or C. O. Houston, appointed by Gov. J. W. Folk during the annulment of township organization, while the 1908 assessment was made by 16 suitable assessment than 16 who are of as many different minds. Unless the county board of equalization gets extremely busy at its sitting in on the \$100 of the shortage and a total of 10 cents on the \$100 to the township funds, which means a loss of \$10,005.64 to the county revenues is in Salisbury township, and that, too, regardless of the fact there has been an increase of about \$30,000 on banks in that township.

Desperate Coughs

Dangerous coughs. Extremely perilous coughs. Coughs that rasp and tear the throat and lungs. Coughs that shake the whole body. You need a regular medicine, a doctor's medicine, for such a cough. Ask your doctor about Ayer's Cherry Pectoral.

Ayer's

Any good doctor will tell you that a medicine like Ayer's Cherry Pectoral cannot do its best work if the bowels are constipated. Ask your doctor if he knows anything better than Ayer's Pills for correcting this sluggishness of the liver.

Death of James H. Hains.

James H. Hains, an old resident of Chariton county, and one of her best known and most highly-respected citizens, died at the home of his sister, Mrs. Barlow, near Westville, on Monday. He was born September 6, 1841, and was in 67th year. He had been in poor health about six years.

Mr. Hains leaves two sons, Louis and William, both of whom were present at the funeral services held Wednesday at White Oak church, nine miles southeast of this city.—Marceline Mirror.

The courthouse in Columbia is to be torn down and the Landonia Herald believes it knows the reason why. It says: "There is a gallon jug of whiskey in the corner-stone of the old courthouse at Columbia, placed there when the courthouse was erected, and reports from that place since the saloons were closed are to effect that the building is under constant guard. The building it is believed can not long survive. In the event that the liquor, which ought to be a pretty fair article by this time, is recovered, no prohibitionist should be allowed a 'bite'."

We are informed by the Mendon Constitution that Anna Elizabeth Nicholson, aged 8 months and 11 days, the infant daughter of Mr. and Mrs. Samuel Nicholson, died at their home, 2 1-2 miles northeast of Mendon, Tuesday, February 18. Funeral services were conducted at the home Wednesday by Rev. J. H. Purdue after which interment was made in the Old Mendon cemetery. The COURIER sympathizes with the parents in the loss of their precious babe.

Clarence Chamblin, a formerly Moberly boy, died at his home in Paducah, Ky., Thursday morning from the effects of an operation for appendicitis. His remains were shipped to Moberly for interment.

Saturday while crossing the Wabash tracks at Moberly a fine horse belonging to James Ragsdale & Sons got one of its feet caught in a rotten board and badly crippled itself. This is the third horse hurt in the same manner at the same place in the past few weeks.

These Bad Pains

which give you such exquisite suffering, every month, are caused, as you know, by female trouble. Relief seldom or never comes of itself. It is necessary to cure the cause, in order to stop the pains, and this can only be done if you will take a specific, female remedy, that acts directly on the womanly organs.

WINE OF CARDUI

WOMAN'S RELIEF

"Cardui did wonders for me," writes Mrs. H. C. Larson, of Olds, Ia. "I had female trouble for 8 years. I had displacement, which increased my suffering, the doctor could only relieve me at times. Now, I am so much better, I hardly know when my time begins or when it ends."

Fee Dee Prattle.
(Received too late for last week.)

The Baptist meeting closed here last Sunday night.

C. A. Chapman and J. L. Cropper of Keytesville were here last Monday night looking after the local option proposition.

R. G. Stark moved to his farm, near Hamden, Tuesday.

Joe Phillips is contemplating a prospective trip to Southern Kansas.

Mrs. Elder Brooks is at the bedside of her mother in Brunswick who is very sick.

Bert Webb sold his farm last week to Harry Taylor and bought the Mackey farm, and will move to the same in a few days. Considerations not learned.

The 18-year-old son of Robert Washam disappeared last Sunday night very mysteriously and is causing his parents much worry as his whereabouts are unknown at this writing.

As predicted in our last we had a "double-header" wedding here last week at the home of E. S. Richards—Miss Mary Richards to J. O. Viers, and Miss Minnie Twyman to Ed Baker, Rev. Young doing the ceremonial act, and the horns, guns, etc., in the hands of a crowd of merry-makers adding the finishing touches in the evening. Here's to the high contracting parties. Many flowers and few thorns.

B. R. Collet assisted his son, Will, in his store last week.

The local option speaker failed to show up here Monday night and the appointment was filed by Rev. Kelly.

S. S. Kelso visited his brother, John, at Mendon, also his son, Grover, at Hardin, Mo., leaving home Friday and returning Monday.

We learn from the Star that Mrs. M. J. Severance of near Sumner, who never fully recovered from a fall some months since when she sustained a broken thigh bone, died at her home, east of Sumner, about 7 o'clock Wednesday morning. Most of her children were at her bedside when the end came.

The Triplet Tribune says that Mr. and Mrs. W. H. Poland celebrated their 32nd anniversary at their home in this city Sunday by inviting a few friends to a big turkey dinner which was up to the high standard that Mrs. Poland is noted for. Many things can happen in 32 years, but to this couple that linked their destinies together 32 years ago to pass through the shadows of misfortune and the sunlit fields of happiness side by side the years have been very kind to them. At times, perchance, their hearts were sad, but just for a moment, and then the ruling spirit of sunshine reasserted itself. Their lives have been unusually happy and the Tribune trusts that many more years will be theirs—a continuation of love and happiness as the slanting sun of life travels westward. Those present were: Dr. Collins and wife, J. S. Shipp and wife, Wash Triplett and wife, Geo. Knight and wife, John Preston and wife, Miss Allie Bryant and Mr. Black.

We never worry about the spiritual welfare of the man who always sprinkles ashes on his icy sidewalk.

There is something wrong about the good time of yesterday that produces to-day's headache. It will take something more than the fear of microbes and germs to put a stop to the kissing habit.
