Ethel Redding Bell

Ethel Redding was born in Chariton county, Sept. 9, 1878, and died of influenza at her home southeast of Marceline, Mar. 16, 1920. She was the daughter of James A. and Addie Redding. March 20, 1901 she was married to James O. Bell who survives her. She also leaves two sisters Mrs. Geo. Smith of near Westville and Miss Virlea Redding.

When quite young she profess-

How Is Your Complexion?

A woman should grow more beautiful as she grows older and she will with due regard to baths diet and exercise, and by keeping her liver and bowels in good working order. If you are haggard and yellow, your eyes losing their lustre and white becoming yellowish, your flesh flabby, it may be due to indigestion or to a sluggish liver. SPRING FEVER

Following Colds, Grip or Flu, Thin, Watery or Poisoned Blood
(BY DR. VALENTINE MOTT.)

At this time of year most people suffer from what we term "spring fever" because of a stagnant condition of the blood, because of the toxins (poisons) stored up within the body during the long winter. We eat too much meat, with little or no green vegetables.

Bloodless people, thin, anemic people, those with pale cheeks and lips, who have a poor appetite and feel that tired, worn or feverish condition in the spring-time of the year, should try the refreshing tonic powers of a good alterative and blood purifier. Such a tonic as Dr. Pierce's Golden Medical Discovery. It is a standard remedy that can be obtained in tablet or liquid form. Made without alcohol from wild roots and herbs.

Send ten cents to Doctor Pierce's Invalids' Hotel in Buffalo, N. Y., for trial package of the tablets.

OMAHA, NEBR.—"From my earliest boyhood I have seen splendid results from Dr. Pierce's remedies. About eight years ago the 'Golden Medical Discovery' cured me of a hacking cough that had annoyed me for a long time, and I have used the 'Pleasant Pellets' for a number of years as a laxative whenever necessary, and have found them to be just as represented.

"I am always glad to recommend Dr. Pierce's remedies."—ALEX. A. LA LONDE, 5301 N. 34th Street.

Salisbury

Crowded out last week J. O. Snyder, the merchant, has been wrestling with muscular rheumatism but is gradually getting the best of it.

Mrs. C. S. Johnson has been in Moberly for about two weeks at the bed side of her mother who has been seriously ill.

Rev. Moody has been employed by the Christian church at Prairie Hill for one fourth time and will take charge at once.

Mrs. Emil Sutter, who has been seriously ill for some time, was taken to Woodland hospital Sunday for treatment. She is a splendid woman and her friends are very anxious for her recovery.

We noticed capitol visitors this week as follows: O. P. Ray, Jim Will Bozarth and E. B. Kellogg.

John Phelps has been poorly this week, being threatened with another stroke of paralysis.

On account of illness Bush Eatherton will quit farming and sell his tools for that purpose.

Mrs. W. P. Cloyd is visiting friends in Kansas City.

Rev. A. F. Pearson, wife and little girl were here Tuesday meeting their many friends.

Straight talk on Cream Separators by V. H. WELCH

Musselfork, Mo.

NO MATTER what anyone may claim, there is only one speed at which a cream separator should be turned in order to get all the cream and cream of uniform thickness.

That's the speed plainly indicated on the crank of every separator, of whatever make.

Full speed is the only assurance of full capacity and full efficiency.

Every DeLaval now has a Bell Speed Indicator. The bell warns the operator if the separator is turned too slowly. There can be no mistake about it.

The Bell Speed Indicator adds nothing to the price but much to the value of the DeLaval Cream Separator.

Come in, examine the machine and see how the Bell Speed Indicator works.

Sooner or later you will buy a
