Boiler Explodes

Last Friday, the boiler of the engine in use at the Harridge Mill at Kitchens Bridge, exploded and three men were injured. The mill is in charge of Henry Steinbach and is owned by Wilbur Harridge Elmer Harridge and Jesse Shoemaker, both of whom are employed there were pretty badly injured by the boiling water and particles from the engine, although neither is in a serious condition. A third person, whose name we were unable to learn who was just a visitor there was also injured. Steinbach escaped without an injury. It is not known just what could have caused the explosion, as the fireman had just gotten through making an examination of water and fire when the explosion came. It is fortunate that no one was more seriously injured.—Salisbury Democrat.

Verner Hurt of northeast of town visited relatives in Salisbury during Thanksgiving returning Sunday.

Railroad Accidents

Of the 594,350 accidents on American railroads in one year 31,851 resulted fatally. Fifty-one per cent of those killed were trespassers who had no right on railroad property, twelve per cent killed were travelers on highways, three per cent were passengers and only thirty per cent were railroad employees. From this it seems that railroad travel is practically safe for travelers.

Air Fighters

The new military aeroplanes used in the great war are biplanes having a wing spread of seventy five to ninety feet and equipped with two sets of motors. These machines will carry a load of two thousand pounds and can easily attain a speed of ninety-five miles an hour. The fuselage is armor plated to protect the pilot and rapid fire guns are mounted both fore and aft, making these crafts formidable war machines.

Lost

On road between Craneville and Salisbury, a gray, Austrian Vellour hat. Finder send hat to Dr. Ola Putman, Marceline Mo. and receive reward.

C. W. or B. F. or both the Editors Northcott of the Sumner Star either have a new dress or have laundried their type as it never was before their issue of last week. The paper is all that its patrons could wish except in politics, but this cleaning up generally may mean that it has serious intention of getting right.

Municipal League

December 15, at Jefferson City all the cities and towns in the state which desire to do so may become members of an organization which was formed to further the general interests of municipalities.

Every city or town under 2000 population is entitled to one delegate.

Mrs. Jno. Carroll of Salisbury was here the latter part of last week visiting relatives.

Largest Marble Building

Construction work on the new \$5,000,000 Field Museum of Natural History, which is to be built on Chicago's lake front, just south of Twelfth street, has been begun after twelve years of planning and negotiation. The structure will be completed in less than three years, according to plans. More than three thousand men will be employed in the work. The material employed will be Georgia marble. When finished it will be the largest marble building in the world, and one of the largest museums. It will consist of three stories and a basement, and will cover an area of 700 x 350 feet or approximately four downtown city blocks. The floor area of the museum will be 670,000 square feet, of which 400,000 square feet will be devoted to exhibition purposes. The remainder will be used for scientific laboratories, lecture halls, offices, and a restaurant. The late Marshall Field gave a total of \$9,500,000 for the building and endowment fund of the museum.

GOOD BACKS FOR BAD

Keytesville Residents Are Learning How to Exchange the Old Back For a Stronger One.

Does your back ache, feel weak and painful? Do you suffer headaches, languor and depression? Is the urine discolored, passages irregular?

The kidneys may be calling for help.

Weak kidneys cannot do their work. Give them the help they need.

To cure kidney backache you must cure the kidneys.

Use a tested and proven kidney remedy.

Doan's Kidney Pills have stood the test.

Convincing proof of merit in the following endorsement.

Mrs. Mary Offutt, 410 E. Benton St., Carrollton, Mo., says: "I suffered severely from sharp, cutting pains in the small of my back and over my kidneys. Sometimes it felt as though my back would break and I did not have any strength. I was also languid and weak. Doan's Kidney Pills gave me great relief."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Offutt had. Foster-Milburn Co., Props., Buffalo, N. Y.

Distress in the Stomach

There are many people who have a distress in the stomach after meals. It is due to indigestion and easily remedied by taking one of Chamberlain's Tablets after meals. Mrs. Henry Padgham, Victor, N. Y., writes: "For some time I was troubled with headache and distress in my stomach after eating, also with constipation. About six months ago I began taking Chamberlain's Tablets. They regulated the action of my bowels and the headache and other annoyances ceased in a short time." Obtainable everywhere.

John and O. E. Welch were in Kansas City the latter part of last week.
