Cramps!
Says Mrs. Frank Hagler, of Carbondale, Ill.: "I was suffering terrible cramps and pains each month. I had used... but it didn't give any permanent relief. The pains came back on me just the same as before... After taking Cardui, I was entirely relieved from the pains, and have never been bothered with them since."

TAKE Cardui
The Woman's Tonic
Cardui should help you as it did Mrs. Hagler, as it has helped thousands of other women who suffered from the pains and discomforts from which women suffer. Many medical authorities prescribe the ingredients of which Cardui is composed for the female troubles for which it is recommended. Why not try it for your trouble?

Unusual Value—In Tires for Small Cars

Not only is characteristic Goodyear merit conspicuous in Goodyear Tires for small cars but ordinarily the first cost is found to be not greater than that of other tires; often it is actually less.

The combination of unusual value in first cost and very low final cost, of course, is a result of Goodyear experience, expertness and care employed as insistently in the making of 30x3-, 30x3½- and 31x4-inch tires as it is in the construction of the famous Goodyear Cord Tires used on the highest-priced automobiles.

For this reason more cars using these small sizes were factory-equipped last year with Goodyear Tires than with any other kind. Get this unusual tire value to enjoy on your Ford, Chevrolet, Dort, Maxwell, or other small car, at the nearest Goodyear Service Station. Get these tires and Goodyear Heavy Tourist Tubes at this station.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread.....\$20.00
30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread.....\$17.65

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water- proof bag.....\$39.00

I AM GLAD TO ENDORSE PE-RU-NA

Glad to Try Anything
"Three years ago my system was in a terribly run down condition and I was broken out all over my body. I began to be worried about my condition and I was glad to try anything which would relieve me. Peruna was recommended to me as a fine blood remedy and tonic, and I soon found that it was worthy of praise. A few bottles changed my condition materially and in a short time I was all over my trouble. I owe my restoration to health and strength to Peruna. I am glad to endorse it."

How Diptheria is Contracted
One often hears the expression, "My child caught a severe cold which developed into diptheria," when the truth was that the cold had simply left the little one particularly susceptible to the wandering diptheria germ. If your child has a cold when diptheria is prevalent you should take him off the street until fully recovered, as there is a hundred times more danger of taking diptheria when he has a cold. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diptheria or any other germ disease being contracted.

Joe Welch, Cass Phillips and Luther Johnson were elected directors at the school meeting Tuesday afternoon at Walker school house.
