YOUR OPPORTUNITY

To make more money during your spare hours than at your regular work. Become a salesman. An old, well-established automobile manufacturing company wants an agent in every township and district where it has no representative. You need no experience. You can sell your neighbors. Some of your neighbors are going to buy cars. Why don't you sell them? Will you do it now or will you miss the opportunity?

Sheep Would Paid

A small flock of sheep should form part of the live stock equipment of many of the farms of Missouri. This much neglected branch of live stock farming will return a larger income in proportion to the investment in feed and labor than any other class of live stock commonly handled, excepting poultry.

The early spring lamb is always in demand and at high prices at our central markets. As a rule the man with a small flock finds himself handicapped in securing this high class market because he does not have a sufficient number to make a carload shipment. A little co-operation between several farmers having small flocks will easily overcome this handicap.
