GIRL SUFFERED TERRIBLY

At Regular Intervals—Says Lydia E. Pinkham's Vegetable Compound completely cured her.

Adrian, Texas.—"I take pleasure in adding my testimonial to the great list and hope that it will be of interest to suffering women. For four years I suffered untold agonies at regular intervals. Such pains and cramps, severe chills and sickness at stomach, then finally hemorrhages until I would be nearly blind. I had five doctors and none of them could do more than relieve me for a time.

"I saw your advertisement in a paper and decided to try Lydia E. Pinkham's Vegetable Compound. I took seven boxes of it and used two bottles of the Sanative Wash, and I am completely cured of my trouble. When I began taking the Compound I only weighed ninety-six pounds and now I weigh one hundred and twenty-six pounds. If anyone wishes to address me in person I will cheerfully answer all letters, as I cannot speak too highly of the Pinkham remedies."—Miss JESSIE MARSH, Adrian, Texas.

Hundreds of such letters expressing gratitude for the good Lydia E. Pinkham's Vegetable Compound has accomplished are constantly being received, proving the reliability of this grand old remedy.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

What's The Matter With Your Baby?

The young mother—and many an old one, too—is often puzzled to know the cause of her child's ill nature. The loudness of its crying does not necessarily indicate the seriousness of its trouble. It may have nothing more the matter with it than a headache or a feeling of general dullness. It cannot, of course, describe its feelings, but as a preliminary measure you are safe in trying a mild laxative.

Nine times out of ten, you will find it is all the child needs, for its restlessness and peevishness are perhaps due to obstruction of the bowels, and once that has been remedied the headache, the sluggishness and the many other evidences of constipation and indigestion will quickly disappear.

Don't give the little one salts, cathartic pills or nasty waters, for these will not act as purgatives, and they are too strong for a child. In the families of Mrs. J. S. Stanley, Seymour, Mo., and Mrs. Benjamin Lockhart, 2728 University St., St. Louis, Mo., the only laxative given is Dr. Caldwell's Syrup Pepsin. It has been found to answer most perfectly all the purposes of a laxative, and its very mildness and freedom from griping recommend it especially for the use of children, women, and old folks generally—people who need a gentle bowel stimulant. Thousands of American families have been enthusiastic about it for more than a quarter of a century.

Anyone wishing to make a trial of this remedy before buying it in the regular way of a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 465 Washington St., Monticello, Ill. Your name and address on a postal card will do.
