Was Able to Sleep and Eat Again

Mrs. Mueller says: "I keep Peruna in the house constantly. When I am not feeling well I take a few doses. It always restores."

Mrs. Mueller's story of her experience with Peruna fully explains why she always keeps Peruna on hand.

A few years ago she was very sick. The trouble seemed to be the stomach and liver. She suffered great pain. Was unable to get anything to help her. She was growing weaker and weaker. She became tired of life.

Somebody suggested that she write to the Peruna Co. She did so. Through their advice she began to use Peruna. In a letter from her at this time she says: "Through the use of Peruna I have regained my health. I took only a bottle and a half when I was able to sleep and eat again and my nervousness disappeared." No wonder Mrs. Mueller keeps Peruna in the house. Under similar circumstances Peruna would be in every house in the land.

Any one taking Peruna ought to have a free copy of the "His of Life." Address Peruna Co., Columbus, Ohio. People who object to liquid medicines can now obtain Peruna Tablets.

MAKES RHEUMATISM PROMPTLY DISAPPEAR

Chronic, Crippled-up Sufferers Find Relief After Few Doses of New Remedy are Taken

It is needless to suffer any longer with rheumatism, and be all crippled up, and bent out of shape with its heart-wrenching pains, when you can surely avoid it.

Rheumatism comes from weak, inactive kidneys, that fail to filter from the blood, the poisonous waste matter and uric acid; and it is useless to rub on liniments or take ordinary remedies to relieve the pain. This only prolongs the misery and can't possibly cure you.

The only way to cure rheumatism is to remove the cause. The new discovery, Croxone, does this because it neutralizes and dissolves all the poisonous substances and uric acid that lodge in the joints and muscles, to scratch and irritate and cause rheumatism, and cleans out and strengthens the stopped-up, inactive kidneys, so they can filter all the poisons from the blood and drive it on and out of the system.

Croxone is the most wonderful medicine ever made for curing chronic rheumatism, kidney troubles, and bladder disorders. You will find it different from all other remedies. There is nothing else on earth like it. It matters not how old you are, or how long you have suffered, it is practically impossible to take it into the human system without results. You will find relief from the first few doses, and you will be surprised how quickly all your misery and suffering will end.

An original package of Croxone costs but a trifle at any first-class drug store. All druggists are authorized to sell it on a positive money-back guarantee. Three doses a day for a few days is often all that is ever needed to cure the worst back-ache or overcome urinary disorders.

Spray: Spray: Spray

The Missouri State Fruit Experiment Station at Mountain Grove, Mo., urges every fruit-grower to take steps to protect his fruit against loss from injurious insects and plant diseases. The proper sprays improperly prepared or applied at the wrong time merely mean loss of time and money.

To control worms attacking currant and gooseberry foliage spray with Powdered White Hellebore at the rate of 1 ounce per gallon of water.

To control Grape Berry Worm and Black Rot spray with Bordeaux mixture, 4-4-50 to which arsenate of lead paste is added at the rate of 2 lbs. per 50 gallons.
