

Salisbury Scribbings.

Dr. Thos. Walton of Higbee was here this week on business. He is another Salisbury boy that has made good.

We regret to learn that our old friend, Wm. LaGross, who lives with his daughter, Mrs. W. W. Boatman, at Centralia Mo., is in a poor state of health and gradually wearing out. He is 81 years of age and for many years has been a semi-invalid.

Mrs. Vallie Parks and daughter, Mrs. Ben Hayes, are in Joplin attending the bedside of Mrs. Dave Patterson, who has been very ill of appendicitis. An operation was performed Saturday and Mrs. Patterson is improving rapidly.

Mrs. Mary Peter, widow of the late Martin Peter, deceased, died at the home of her daughter, Mrs. Harry Hunter, of this city, Nov. 27 1910, leaving one son, one daughter and two grandsons, to mourn her death. She was a noble woman and highly esteemed for kindly deeds and lovely traits of character. Interment took place in the Catholic cemetery, after appropriate services conducted by Father Ernst at St. Joseph's church.

Mrs. McCans, a widow aged 82 years, died at the home of her brother, Dr. J. T. Kasey, on Thanksgiving day. Her remains were laid to rest in our city cemetery Saturday. She leaves two brothers and one adopted daughter to mourn her death. She was born in Bedford county, Virginia in 1828. She was a splendid woman and has gone to the reward of the just. For many years she had lived with her brother, the doctor, and all sympathize with him in his loss.

Long she waited for the call,
That soon or late, comes to all,
Then bade adieu to friends of earth,
To enter in the heavenly birth,
And join her loved ones gone before,
Waiting her on yonder's shore.

A dastardly attempt to fire the dwelling house of G. Gasser on East 4th St. was made Thanksgiving night. The north end of the front porch was saturated with coal oil, then set on fire by means of a rude torch made by tying paper to the end of a beam pole. For some reason the side failed to burn and was only charred. The work was of an amateurish character and was done in a bungling manner. Mr. Gasser whose wife died last June has since continued to occupy the home assisted by his niece in housekeeping and it is hard to find a reason for the cowardly act. The man is old and very feeble and why any one should wish to injure him is beyond our comprehension.

OVER 300 years ago, a French explorer returned from some where in the far east, brought with him an ominous blue gem, since known as the famous "Blue Hope Diamond" that left behind it a trail of blood, ruin and death. From Travenier, the diamond's discoverer, on down through the ages, the diamond has left madness, the gallows, assassinations, abdications, rebellion and death in its ghastly trail. Among its famous wearers are numbered, Mme. de Montespan, favorite of Louis XIV, Marie Antoinette, Lord Henry Hope and Abdue Hamid, all of whose tragic and unhappy histories and familiar to the world. Only once has the diamond crossed to America. A New York dealer, Frankel, brought it and while it reposed in his steel safe, his financial ruin almost came to pass. The diamond is thought to have sunk with its owner, a Bengali merchant, into the Rho Straits just a year ago when the French liner La Seyne went down with the crew.

Notice.

To THE COURIER:— Understanding that some people have remarked that my poem was copied, I invite them to find it in print only where it appeared in the COURIER.

The greatest danger from influenza is of its resulting in pneumonia. This can be obviated by using Chamberlain's Cough Remedy, as it not only cures influenza, but counteracts any tendency of the disease toward pneumonia. Sold by all druggists.

T. W. Kelly, 60 years old, was placed in the Macon jail Tuesday for a year and pay \$1,000 fine or serve 500 additional days for bootlegging. Kelly had a shanty near Ardmore mining camp. The state's evidence given was that persons who wanted a drink went to Kelly's place, laid the price of a pint on the floor and gave the countersign, "The Union Forever." The patron would turn his back to the money, a trap door would open and the money would be replaced by a bottle. The trial lasted about ten minutes.—Chillicothe Tribune.

Children Cry FOR FLETCHER'S CASTORIA

Jake Collins who brought a second suit against Mrs. Geo Mallory in circuit court at Moberly last week for the possession of 10 turkeys worth about \$18, paid \$60 in costs when the court decided in favor of the defendant in the case.

C. D. Wright a naive of Huntsville, aged 73 years, died Friday night. His death was caused by paralysis induced by a fall from the roof of a house while he was shingeling it. Deceased was a veteran of the civil war and leaves his wife, two daughters and two sons to mourn his death.

If you are suffering from biliousness, constipation, indigestion, chronic headache, invest one cent in a postal card, send to Chamberlain's Medicine Co., Des Moines, Iowa, with your name and address plainly on the back, and they will forward you a free sample of Chamberlain's Stomach and Liver Tablets.

"Candy" Mortin, a Moberly negro who was found guilty in Randolph county court and sentenced to a two years' prison term for embezzling funds belonging to the United Mine Workers of America, was refused new trial by the Supreme court at Jefferson City Tuesday and was taken on to the "pen" to serve his time.

A man 96 years of age has quit smoking. He says he does not feel as well as he used to and he thinks smoking is to blame. Young men, beware! If you want to be hale and hearty at 96, leave smoking alone.

A sprained ankle will usually disable the injured person for three or four weeks. This is due to lack of proper treatment. When Chamberlain's Liniment is applied a cure may be effected in three or four days. This liniment is one of the best and most remarkable preparations in use. Sold by all druggists.

A young Illinois swain, after a very decided rejection from his sweetheart, sent her a statement of \$371.63 for flowers, candy and opera tickets. If he can't do any more cooing he seems determined to keep up the billing.

How about paying your subscription and receiving one of those lovely three page calendars the CHARITON COURIER is giving away to all new subscribers or renewals?

There is more Catarah in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarah to be a constitutional disease, and, therefore, requires constitutional treatment. Hall's Catarah Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They will cure hundred dollars for anyone it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, Etc. Hall's Family Pills are the best.
