Those Checks Came

The \$50 checks, the rebates given buyers of Ford cars this year, have been mailed and received by buyers. The checks came O. K. and were received without any fuss by buyers. The Ford manager is some advertiser and this rebate system is a dozen times more valuable as an advertisement that it would have been to cut \$50 off the price in the start.

DOUBLY PROVEN

Keytsville Readers Can No Longer Doubt the Evidence. This grateful citizen testified long ago.

Told of quick relief—of undoubted benefit.

The facts are now confirmed. Such testimony is complete—the evidence conclusive.

It forms convincing proof of merit. George Hill, printer, Glasgow, Mo., says: "I had a great deal of trouble from my kidneys and back. Sometimes the pains in my back were sharp and then again they changed to a dull, throbbing ache. My kidneys were weak and I couldn't rest well. I used several remedies, but wasn't helped until I began taking Doan's Kidney Pills. They acted fine and almost before I knew it, I was free from the trouble. That happened over a year ago, and I have not been bothered since."

CURED FOR FIVE YEARS.

On October 22, 1912, Mr. Hill said: "I can still recommend Doan's Kidney Pills, and confirm the endorsement I gave before. I haven't had to use a kidney remedy since."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hill had. Foster-Milburn Co., Props., Buffalo, N. Y.
