### Caught a Wolfe.

To begin with we will say that  
this is a Wolfe story, but it is a  
true story or we wouldn't tell it.  
Here is how it happened:

A Wolfe has infested Keytes-  
ville for nearly a year and every  
one has feared the consequences,  
although his Wolfship had been  
harmless until within the past  
few weeks, when he began to  
cause trouble by looking around  
for prey.

The first complaint to reach us  
of the Wolfe's ravages came  
from J. M. Bradshaw, a promi-  
nent member of the Methodist  
church of this city.

He had seen with his own eyes  
this ravenous Wolfe endeavoring  
to make way with a Methodist  
lamb in the person of the Sun-  
day-school and church organist,  
and sounded a note of warning  
of the danger that confronted  
her by letting her know that he  
had set a trap to capture the  
Wolfe.

This was a timely, kindly and  
brave and heroic act on the part  
of Mr. Bradshaw, still the lamb  
did not appreciate it, was  
not in the least perturbed and  
immediately sent word back to  
Mr. Bradshaw that the trap had  
already been set and the Wolfe  
caught.

It had developed that the  
Wolfe was not in sheep's cloth-  
ing, but that it was a case of a  
sheep in Wolfe's clothing and  
that there was a compatibility in  
a sheep's association with a  
lamb.

The wedding will take  
place Tuesday evening, April  
30, 1907.

### Baptist Church Notes.

There will be no preaching  
services at the Baptist church  
next Sunday. The pastor will  
attend the Moberly convention  
and will preach at Huntsville  
Sunday morning.

Once more our Sunday-school  
has gone beyond the 100 mark.  
The number Sunday was 101.  
The mark now is 130, and we  
can bring the number up to 110  
next Sunday if all will try. Let's  
try.

The Sunday-school, B. Y. P.  
U. and juniors will meet as  
usual next Sunday. Let those  
who remain at home see to it  
that each service is of the very  
highest order.

Sunday evening was the time  
for election officers of the B. Y.  
P. U.

Roy Pearson was elected  
president; Miss Jane Anderson,  
vice-president; Chester Stender,  
recording secretary; Roy Davis,  
treasurer; Miss Kate Gaston,  
corresponding secretary, and  
Miss Edith Stender, organist.  
The time of the meeting has  
changed from 6:30 to 7 o'clock  
and the preaching service to  
8 o'clock.

Thirty-two juniors attended  
the meeting Sunday. Ben Agee  
led the meeting well. Mary Binks  
Lamkin leads the meeting next  
Sunday. The junior cadets are  
a very promising band. Miss  
Anna Holcomb will meet the  
juniors Sunday. Let every jun-  
ior bring a Bible.

Several from Keytesville will  
attend the convention at Moberly  
March 29-30. It promises to  
be the best convention we have  
had for years in the association.

Do not fail to hear Dr. J. P.  
Greene at the Baptist church  
next Thursday night, March 28.  
Every young man and young  
boy and girl in this community  
should hear this address, "Old

Heads on Young Shoulders."  
The older heads should hear  
this address also.

F. L. ALEXANDER, Pastor.

Mrs. Frank Hamilton, Jr., the  
postmistress at Rothville, is the  
only person in Chariton county  
who actually "has money to  
burn." She placed about \$300  
in the cook stove one night last  
week for safe-keeping while her  
husband was in St. Louis. The  
next morning she kindled a fire  
in the stove and forgot that she  
used it the night before as a  
receptacle for her coin and cur-  
rency. A little later she thought  
of her cash and it is said that it  
would have made even a dog  
laugh to see her raking fire in  
an effort to recover her treasure.  
The \$10 in currency was charred  
and partly burned, but she hopes  
to be able to get the government  
to redeem it. The silver was  
blackened, but she has so far  
found no trouble in passing it  
and will not have to do without  
a new Easter hat. Had it been  
otherwise there would have been  
a very, very sad woman in  
Rothville.

WANTED:—Person to travel in  
home territory; salary \$3 50 a

A. Alexander, 125 Plymouth
