# Merit That Makes Mileage

## -In Tires for the Smaller Cars

Such extraordinary competence and carefulness as are characteristic of all Goodyear manufacture likewise characterize Goodyear's building of tires for the smaller cars.

Only very unusual experience and endeavor make possible the high relative value built into the 30x3, 30x3 1/2, and 31x4-inch Goodyear Tires in our Plant No. 2, the world's largest factory devoted to these sizes.

In addition to the larger sizes Goodyear builds, a daily production averaging 20,000 tires of these smaller sizes alone makes them easily available, regardless of the big demand, to owners of Ford, Chevrolet, Dort, Maxwell, and other cars taking these sizes.

If you are one of these owners, go to the nearest Goodyear Service Station Dealer for these tires, and for Goodyear Heavy Tourist Tubes. He carries a stock.

30x3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread \$23.50  
 30x3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3 1/2 size in water—\$4.50 proof tag.

# GOOD YEAR

**Mr Farm Renter**

Why Don't You Work For Yourself?

Every dollar that you pay in rent has said good bye to you forever. Rent receipts are not accepted as collateral in any bank. How much money have you turned over to the landlords? More than enough to pay for a good productive farm in sunny Colorado, especially in our district where your neighbors, who have bought from us, know that one crop pays for the land on which it is grown. Who made the rich land owners of today independent? The years of your labor on their farm increased its value and you only got your rent raised. Did you ever hear of a rich tenant? Don't make the tenants mistake and say "Land is too high now." If I had only bought here at a certain time. Yes, but it is not too late to buy rich, virgin land, that has proven its productive value, in our Valley at low prices on easy payments. Pay us rent for a couple of years and get a deed to one of our farmers. It will make a profit of 500 per cent in a few years. Mark the prediction. Prices here are climbing rapidly. You can use your brains and make more money than by hard labor building up some one else's farm. It is a duty that you owe to yourself and family to better your physical and financial condition. It means independence for life to sit under your own "vine and fig tree." We know that on account of the fertility of the soil and the shallowness to water that we have the BEST grain, alfalfa and dairy district in the State of Colorado. Our farmers are making good. We want to give you a "show me" trip through our valley.
