Why Hen Crosses Road

There used to be a conundrum which ran, "Why does a chicken cross the road?" The answer was, "To get on the other side, of course."

However, the answer does not hold, as I have noticed anew in running along country roads in automobile. The real reason for the wild scramble of the poultry to cross the thoroughfares is undoubtedly in order to get in front of an automobile, and there seems to be no way for a motorist to avoid a young fry short of walking ahead and kicking it off the road.

The farmers and their wives get mad as hornets when they see a noble young chicken bite the dust, but the motorist feels bad, too, at least all that I have ridden with show sorrow. So, as there is no fun in it for anybody, and it is damaging to the chicken, why don't the high-

brows get busy and breed some more brains into the chickens so that they can take better care of themselves?

10 CENT "CASCARETS" FOR LIVER AND BOWELS

Cure Sick Headache, Constipation, Biliousness, Sour Stomach, Bad Breath—Candy Cathartic.

No odds how had your liver, stomach or bowels; how much your head aches, how miserable you are from constipation, indigestion, biliousness and sluggish bowels—you always get relief with Cascarets. They immediately cleanse and regulate the stomach, remove the sour, fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels. A 10-cent box from your druggist will keep your liver and bowels clean; stomach sweet and head clear for months. They work while you sleep.

E. W. Maupin of Roanoke and Col. Pierce of Armstrong were in this neighborhood Monday on the lookout for mules.

The New Pension Law

Editor:—

As a matter of interest to many of your readers I wish to advise that the Ashbrook widows pension bill has become law.

Under the provisions of this law a widow whose name is now on the roll at a less rate is entitled to have her pension increased to \$20 per month, provided, either that she was the wife of the soldier during his service in the Civil War, or that she has reached the age of 70 years. In such cases no formal application is required. A letter addressed to the Commissioner of Pensions, Washington, D. C., giving the number of her certificate, the name of the soldier, his company and regiment, will insure prompt attention and secure the increase if warranted.

A widow who was dropped from the roll because of remarriage, if her second husband is dead or she is divorced from him, can be restored to the roll at \$12 per month until she reaches 70 at which time she will become entitled to \$20 per month.

A widow who married a soldier between June 27, 1890, and June 27, 1905, is entitled to \$12

per month until she reaches 70 years of age after which she is entitled to \$20 per month.

Widows coming within either of the last two classes must file formal applications and furnish evidence to establish their claim.

I will furnish the blanks required, file applications and secure action on them upon request.

Respectfully,
W. W. Rucker.

Constipation the Father of Many Ills

Of the numerous ills that affect humanity a large share start with constipation. Keep your bowels regular and they may be avoided. When a laxative is needed take Chamberlain's Tablets. They not only move the bowels but improve the appetite and strengthen the digestion. Obtainable everywhere.
