Salisbury has a ball team that  
knows how to go over the top and woe  
to the other team that goes up against

is without knowledge of this fact. It  
is no discredit to be beaten by a first  
class team, but helps to keep the de-  
feated ones on the diamond and in this  
sense our team is a benefactor.

Rev. Nicolson at the Christian church,

### THE YOUNG HEADS BEAT THE OLD HEADS

The young heads went to Triplett  
a week ago Sunday and were trimmed  
to the tune of 5 to 3—not a bad game  
of baseball, however. But when the  
youngsters got back the old heads de-  
clared they were easy and immediat-  
ly challenged for a game.

Last Thursday the old heads and  
the youngheads, battery for the for-  
mer being Elliott and Gordon and for  
the young heads Shoemaker and Hub-  
bard, repaired to the diamond and got  
real busy. The proposition was that  
last year the old heads hung the k. o.  
sign on the youngsters and these same  
innocents were out for blood. Did  
they efface the disgrace of a year ago,  
We'll say so. And to the tune of

20 to 11, almost two to one, and now  
the old heads have decided that they  
for a fact back numbers and are will-  
ing to quit and rest on the records of  
past performances.

Verily, youth must be served.  
That's all.

### THREE STORES ENTERED AT CLIFTON HILL

Bobbers entered three stores at  
Clifton some time Friday night. The  
places visited were the drug store of  
E. L. Terry, a restaurant run by W.  
L. Brockman and the barber shop of  
H. C. Eubanks.

A crowbar was used in prying up  
the windows by which entrance to  
the buildings was made. It is esti-  
mated that the entire loss is only  
about \$30.

A cheap watch, a few knives and  
some small articles were taken from  
the drug store. A little cash amount-  
ing perhaps to 50 or 60 cents was  
taken from the cash drawer at the  
barber shop and from the restaurant  
a slot machine was robbed of its  
pennies.

The blood hounds were called from  
here and when put on the case fol-  
lowed a trail to the Wabash tracks,  
where it is thought the men got on  
a train on the side track, which left  
Clifton at 3 o'clock yesterday morn-  
ing.

Mrs. Sam Jordan left for Columbia  
Wednesday. Mr. Jordan is superin-  
tendent of the Argicultural Exhibits  
this year at the State Fair at Sedalia  
and Mrs. Jordan will join him there.
