

## WOMEN SHOULD BE PROTECTED

Against So Many Surgical Operations. How Mrs. Bethune and Mrs. Moore Escaped.

Sikeston, Mo.—"For seven years I suffered everything. I was in bed for four or five days at a time every month, and so weak I could hardly walk. I cramped and had backache and headache, and was so nervous and weak that I dreaded to see anyone or have anyone move in the room. The doctors gave me medicine to ease me at those times, and said that I ought to have an operation. I would not listen to that, and when a friend of my husband told him about Lydia E. Pinkham's Vegetable Compound and what it had done for his wife, I was willing to take it. Now I look the picture of health and feel like it, too. I can do my own housework, hoe my garden, and milk a cow. I can entertain company and enjoy them. I can visit when I choose, and walk as far as any ordinary woman, any day in the month. I wish I could talk to every suffering woman and girl."—Mrs. DEMA BETHUNE, Sikeston, Mo.

Murrayville, Ill.—"I have taken Lydia E. Pinkham's Vegetable Compound for a very bad case of female trouble and it made me a well woman. My health was all broken down, the doctors said I must have an operation, and I was ready to go to the hospital, but I read it so that I began taking your Compound. I got along so well that I gave up the doctors and was saved from the operation."—Mrs. CHARLES MOORE, R. R. No. 3, Murrayville, Ill.

### Early Rising in Kansas

"I reckon," said the first farmer, "that I get up earlier than anybody in this neighborhood. I am always up before 3 o'clock in the morning."

The second farmer said he was always up before then and had part of the chores done. The first farmer thought he was a liar and decided to find out. A few mornings later he got up at 2 o'clock and went to the neighbor's house. He rapped on the back door and the woman of the house opened it.

"Where is your husband?" asked the farmer, expecting to find the neighbor in bed.

"He was around here early in morning," answered the wife, "but I don't know where he is now."—Grove County Advocate.

### Piles Can be Cured

By using Pileine, thousands of pile sufferers have been absolutely cured. It is a home treatment, taken internally, and will not interfere with your daily occupation. My booklet, "Treatment of Piles," mailed free upon request. Address, Pileine Co., Dept. M., Danville, Illinois.

### Has Old Ballots

Robert Long, of Mendon, has some old ballots. One of these is a ballot containing the names of Millard Fillmore and Andrew J. Donelson, these heading the Know-nothing ticket; another is a Democratic ballot containing the names of James Buchanan and John C. Breckenridge. The tickets are the usual small ballots used years ago and compare very unfavorably in respect to size with the big ballots used today.

Miss Myrtle "Bab" Snarr, of Fayette arrived here Saturday to visit at the home of Miss Elizabeth White.

## The Coughs of Children

They may not cough today, but what about tomorrow? Better be prepared for it when it comes. Ask your doctor about keeping Ayer's Cherry Pectoral in the house. Then when the hard cold or cough first appears you have a doctor's medicine at hand. This cough medicine is especially good for children. No anodynes. No alcohol.

Many a child is called dull and stupid when the whole trouble is due to a lazy liver. We firmly believe your own doctor will tell you that an occasional dose of Ayer's Pills, sugar-coated, will do such children a great deal of good. Ask him. Made by Dr. J. C. AYER CO., Lowell, Mass.

### Eloped in Moberly

E. Roy Moffit of Elliott and Miss Ollie Oldham of near Higbee were married by Justice A. C. Gladney in his office in Moberly at 11:45 o'clock Friday. They then went to a restaurant for dinner and a little later in the afternoon joined the grandmother of the bride when all went merry as a wedding bell. Friday morning Mrs. Wheeler, who resides near Higbee, came to Moberly. She was accompanied by her granddaughter, Miss Ollie Oldham. The ladies began shopping and were together part of the time. Sometimes one would hold the horse while the other would go into a store to make a few purchases. The time was 11:30 the place Clark street and Miss Oldham was the girl. Mr. Moffit drove up, the young lady hitched the horse in front of Levy's and joined the groom to be. They made a quick trip to the license office and then hurried to Justice Gladney's office where they were united for weal and woe. In the meantime the grandmother missed her charge and began hunting for the young lady. Instead of finding her, the bride and groom presented themselves to their grandmother ready for her blessing. Mr. Moffit is bookkeeper for the mines at Elliott and is an upright and industrious young gentleman. The bride is the daughter of Joe Oldham a prosperous farmer who resides near Higbee.
