### Salisbury Scribbings

While some Colored boys were "rocking" Fent Kincheloe, a feeble minded colored boy last Friday, he was struck on the back of the head with a stone that cut a big gash in his scalp and has since been confined to his bed. If the parents of these boys do not attend to them, we suggest that our city authorities look into the matter. The boy is silly and harmless, and should be protected.

Uncle "Jim Baker, a bachelor, while crossing Broadway, early Wednesday morning made a misstep and fell heavily, but did not sustain serious injury. He remarked as he remarked as he reached an upright position, "I can't catch myself as easily as I used to do, and I can't be drunk, because it is too early". He is the prince of good fellows and all are glad he was not hurt.

### TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a 25 cent bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.  
 Get a 25 cent bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!

### EFFECT OF GREAT KIDNEY REMEDY IS SOON REALIZED.

I feel it my duty to let you know what Swamp-Root did for me. I was bothered with my back for over twenty years and at times I could hardly get out of bed. I read your advertisement and decided to try Swamp-Root. Used five bottles, and it has been five years since I used it, and I have never been bothered a day since I took the last bottle of it. I am thoroughly convinced that Dr. Kilmer's Swamp-Root cured me and would recommend it to others suffering as I did.
