cupid's pranks. They left Tuesday for a more congenial climate. They looked "bright," but were they?
