

The Bulletin.

NEWS OF THE CITY.

A new supply of Calf Boots and Gaiters just received at P. Neff's, No. 59 Ohio Street.

The ladies of the Church of the Redeemer will give a strawberry supper next Thursday evening. Particulars will be given to-morrow.

The election for Supreme Judge, to-day, excited little or no attention. Nobody felt sufficiently interested to provide printed tickets, hence, the few persons who visited the polls had to write their tickets.

Mr. JOHN COCHRAN, for whose safety some solicitude was felt during Saturday and Sunday, has been found alive, and is doing as well as could be expected, under the circumstances.

Mr. GEO. OLMSTED and family are at the Crittenden White Sulphur Springs. They will probably remain there during the intensely hot weather.

Mr. C. Winston's family will start, in a few days, for Richmond, Virginia.

Mr. C. Robbins, of Chicago, will be in Cairo a few days, next week, and will give attention to such orders for tuning or repairing pianos, as may be left with Mr. R. P. Robbins. Price for tuning, \$3.

Pianos for sale at low rates and on easy terms.

FRESH EGGS and Yellow Butter can always be had. Read the advertisement "Greatest Work of the Age," in this paper, may 18th.

GRAND CONCERT. See the announcement, elsewhere, of a grand concert, by the Turner Society, in Philharmonic Hall, on Monday evening the 12th instant.

The Society numbers among its members some of the finest vocalists of the city. Secure tickets, and go.

The premiums to be distributed at the conclusion of the tobacco fair in this city, on Thursday next, will be placed in neat and serviceable pocket books. Each pocket book will bear an appropriate inscription in gilt letters, and, with its glittering contents, will be handed over to the planter who may, in the opinion of competent judges, deserve it.

Ventilated hats, in entirely new styles; the most comfortable and delightful hat ever worn, at Jno. Antrim's.

The editor of the Libertyville (Mo.) Bee is somewhat surprised that the editors of the BULLETIN do not publish their names, etc. Metropolitan journals as a rule give prominence to the names of their editors.

Where there are tough-haired, hard-knuckled fellows on every street who contribute nothing toward the support of a paper, but are always ready, on the smallest pretext, to throw the editor, we do not know that notoriety is particularly desirable. The BULLETIN is a metropolitan journal.

300 lbs. Flour medium grade, also 200 half lbs. medium quality suitable for the Southern trade for sale at the Egyptian Mills.

SEVERAL days ago Marshal Bambrick gave fair notice that on the morning of the second of June, he would commence the slaughter of delinquent dogs. True to his word, and to his line of duty, he did commence the slaughter, and fully a hundred dogs have already paid the penalty of their owners' neglect.

COME AND SEE ME.—If you want bargains in clothing and furnishing goods, corner of Sixth street and Ohio Street is the best place to buy them.

CONCERT BY THE TURNER SOCIETY. The Cairo Turner Society will give a concert in Philharmonic Hall, on Monday evening next. Tickets 50 cents.

There are a number of excellent vocalists among the Turners, and such of our citizens as attend the concert will be most agreeably entertained. The programme will consist of grand choruses, quartettes, trios, duets and solos, selected from the compositions of the best authors, and practiced by the society with pains-taking care. Buy a ticket.

Youth's boys' and Children's clothes, a lot that New York prices, will be sold this week, at P. Neff's, regardless of cost.

It was very clearly established that Jno. McNeil's hanging himself on the outside of too much liquidation. He was fined \$2 and costs, and sent to the calaboose in default of payment.

Alexander Johnson, of Pittsburg, ditto, ditto, all the way through.

March Brown, a colored individual, was fined \$5 for contempt, in facie curie, and planked down the greenbacks.

A number of civil suits, in which the Rev. Jacob Bradley was defendant, were disposed of. Jacob appeared for himself and told his persecutors, the court and the public a great many wholesome truths.

The hosts of Satan, he said, were parayed against him, but the vicinities they might achieve would only be evaporous. Truth had been squashed, in his person, a thousand times, but had always got on its feet, and would do it again.

MASSAC COUNTY ITEMS.

The contest for the municipal "fresh-pots" to be awarded next Monday, by the votes of the Metropolis sovereigns, is not as warm as it was expected to be. The Radicals, reinforced by the African vote, expect an easy victory. The Democracy, meanwhile, are "lying low" and watching the chances.

The Hon. George S. Pidgeon, of Pulaski county, will address our citizens this evening on the questions of tariff and finance. As these questions will form the prominent planks in the next Democratic national platform, our speakers cannot ventilate them too much.

There is no reason why the effort about to be set on foot in this city, to organize a brass band, shall not prove successful. There is abundant material among the young men of the town, and the citizens will contribute liberally toward the purchase of the instruments.

Our ship yards is the very backbone of the city. It gives constant and profitable employment to sixty or eighty persons. It has been full-handed with work, during the season, but is always ready to make and satisfactorily carry out new contracts, however large they may be.

