Volume XLII

KEYTESVILLE, MISSOURI, FRIDAY, JUNE 14, 1912

Number 19

Gray-Minter

At highnoon Roy C. Gray, erstwhile Highway Engineer and bridge commissioner of this County but now connected with a big bridge building firm of Kansas City, and Miss Ella Minter, the most efficient, accommodating and surely the handsomest clerk the Probate office this county ever had were married at the residence of the brides parents, Judge and Mrs. H. C. Minter, by Rev. J. A. Snarr in his happy style.

Relatives and a few young friends of the bride and groom were the only guests yet the splendid preparation, the simple, would have done justice to a much more pretentious affair.

The parlor was beautifully decorated with vines and pink roses and the dining room in pink and white. The wedding march by Miss Montgomery, a young lady friend of Mrs. Gray from Clinton, Missouri was beautifully rendered. A sumptuous dinner was served and the bridal pair, suspecting something not on the program at the hands of their young friends immediately took passage for Brunswick in an automobile, where they expected to take the train for Kansas City. They were immediately pursued by another automobile containing some practical jokers and were prevented as we heard, from catching the afternoon train as they had intended.

The out of town guests were Mrs. Montgomery, Mrs. E. P. Lamkin of Clinton, Miss Myrtle Perkins of Kansas City and Miss Montgomery of Clinton, Mrs. Fred Lamb and mother of Salisbury, Mrs. John Wayland and Mrs. Will Clark of Kansas City, Mrs. Dameron of Montgomery City and Miss Mary Lillian Johns of Charleston and Clay Perkins of Linneus.

The society of Keytesville, much to its regret has lost these two estimable members, but the heartiest wishes of every body for their good health, prosperity and long life is joined in by the Courier.

White-Anderson

At 5 o'clock Wednesday afternoon June 12, Frank White was joined in wedlock to Miss Carrie Anderson by Rev. J. E. Wolfe at the residence of the brides mother, Mrs. O. B. Anderson in this city. The wedding was a pretty home affair, guests being only relatives of the bride and groom.

This union is the mating of old sweethearts, and has been on the list of settled questions for some months.

Miss Carrie Anderson is the daughter of Mrs. O. B. Anderson who is the widow of a former sheriff of this county and who was one of the prominent men of the county for years in business and financial circles. Mrs. Frank White is a petite brunette, a charming, most popular young lady of her set, a graduate of Christian College of Columbia and highly accomplished in domestic science.

Frank White is the senior partner of the White Drug Store, a son of C. L. and Mrs. White of this city, and has spent practically all of his life in business in this city. He is efficient, progressive and popular and congratulations are due equally to the young couple.

As soon as the pretty ceremony had been said and congratulations extended, Mr. and Mrs. White took an automobile for Brunswick where they caught the fast train at 7:20 west to Kansas City where they will remain for a few days, then on to Topeka to visit Mr. Whites sister, Mrs. H. P. Mitchell.

The Courier extends heartiest congratulations and good wishes.

Col. Dan Minter Dead

Col. Dan G. Minter of Shelby, Mo., brother of Hon. H. C. Minter of this city and Mrs. Moredock of Salisbury

was stricken with apoplexy last Friday night, died on the 10th and was buried in the city cemetery at that city on the 11th. Col. Minter was 76 years old, a Virginian who came to the state in 1856 and had engaged in the mercantile and banking business at Shelby since '64.

He had retired from active business in 1895, he was vice president of the bank at that city at the time of his death. He had but one child which died in infancy, the married three times. His adopted daughter who is well known in this community but has married and lives in Georgia, was present at the obsequies.

Col. Minter was an ex-confederate, a prominent Mason and a leading Baptist in Northeast Missouri and was highly respected and honored in every way by all who knew him, and his death will be deeply deplored by all who knew him or who had been the recipients indirectly as well as directly, of his kind favor.

I. O. O. F. Decoration

The Odd Fellows lodge of this city, assisted by a troop from Salisbury and Dalton lodges held exercises at their hall here commensurate with the occasion and marched to the cemetery and feelingly and tastefully decorated the graves of their deceased brothers. While all the members of the lodge were not present, the line of march was long and well conducted and the marchers presented a fine appearance in their new regalia. We are proud of the appearance at least one order in this city makes when it is visible to the naked eye.

Miss Mary Jo Dodge of Forest Green spent Saturday with friend, Miss Elizabeth Keating.

in Bowling Green township and report to the court.

Upon petition of I. H. Clough et al it is ordered by the Court that the concrete and all other obstructions be removed from the mouth of Drainage District No 10, said obstructions to be removed under the supervision of R. W. Cropper, County Engineer.

Charlie Cox and wife, who went to Idaho in the spring are back again in good old Missouri and the best old Chariton county for keeps. His son and wife are also on the road back but lodged in Kansas City to give Charlie time to enjoy the laugh. If both of them don't support Clark for Governor they ought to be canned and started back. Charlie said it was a fine country up there and he enjoyed his trip very much but don't want any more of it. Very glad to have you back.

Frank Enderle, an account of whose suicide is contained in this issue, said before the poison had taken much effect, and in the presence of Sam Allega that he wished his father and mother to have his property, after his expenses were paid. Coroner Tatum took the statement of his family, but deemed it unnecessary to hold an inquest. He was buried in the Salisbury cemetery Rev. Crowe preaching the funeral. His father has taken out letters of administration on his estate, which was much larger than supposed.

Hon. H. C. Minter—attended the bedside of his stricken brother, Col. Dan Minter at Shelby and the funeral Tuesday. The Judge had his first experience in rapid automobile trains from Macon City to Moberly Tuesday evening. He with two others engaged a livery automobile and the driver tried to make the machine perform flying stunts.

Judge J. L. Stacy came in from Kansas City. He has been the rounds visiting relatives and spent several days in attendance on the meeting of the Cumberland brethren at Warrensburg, but all the time he was away he longed for another drink out of the Mussel Fork.

Perry Harris returned Wednesday from somewhere and said he had been nearly everywhere, but every road led back to Keytesville. Some Chariton county widow ought to head Perry off and at the same time get a good hustler.

Hon. U. S. Hall who is canvassing in the interest of his college dropped in to see us a while yesterday afternoon.
