A WORD WITH WOMEN

Valuable Advice for Keytesville Readers.

Many a woman endures with noble patience the daily misery of backache, pains about the hips, blue, nervous spell, dizziness and urinary disorders, hopeless of relief because she doesn't know what is the matter.

It is not true that every pain in the back or hips is trouble "peculiar to the sex." Often when the kidneys get congested and inflamed, such aches and pains follow.

You can tell it is kidney trouble if the secretions are dark colored, contain sediment; the passages are too frequent or scanty. Then help the weakened kidneys. Don't expect them to get well alone.

Doan's Kidney Pills have won the praise of thousands of women. They are endorsed right in this locality. Read this woman's convincing statement:

Mrs. William Sherwood, Glasgow, Mo., says: "For nearly two years I suffered from a dull pain across my back. I couldn't rest well and mornings felt stiff and lame. I had no strength or energy. Doan's Kidney Pills did me a world of good. The trouble with my kidneys was relieved and the aches and pains in my back left. I can rest better and feel improved in every way."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Sherwood had. Foster-Milburn Co., Props., Buffalo, N. Y.

Again we repeat: why should any man in this County voluntarily turn over the office of congressman to Carroll county? What is there to it for him?

Not all of them, but many of the same old gang who have been against Rucker before are working to get rid of an honor this county has had so long.

The anti-Rucker recruits, represented by disappointed applicants for office, are but a drop in the bucket compared to those who are supporting him this year who have voted against him heretofore.

10 CENT "CASCARETS" IF BILIOUS OR COSTIVE

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—They work while you sleep.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to-night will give your constipated bowels a thorough cleansing and straighten you out by morning. The work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.
