In our last issue we spoke of the
terrible condition of the public
road from here to the Cammack
place on Red river. Since then
we have seen the overseer, Mr.
Ferdinand McLean, and he informs
us that the apportioners had failed
to give him any hands, and there-
fore he is not responsible for the
condition of the road. Somebody
is to blame, though we are not able
to say who. The matter ought to
be attended to and the road put
in good condition before bad weather
sets in.

**To the People's Party of Grant
Parish.**

I call the attention of the members of
the People's Party Executive Committee
of Grant parish and the chairman of all
People's party clubs in Grant parish,
that they are expected to be present at Fair-
field church, near Creed's, about ten
or twelve miles east of Colfax, on Friday
before the third Sunday in October.
Rev. Dennis Chelette and others will ad-
dress the people on reform, and important
political matters will be acted upon.

After considering the amount of labor
performed by a campaign committee, it
is ordered that each ward be allowed a
representation of three members on the
campaign committee, said members to be
composed of chairmen of People's party
clubs where they are available. If there
are not three clubs in each ward, those
wards not having three People's party
clubs are allowed to elect enough dele-
gates who together with the chairmen of
People's party clubs in that ward, will
make the required number, three for each
ward.

These delegates are also expected to be
present on the day and time mentioned
herein. Hon. B. W. Bailey is invited
and expected to be present and address
the committees. A cordial invitation is
extended to all People's party orators.
Respectfully,
W. W. SMITH,
Chf. P. P. Ex. Com. Grant Parish,
W. L. SEACKELFORD, Sec'y.

My trade decidedly prefers Dr. Tichenor's
Antiseptic to any thing of its kind
on this market, and they will not accept
the imitations when they can help them-
selves.
JOHN I. MCCAIN.

My experience with the use and sale of
Dr. Tichenor's Antiseptic has been indeed
satisfactory. I can strongly endorse it
as a good medicine.
W. O. HARRISON.

I have been using Dr. Tichenor's Anti-
septic for years, and can highly recom-
mend it as a most excellent family medi-
cine. I decidedly prefer it to any of the
imitations.
GEO. L. ETHRIDGE, P. M.

For cuts, burns, bruises, etc., there is
nothing better than Dr. Tichenor's An-
tiseptic.
MJOR H. V. MCCAIN.

Dr. Tichenor's Antiseptic is so well and
favorably known throughout this section
that it hardly needs any recommendation.
I always carry it in stock and find it the
best seller I handle in that line.
J. W. DYSON.

I have handled Dr. Tichenor's Antiseptic
for several years, and found it decid-
edly the best seller of its kind I ever
saw. I have also handled the imitations
but the large majority of my trade pre-
ferred Dr. Tichenor's.
B. A. FORTSON.
