

A GOOD THING

Is snapt up by the wise and passed up by the foolish.

You need a Reliable Abstract of Title to your Farm or Town Lot. In fact you will have to have one sooner or later.

During the dull summer months of July and August we will make you an abstract of title at reduced rates just to keep our force constantly employed.

Now be wise and see us at once—Time Flies—Don't delay. No orders at reduced rates will be booked after August 15th.

Write or come straight to the Brick Office East of the Court House in Keytesville. 24-26

Minter-Lamkin Abstract Co.

Hot dry weather and winds are making young corn look sick. Two months more of the same kind of weather like we have had for the past two weeks and the crop will be cut a little short.

County Treasurer Rucker has his new house completed on his farm south east of Salisbury and is looking forward with pleasure to the time when he can occupy it.

CHARLES SCHELL, Jr.

It is ingratitude, pure and simple, to use the effort of a friend to help you for other purposes than first intended, and Ralph Lozier is guilty. He had a splendid letter to President Wilson from Roy W. Rucker when he was prosecuting attorney of this county, beseeching the president to appoint Mr. Lozier to some diplomatic post. Now Mr. Lozier is using the letter, not to show how much Rucker had tried to favor him; not to indicate any kind feeling for the attempt to boost him into a good place; not to indicate a modicum of appreciation of the friendly act, but to ridicule Mr. Rucker's influence by expressing surprise in his public speeches that the letter did not land him the job.

Mr. Lozier will not get to congress and his influential, or supposed influential friends over the district will be slow to give him letters of endorsement in view of his use of the one mentioned. Such conduct not only proves cheap demagoguery but coldblooded selfishness strong enough to sacrifice any friend to his own aggrandisement.

Elmer Cox belongs to the life saving squad. Saturday evening as he was bathing in the Chariton river near the old Hammer mill with a number of others, Miss Anna Lou Fetzer got beyond her depth and was in a precarious situation when Elmer went to the rescue. He was grappled and neither would have reached shore but for the assistance of Albert Fetzer, but that makes no deduction from the gallantry and daring of Elmer.

10 CENT "CASCARETS" FOR LIVER AND BOWELS

Cure Sick Headache, Constipation, Biliousness, Sour Stomach, Bad Breath—Candy Cathartic.

No odds how bad your liver, stomach or bowels; how much your head aches, how miserable you are from constipation, indigestion, biliousness and sluggish bowels—you always get relief with Cascarets. They immediately cleanse and regulate the stomach, remove the sour, fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels. A 10-cent box from your druggist will keep your liver and bowels clean; stomach sweet and head clear for months. They work while you sleep.

WM. COUSINS

Salisbury Scribblings

Crowded out last week.

William Garhart, aged about 80 years, who has been ill with cancer for sometime, passed away Friday night at his home in College place addition, surrounded by his family and friends. His helpless condition called forth the deepest sympathy of all, and death came as a relief. After funeral services were conducted by Rev. J. P. Rice and remains were laid in the Prairie Hill cemetery to await the resurrection of the just. Deceased was an honest, upright man noted for good deeds and help to those who helped themselves. He lived close to his God and has gone to the reward of the faithful. A wife and four children, two sons and two daughters survive to whom we offer consolation.

Wallace Crossley of Warrensburg and candidate for Lt. Gov. spent a few hours here Tuesday mingling with our people and making a good impression. In our opinion, the man who beats Wallace gets the place.

Judge Rucker dropped in on us Monday morning but only remained a few moments leaving for Randolph county as soon as he could get a car.

There was a large crowd out to hear Lozier and they heard a rattling good speech. The speech was well received and we hope the speaker will come back in the near future.

Eld. Ralph Funk preached a fine sermon at the Christian church Sunday night to a large audience.

Forest Bailey was taken to Woodland Hospital Moberly Monday afternoon to be operated on for appendicitis. He was taken very suddenly while here and was hurried off as soon as possible. We hope he comes thru alright.

Mrs. Gene Kiser has been quite sick but has about recovered.

Rev. Pugh is absent on his annual vacation but we failed to learn where he went.

Rev. J. T. Mason of Watertown Tenn., now Evangelist at Troy Mo. came in on a visit to relatives and friends here Tuesday

THE bath which follows strenuous exercise is the most thorough test of any soap. Then the pores are wide open and the skin is sore and chafed from perspiration.

If the soap contains "free" alkali or strong ingredients of any kind it cannot help but smart, burn and irritate. Nothing but pure, high grade soap can give satisfaction at such a time.

Ivory Soap has been in general use for years at the leading colleges and athletic clubs. Its freedom from alkali, its mildness, its purity and its extremely high grade of materials are beyond question.

IVORY SOAP

99 44/100 PURE

and will remain for several days. Miss Russie Fawks, clerk at J. D. Brumhall Drug Store has returned home from her vacation much refreshed and improved.

Iva W. Dobson, an old Salisbury boy, now of McCloud Okla. is visiting his mother and sister, here. He is in the motion picture business and says life goes easy with him.

Misses Sadie and Janie Collins of Fulton Mo. were here the first of the week visiting at the home of Dr. Welch.

Mrs. Ed Huss is on the sick list this week.

Children Cry FOR FLETCHER'S CASTORIA

Big Junk Pile

During the year 1915 secondary metals were recovered from scrap sweepings, etc., in the United States to the value of \$114,304,930, according to the annual statement on Secondary Metals issued by the U. S. Geological Survey. This report is now available for distribution.
