## Did He Mean It Then?

A Committee composed of Mrs. Dodge and other leading Anti-Suffragists interviewed Judge Hughes just before he delivered his letter of acceptance of the Republican nomination for president, and this is what he said:

"I have always been opposed to Woman Suffrage, probably because Mrs. Hughes has always been strongly opposed, and my daughters, so far as they have thought at all, think with their mother. All the women of my family have found their needs and duties in their homes. I am talking to you, not for publication. If I have any announcement to make publicly I prefer to make it when the time comes, through the usual channels. As a presidential candidate I shall not add or take away from the party platform.

As a private citizen I reserve the right of giving my personal views if it seems desirable that I shall do so, and I reserve the right—a lady's right—of changing my mind. I do not say that I will make any announcement, or that I will not. I should prefer not to do so, but it may not be possible for me to go through the strife of a political campaign, particularly of this political campaign, and keep silent."

## YOUNG WOMEN MAY AVOID PAIN

Need Only Trust to Lydia E. Pinkham's Vegetable Compound, says Mrs. Kurtzweg.

Buffalo, N. Y.—"My daughter, whose picture is herewith, was much troubled with pains in her back and sides every month and they would sometimes be so bad that it would seem like acute inflammation of some organ. She read your advertisement in the newspapers and tried Lydia E. Pinkham's Vegetable Compound. She praises it highly as she has been relieved of all these pains by its use. All mothers should know of this remedy, and all young girls who suffer should try it."—Mrs. MATILDA KURTZWEIG, 529 High St., Buffalo, N. Y.

Young women who are troubled with painful or irregular periods, headache, dragging-down sensations, fainting spells or indigestion, should take Lydia E. Pinkham's Vegetable Compound. Thousands have been restored to health by this root and herb remedy.

If you know of any young woman who is sick and needs helpful advice, ask her to write to the Lydia E. Pinkham Medicine Co., Lynn, Mass. Only women will receive her letter, and it will be held in strictest confidence.

Mrs. Joe Gunn of Clifton Hill visited her brother, Obie Rains, and family the latter part of last week.

## Advocates Divorce, Seed

R. D. Kathrens believes in divorces. He said they are "the safety values" of society. According to a petition filed by his wife, she believe she can get along better without him by using the valve. Kathrens says that divorce should be a wife's prerogative, and that it is not an evil, but a good and blessed thing. He may be confirmed in that view since his wife has availed herself of her prerogative. They lived in Kansas City.

## How Catarrh is Contracted.

Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucus membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere.