It is slyly hinted that a duel between two young dry-goods clerks on the tapis, all about a charming widow who loves too well, but not wisely. If the belligerents don't cry, kiss and "make up," I am greatly mistaken in my estimate of their characters.

The office of mayor, in this city, pays the incumbent forty dollars a year, and an amount of course, yet every year develops dozens of respectable gentlemen who are willing to spend hundreds of dollars to secure the thankless position.

An election will be held on the 28th inst., to decide whether the city of Metropolis shall subscribe \$50,000 to the capital stock of the Belleville and Southern Illinois railroad. On the 30th instant the proposition for the county to vote \$125,000 to the same project, will be voted upon. The indications are that both sums will be voted by a very large majority. "So mot it be."

THE TRICHINA SPIRALIS OR PORK WORM. Perhaps it is not generally known that the much talked of trichina spiralis, or pork worm, was first discovered in America by Dr. R. C. Kendall, of Philadelphia, Pa., with that American instrument known as the Craig Microscope, costing only \$2.75, after repeated failures to discover the worm with an imported microscope, costing \$55, of far greater power and less reliable. This fact Dr. Kendall stands ready to prove at any time. The "Craig" Microscope in neat box with full directions is mailed anywhere for \$2.75, by E. H. ROSS, 313 Locust St., St. Louis, Mo. Read the advertisement in another column. my31.43m

MOUND CITY ELECTION.

THE DEMOCRACY ELECT. The regular municipal election was held in Mound City, on Saturday last, and resulted in the election of the Democratic ticket by a very decided majority.

FOR MAYOR. N. R. Casey (Dem.) received...161 votes. L. Young (Rep.) received...110 do

FOR TREASURER AND COL. J. W. Carter (Dem.) received...152 votes. D. Hogan (Rep.) received...100 do. T. J. Owens (Rep.) received...17 do

FOR CITY CLERK. W. S. Johnson (Dem.) received...134 votes. H. A. Bride (Rep.) received...80 do. C. E. Rawlins (Ind.) received...39 do. H. C. Youm (Ind.) received...17 do

FOR CITY MARSHAL. Simpson received...150 votes. Kennedy received...61 do. Boren received...53 do

For the above returns we are indebted to the attentions of Mr. F. S. Carter.

The Hon. N. R. Casey is about to enter upon the duties of Mayor for the twelfth time, having filled the office every year since 1853.

The following named gentlemen constitute the Board of Aldermen: George Stolz, A. Lutz, Mack Allen, M. Walsh, Geo. Gregg, Geo. Metz.

A WONDERFUL MICROSCOPE. Rev. Daniel Wise, D. D., editor of the New York Sunday School Advocate, thus speaks of the celebrated Craig Microscope: "Its simplicity, cheapness and great magnifying power struck me with surprise. Then I was examining a fly's eye by its aid, and was struck with wonder at the skill and power of the Creator which is displayed in its structure. When I saw a statement in an advertisement that the Craig Microscope magnified one hundred diameters, and could be bought for \$2 50, I thought it was one of the humbugs of the hour, for I had paid \$20 for a microscope not long before. But now I find it to be a really valuable instrument which I should like to see introduced into the families of our readers in place of the manifold useless toys which please for an hour and are then destroyed. This microscope would both amuse and instruct them and I advise every boy and girl who wishes to know the wonders which lie in little things to save his money until he has \$2 75, which will pay for the microscope and the postage when sent by mail."

As a holiday gift this microscope is unsurpassed, being ornamental, instructive, amusing and cheap, and never loses its interest. Agents and dealers supplied on liberal terms. A sample will be mailed, post paid, to any address for \$2 75, by E. H. ROSS, 313 Locust street, St. Louis, Mo. Read the advertisement in another column. my31.43m

The weather was clear yesterday and today, and much more pleasant since a heavy rain Saturday and Sunday night.

The river has risen nearly two feet since Saturday, but the rise is not so rapid now, and is probably caused to-night.

The Mississippi is falling rapidly at St. Louis and above, but a big rise which may possibly reach here in a greatly diminished volume, is now passing Omaha, on the Missouri river. Five feet of snow fell in the mountains about the first of this month, and heavy rains have fallen all over Nebraska.

The Ohio is rising slowly at Pittsburg, with four feet water in the channel. It is falling at Louisville with six feet water in the chute.

The Clarksville and Evansville packets, Grand Tower, and others all received or discharged more or less freight here.

The Clarksville Tobacco Leaf speaks thusly of the second advent of the immortal Tyrone.

The gallant old craft has been saved from a watery grave, and will soon again be repaired and welcomed back in her old trade. Capt. Tom will again mingle as of yore in the giddy mazes of the dance.

Weaver's face resumes its financial look and Tim Bias, the Soggy Poick, will revive the business of dispensing creature comforts, and liquid delicacies—stripped candy and vinegar bottles. Long may she wade!

The Paducah packets leave here at 4 p.m. daily.

The Magenta leaves early for New Orleans.

TRUTH WILL PREVAIL.
