TRUSTY TRUSSES

We have for a long time made a specialty of trusses. We have an immense stock in every respect, so complete in fact that no one in need of a truss can in justice to himself afford to overlook it or deny himself the experience in fitting that we have gained through many years' practice. An ill-fitting truss or one of faulty construction is of no more value than none, so that it is to your interest to avail yourself of our experience both as to make and fit.
