SUDDEN DEATH

Before an insurance company will take a risk on your life the examining physician will test your water and repro. whether you are a good risk. When your kidneys get sluggish and clog, you suffer from headache, sick-headache, dizzy spells, or twinges and pains of lumbago, rheumatism and gout, or sleep is disturbed two or three times a night—take heed, before too late!
You can readily overcome such conditions and prolong life by taking the advice of a famous physician, which is: "Keep the kidneys in good order, avoid too much meat, salt, alcohol or tea. Drink plenty of pure water and drive the uric acid out of the system by taking Anuric in tablet form." You can obtain Anuric at almost all drug stores. It was the discovery of Dr. J. C. Pierce of the Invalids' Hotel, Buffalo,

Kirkville, Mo.—"I have been greatly helped by the use of Dr. Pierce's Favorite Prescription. It once cured me of woman's trouble when I was so bad I was sure there was no help for me, and I have given it to my daughters and it was a great help to them. 'Prescription' is a splendid medicine for women or girls who are just coming into womanhood."—Mrs. NANCY DOWLING, 702 W. Marilla St.
St. Louis, Mo.—"When I was a young mother always kept Dr. Pierce's Pleasant Pellets in the house. After married I had indigestion and gastritis which became very bilious. I took Dr. Pierce's Pleasant Pellets and they cured me."—Mrs. J. L. VAN METZ, 1431 Do-

Mrs. Smith Recommends Chamberlain's Tablets

"I have had more or less stomach trouble for eight or ten years," writes Mrs. G. H. Smith, Brewerton, N. Y. "When suffering from attacks of indigestion and heaviness after eating, one or two of Chamberlain's Tablets have always relieved me. I have also found them a pleasant laxative." These tablets tone up the stomach and enable it to perform its functions naturally. If you are troubled with indigestion give them a trial, get well and stay well.

Pie Supper at Lowry
Friday night last the school children at Lowry school house gave a pie supper and good things to eat, songs, recitations, and a special newspaper gotten up for the occasion was read and all most highly enjoyed, but the interest in the will made and duly executed by Leroy Bennett which was sprung on the assembly was unbounded.
Leroy is among the next who will leave the county for training camp to prepare for war and he wished to provide for any emergency while mind and body were whole and connected.
Here is his will, his testament he will not part with

WILL
I, Leroy Bennett, being of sound mind and able mentally to dispose of my property, do hereby will the Southeast quarter of west section of land that is now in navy beans, to Louella Gordon, 2 old plymouth rock roosters owned since childhood to Jim and Nona Preston, one dollar and two nickels to my mother, and my old pipe and banjo may be sold and the money given to any charitable institution in the Lowry neighborhood.
Signed,
Leroy Bennett,
Sworn before me this 20th day of Oct. A. D. 1917.

Latest Things in Bridal Veils
In the Woman's Home Companion Grace Margaret Gould says: "The Russian style in bridal veils is the latest for the bride who wants to look taller. Wired lace above a bandeau of pearls is topped with plaited tulle. From under the bandeau floats off the veil!"
"For the youthful bride, the wedding veil may hang from a big, fluffy tulle bow at the back of her head. Instead of a bandeau of pearls, she wears a braided bandeau of tulle and orange blossoms."
"The bride who is artistic will welcome the Moyen Age veil. It is draped over the head, falling in front to the knees. A place is cut for the face to peep out, which is outlined with fine pearls. The bandeau is silver ribbon or satin: the veil, tulle or silk Brussels net."
"The lucky blue garter is now lace frilled ornamented with a heart of orange blossoms."

Carry Alls
Mexicans know how to load burros, Chines jinrickshas and the Butler niggers their rat mules but a young farmer went thru town last Friday with 6 sacks of apples three of potatoes, two big boxes such as millinery is shipped in on top, on the running board four telescopes and a suit case on each side of the engine hood and a big sack of something fixed on behind, on the top which was down was lunch hampers laprobe and quilts all put snugly on a Tin Lizzy and she sailed majestically in northeasterly direction.

Nature Provides The Ingredients
Argo Phosphate, the New Herbal Remedy, Now Endorsed by Local People.

If the digestive organs are not properly performing the work which nature has assigned to them, then nutrition, which is absolutely essential to the recovery of other deceased parts, will be lacking and there can be no permanent relief. When bodily nutrition is normal, the stomach digests the food, the blood absorbs and carries the nourishment to the different parts of the body, causing the various organs to properly perform their functions.

Nature has provided a remedy in the ingredients of Argo-Phosphate, the new herbal stomach remedy, which is now being introduced here. It is purely vegetable and its vitalizing, corrective and reconstructive qualities are so pronounced that beneficial results are noticed from
