20 Days Rain in July

July has been another rainy month and it has rained 20 days of the total of 31 in the month. This shows that of two-thirds of the days, it rained and we can well believe it. May totalled 11 inches of rainfall while June came in a poor second with a total of 7.88 inches. For the three months there was a total of 25.55 inches or an average of more than 8 inches per month.

So he took it home and came back in a day or two and said he was cured." writes J. H. Berry & Co., Salt Creek, Va. Obtainable everywhere.

Children Cry FOR FLETCHER'S CASTORIA

MAKES BACKACHE QUICKLY DISAPPEAR

A Few Doses Relieves All Such Miseries. Bladder Weakness, Kidney Trouble and Rheumatism Promptly Vanish

It is no longer necessary for any one to suffer with backaching, kidney trouble, have disagreeable bladder and urinary disorders to contend with, or be tortured with rheumatism, stiff joints, and its heart-wrenching pains, for the new discovery, Croxone, quickly and surely relieves all such troubles.

Croxone is the most wonderful remedy yet devised for ridding the system of uric acid and driving out all the poisonous impurities which cause such troubles. It is entirely different from all other remedies. It is not like anything else ever used for the purpose. It acts on the principle of cleaning out the poisons and removing the cause.

It soaks right in through the walls, membranes and linings, like water in a sponge, neutralizes, dissolves, and makes the kidneys sift out and filter away, all the uric acid and poisons from the blood, and leaves the kidneys and urinary organs clean, strong, healthy and well.

It matters not how long you have suffered, how old you are, or what you have used, the very principle of Croxone is such, that it is practically impossible to take it into the human system without results. There is nothing else on earth like it. It starts to work the minute you take it and relieves you the first time you use it.

If you suffer with pains in your back and sides, or have any signs of kidney, bladder troubles, or rheumatism, such as puffy swellings under the eyes or in the feet and ankles, if you are nervous, tired, and run down, or bothered with urinary disorders, Croxone will quickly relieve you of your misery. You can secure an original package of Croxone at trifling cost from any first-class druggist. All druggists are authorized to personally return the purchase price if it fails in a single case.
