

# Best Stomach Remedy Free

It is an old saying that if the stomach is sound the whole body is safe, because so much depends upon the proper working of the stomach. Many persons find themselves with a disorder of the stomach which produces dyspepsia or a peculiar state of biliousness.

If you suffer from both stomach trouble and constipation you are on the way to a very serious disease. From just such conditions come appendicitis, rheumatism, skin diseases and similar disorders, because the waste matter that should have been expelled from the system through the bowels has found its way into the blood and vitiated it. What is needed at this point is not simply a violent cathartic tablet or salt, which usually does more harm than good, but a gentle laxative tonic like Dr. Caldwell's Syrup Pepsin, which people have been using for these ailments for nearly a quarter of a century. It cured J. C. Lanham, of Warrensburg, Mo., of stomach trouble of long standing, also William Voll, of 903 Elliston St., Louisville, Ky., who had the trouble for fifteen years.

However, if you have stomach trouble you want to know from personal experience what Dr. Caldwell's Syrup Pepsin will do for you. If so, send your name to the doctor and a free trial bottle will be sent you. You are urged to send for the free bottle, as the results from it will be the best recommendation of Dr. Caldwell's Syrup Pepsin. Then you will do as over two million people did last year—go to your drugist and buy a regular bottle at 50 cents or \$1, according to the size you prefer. We could mention hundreds and hundreds of families who have recovered without it. You can never tell when some member of the family will need a laxative, and then no time should be lost taking Dr. Caldwell's Syrup Pepsin.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 500 Caldwell Bldg., Monticello, Ill.

Brother J. E. Preston took a spin down into Oklahoma recently, and his paper, the Tribune, was gotten out during his absence by Roy Riggan and Francis Hines, a couple of Trip-lett young men, and the opinion was expressed by many that the Tribune for that week was much better than usual. Now we are wondering why brother Preston don't go to Oklahoma and stay.

An infant of the female sex, in a state of decomposition, was found in the manhole of the sewer on South Fifth street in Moberly Saturday. Billy Miller, attracted by the odor, notified the chief of police and the health commissioner, who secured the little lifeless body. The child had probably been in the sewer for several days. The police have a fairly good clue on which to work out the parentage of the child. The infant is white.

We are informed by the Star that E. V. Allen, an enterprising farmer of near Sumner, has erected a fine automatic wagon gate in front of his fine farm on rural mail route No. 1. Besides having one of the most fertile farms in the state, Mr. Allen is fixing it up with modern conveniences so as to make it one of the most pleasant places to live to be found anywhere.

We see by the Triplet Tribune that Bud Swearingin, a 16-year-old lad residing on Yellow creek, was out hunting Monday and while he had his right hand over the muzzle of the gun it was discharged and blew off the ring finger of his hand. Dr. W. G. Brown, assisted by Dr. C. T. Collins, amputated the mutilated digit.

Walter H. Sittler, proprietor of a cleaning and pressing establishment in Moberly, was arrested Friday on a warrant issued at the request of Ed Phillips, a farmer residing south of Huntsville, for having seduced his daughter, Miss Etta Phillips, who is under 18 years of age. Sittler was released under a \$700 bond.

Fell And Broke Arm. We note from the Salisbury Press-Spectator that Jaunita, the little 4-year-old daughter of Mr. and Mrs. Jas. Tillerson of Salisbury, fell and broke her left arm between the elbow and wrist. The child was at the home of Joe Duff in the south part of town. While running and playing in the yard she stumbled over a rock. The fracture is healing rapidly and the little one suffers but little.
