

10 CENT "CASCARETS"  
IF BILIOUS OR COSTIVE

For Sick Headache, Sour Stomach,  
Sluggish Liver and Bowels—They  
work while you sleep.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to-night will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

"Going Up" Skirts

A rumor.  
Says "shorter".  
Help should come.  
Or we'll all resemble.  
Ye giddy ballet dancer.  
The age of some should be thought of.  
And again the architecture of others deserves consideration.  
Let us "stop, look and listen" before we commit ourselves to the extremely short frock.

Will Allen who is teaching "up north" was here Saturday.
