Hon. R. A. Burford is back from the Kaolin works in Lake county. He says the company is going to operate on a large scale. The machinery and buildings will cost upwards of a hundred thousand dollars. The company has a thirty year contract to furnish silica to some firm in the north. Aggasiz said there was no silica in Florida. Were he living, what would he think now? We have everything in Florida.

Beauty is born in the blood. Beauty is more than "skin deep." It is blood deep. When the blood is tainted by disease the flesh will feel it and the skin will show it. Sallow or muddy complexions, pimples, blotches and eruptions are only the surface signs of impure blood. Face washes, lotions, complexion powders, may palliate the evils but they cannot cure the disease. The only cure is to cleanse the blood of the poisonous matter which is the cause of the outbreak in the flesh and skin. Impure blood can be absolutely purified by the use of Dr. Pierce's Golden Medical Discovery. Its effect on flesh and skin is marked. Sores heal and disappear. The skin becomes smooth and regains its natural color. The eyes brighten and sparkle, the whole body is radiant with the brightness and beauty of health. "Golden Medical Discovery" contains no alcohol, whisky or other intoxicant, and is absolutely free from opium, cocaine and other narcotics. The use of Dr. Pierce's Pleasant Pellets assists the action of the "Discovery" by cleansing the system of clogging matter.

## ANOTHER OCALA CELEBRATION.

Foot Races, Horse Races, Base Ball, Balloon Ascension and Pyrotechnics Galore.

Ocala's celebration of the national day of America's glorious independence was so entirely successful that she intends repeating the festivities on July 25th. The program will be duplicated on an enlarged scale with many accessories and et ceteras thrown in.

By the way, the 25th of July is the Porto Rican's celebration of their independence from Spanish rule, which is to be celebrated in a most spectacular manner, and Ocala is the first, and perhaps the only city in the United States, to celebrate the Porto Rican day.

It is hoped that visitors from the county at large and all nearby stations will come to her assistance and make the day a memorable one.

Prof. Phillips, the nery and intrepid aeronaut, will give two more of his balloon ascensions, and perform marvellous feats on the trapez high in the mid air.

There will be a half mile running race on the track near the city limits between Blackiston's horse that won the race on the 4th and an unknown.

Sack races, bicycle races, foot races, base ball games, military and firemen's parades, patriotic music by our two bands, and other attractions to add lustre, patriotism, perspiration and glory to the occasion.

### A Delightful Affair.

Last Friday afternoon from 5 to 7 o'clock Miss Jonnie Liddon entertained at her lovely home on Ocklawaha avenue, complimentary to her guest, Miss Weeks, of Stark, and Miss Marie Bullock, of this city.

"A Love Affair in the Garden," was one of the forms of entertainment.

In this contest Misses Mary and Rebecca Anderson, Sue Barco and Violet Harris cut for the prize, the latter winning it.

In another flower contest Misses Lena Bullock and Rebecca Anderson cut for the prize, the former being the fortunate one.

Dainty refreshments consisting of salads, sandwiches, pickles, grape juice, ice cream and cake were served during which time Miss Sara Whitfield sang most delightfully.

The entertainment was a delightful one and greatly enjoyed by all those who attended.

### Heartburn.

When the quantity of food is too large or the quality too rich, heartburn is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let six hours elapse between meals and when you feel a fullness and weight in the region of the stomach after eating, indicating that you have eaten too much,, take one of Chamberlain's Stomach and Liver Tablets and the heartburn may be avoided. For sale by Anti-Monopoly Drug Store.

### For the Square Improvement.

A few palmetto and other trees and plants judiciously and tastily planted in the public square will make it a most attractive spot.

Who will help aid the movement? Mr. D. A. Hunnicut, of Athens, Ga., was the first to send a dollar.

That will pay for one tree and will be called the Hunnicut tree.

Mr. Albertus Vogt, of Dunnellon, was the second to respond, and there will be a Vogt tree.

Mr. Will Hocker, Messrs. Munroe and Chambliss and the Ocala Banner have responded.

There will be trees named for them.

We hope the ladies will become interested and aid in making our public square the most beautiful in the state.

### Strickland—Dukes.

Tuesday morning at 5 o'clock Mr. D. W. Cato, Miss Flossie Dukes, and Miss Rosa Norris, who were at Lake Weir camping with quite a number of other young people from Ocala, went up to Ocklawaha on a boat. At this point they were met by Mr. Charles T. Strickland, of Ocala, and Rev. Mr. McKinley, of Candler, and at 6 o'clock Miss Dukes and Mr. Strickland were united in marriage by Mr. McKinley.

After congratulations, Mr. and Mrs. Strickland left for Tampa and St. Petersburg, where they will spend their honeymoon.

The bride is a native of Ocala and has a large circle of friends here who extend to her their good wishes.

Mr. Strickland has recently come to Ocala. He is employed at the Plant System freight depot, and is to be congratulated.

### Edwards Bros.

The Butchers' Advocate and Market Journal, of New York City, a publication devoted to the interest of slaughtering, packing, marketing, stock-raising and kindred industries, speaking of the advertisement of Edwards Bros. of this city, as it appears in the Ocala Banner, says it is a "first class advertisement;" the argument is "sound, convincing and terse." The Advocate goes on further to say that "the advertisement is the best" it has seen in some time.

This leads us to say that the Edwards Bros. have been most successful in their business and are the leading young business men of the city. They are sober and reliable and their business consumes their entire attention, and as a result they are in high flavor with the banks of this city and stand well in business circles.

### Whist Club Entertained.

Mrs. David S. Woodrow entertained the Young Ladies' Whist Club most delightfully on Tuesday afternoon. The club prize, a silver picture frame, was won by Miss Lula Gary, and the visitor's prize, a box of candy, by Mrs. D. W. Davis. Dainty refreshments were served.

Miss Lula Gary will be the hostess of the club next Friday afternoon.

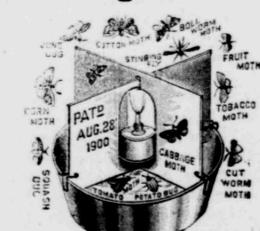

### Journal Coupons Solicited.

If the friends of Miss Louise Harris who take the Atlanta Journal will kindly cut out the four coupons daily, (for the Buffalo trip) and leave them at the Banner's editorial rooms every Wednesday and Saturday it will be considered a great kindness and be thoroughly appreciated.

Jas. G. Amhart, of Della, O., writes "I had an obstinate sore on my face which everything else failed to heal. After one application of Banner Salve it began to heal and after three applications it was entirely healed leaving no scar. Anti-Monopoly Drug Store."

### Lake County in Good Shape.

The Leesburg correspondent of the Times-Union and Citizen says that Lake county is in better shape to make an exhibit at the state fair than ever before. It again has all the fruits lost in the big freeze (not in the same quantity); agriculturally away ahead of what it ever has been, and ranks as one of the leading mining counties of the state, a big industry before unknown.
