**3 Stallions and 5 Jacks**

License Applied For  
One Imported Percheron Stallion  
One All Purpose Stallion  
One Saddle Stallion  
And 5 big Jacks.

These Jacks are the big kind. The kind it takes to get the big mule. Come and look them over. Am sure they will please you. The season on Percheron Stallion and 3 best jacks is

**\$12.50 for horse colt**  
**\$15.00 for mare colt**  
and the others \$10 for horse colt and \$12.50 for mare colt.

The above stock will make the present season at my stables, 4 miles northwest of Forest Green and 4 miles southwest of Shannondale. All of the above stock will serve mares to insure colt to teat. Remember my insurance runs out when the colt stands up and sucks and proves to be healthy. Should you trade or sell the mare, or take her out of the community after breeding her, the money is due and I must have it. Don't expect me to keep track of the mare; I will do well to keep track of you. You make the debt and should see that it is paid. I can't be held responsible for unavoidable accidents should any occur. Come see my stock; am sure they will please you. No business on Sunday. Pedigrees of above stock will be found at the barn.

**This Is Labor's War**

This is labor's war. No element of the people of this country, or of other countries, would suffer more than the German victory—a German peace.

What the Germans mean by a "strong peace," a "German peace," was recently expressed by Gen Von Liebert, a leading Prussian conservative.

"For us there is but one principle to be followed, and we recognize no other. We hold that might is right. We must know neither sentiment, humanity, consideration, nor compassion. We must have Belgium and the north of France. France must be made to pay until she is bled white. We must have a strong peace."

Mr. Gompers spoke well for American labor when he said: "The Republic of the United States is not perfect; it has the imperfections of the human—but it is the best country on the face of the earth, and those who do not love it enough to work for it, to fight for it to die for it, are not worthy of the privilege of living in it."

"I say to the Kaiser, I say to the Germans, in the name of the American labor movement: You can't talk peace with the American workers; you can't talk peace to us at all; you can't talk to us at all now. We are fighting now. Either you smash

your Kaiser autocracy or we will smash it for you."

The workingmen of America have a tremendous interest to serve, a vital cause, to defend, a work of surpassing importance to accomplish. What is vital to them is vital to America and to the world. That they see their duty and the great mass of them are performing it with unimpeachable loyalty is a cause for congratulation to the Nation and to the world.
