Extra Value in Our "Warewell" Hats

The common complaint of men who buy the ordinary \$2 hats is that they lose their luster and shape after a few days' wear. And so they do—because they are just the ordinary \$2 hats. But if you will be equally as careful in buying a \$2 hat as you are when selecting a suit of clothes or an overcoat you can avoid these difficulties. The “Warewell,” our exclusive \$2 Hat specialty, is the solution to the problem, for it contains all the good qualities which the ordinary \$2 hats lack. To buy the “Warewell” means that you get precisely the satisfaction you would if you paid \$3 elsewhere. Every smart style shape and color **\$2.00**

The John B. Stetson "Initial" Hat

is a bound edge low crown telescope of a small shape. At once dressy in contour and negligee in its studied carelessness. In buff, pearl, black, chamois and head gray. Becoming to men of any height **\$3.50**
