FROM THE SUMNER STAR

Every woman on this side of the river is planning to take in the big barbecue at Hale next Friday in celebration of Armistice day. A Great pity there is no wagon bridge across the river so that we could all go.

DOES YOUR BACK ACHE?

It's usually a sign of sick kidneys, especially if the kidney action is disordered, passages scanty or too frequent. Don't wait for more serious troubles. Begin using Doan's Kidney Pills. Read this Keytesville testimony.

Richard Webb, farmer, says: "I did a lot of riding a few years ago and the constant jarring and jolting put my kidneys out of order. Often when in the saddle I was bothered with pains across my back and I had to dismount and rest awhile. My kidneys were weak and irregular and I had to get up often during the night. The secretions were scanty and too frequent in passage. Lack of rest put me in a run down condition. I doctored for three months but the doctors didn't do me any good. I heard of Doan's Kidney Pills and tried them and a few boxes cured me. The cure has been permanent as I have had no trouble since."
