In the mandamus proceedings instituted by Camp and West to compel Commissioner McLin to award them 300 convicts at \$100 per capita per annum, Judge Malone, of the second circuit, handed down a decision quashing the mandamus proceedings and denying the prayer of the petitioners. Mr. O. T. Green, of this city, was Messrs. Camp and West's chief counsel.

"More haste, less speed," and "hasten slowly," are proverbs born of experience that some things can't be hurried without loss and waste. That is especially true of eating. The railway lunch habit, "five minutes for refreshments," is a habit most disastrous to the health. You may hurry your eating. You can't hurry your digestion, and the neglect to allow proper time for this important function is the beginning of sorrows to many a busy man. When the tongue is foul, the head aches, when there are sour or bitter risings, undue fullness after eating, hot flushes, irritability, nervousness, irresolution, cold extremities, and other annoying symptoms, be sure the stomach and other organs of digestion and nutrition have broken down. Nothing will re-establish them in active healthy operation so quickly as Dr. Pierce's Golden Medical Discovery. It strengthens the stomach, nourishes the nerves, purifies the blood, and builds up a body. It is a strictly temperance medicine containing no alcohol or other intoxicant. Given away. Dr. Pierce's great work, The People's Common Sense Medical Advisor is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the paper covered book, or 31 stamps for cloth binding, to Dr. R. V. Pierce, Buffalo, N. Y.

## STATE FAIR SPEAKERS.

Maj. Geo. Healey, Capt. R. E. Rose, Prof. H. E. Stockbridge, Mr. S. H. Gaitskill, and other distinguished speakers, will address the people of Marion county at the court house next Monday at 10:30 a. m. on the importance of holding a state fair, and having Marion county properly represented at it.

This fair is held primarily for the purpose of benefitting the farmer.

It is now believed that we are entering upon an era of genuine and general prosperity, and that Florida is to become a great agricultural as well as a horticultural state.

It is believed we can raise and cure and sell pork easier and more cheaply than in the northwest. That we can raise and export hay and other staple agricultural products, and it is for the purpose of interchanging ideas along this line among practical farmers, that the state fair is held. Introducing immigration is a secondary consideration.

Come out and hear the distinguished speakers.

What they say will be worth hearing, will stimulate an interest in scientific and practical farming, and be of importance to the farming industry of the county.

## Delightful Entertainment.

Last Friday night a delightful entertainment was given by Miss Evie Knox in honor of her visitors, Misses Camilla Webber, Emma Pitts and Violet Harris.

Among the other features of the entertainment was a german led by Mr. F. P. Folmar and Miss Harris. Others taking part were Mr. George Rainer and Miss Camilla Webber; Mr. Moss Copeland and Miss Evie Knox; Mr. Martin Folmar and Miss Nellie Murphree; Mr. Fred Cameron and Lucy Knox; Mr. Joe Boyd and Miss Lois Wiley; Mr. Charlie Copeland and Miss Louise Thornton; Mr. Homer Thornton and Miss Bessie Murphree; Mr. Manly Canon and Miss Susie Nall; Mr. Clarence McCartha and Miss Annie May Allison.

Others present not dancing were Mr. Osburn, Henry and Miss Clara Cowart, Jake Chaffin and Miss Sadie Edmonson; Mr. Ross Rainer and Miss Bernice Cowart; Mr. Frank Beard and Miss Hazel Wiley; Fred Greene and J. B. Knox.

The home was decorated with palms and many rare plants, the veranda illumined with Japanese lanterns, and frappi was served to the guests by Mrs. A. A. Persons, of Tuscaloosa. Ices and cakes were served and after the "Home Sweet Home" waltz, the guests departed, carrying with them many pleasant thoughts of an evening enjoyably spent.

## Miss Standley Entertains.

Last Tuesday evening Miss Iva Standley entertained at her beautiful home on Ocklawaha avenue, complimentary to her charming guest, Miss Myrtle Fennell, of Gainesville.

The house was decorated most artistically with palms, vines, cut flowers and lanterns.

The guests were met in the reception hall by Miss Standley, Miss Fennell and Miss Annie Mae Standley.

In an adjoining room punch was served by little Lucille Standley and Charlie Gray.

The first part of the evening was devoted to music—vocal and instrumental.

Another feature of the entertainment was the "adjustable authors" contest. In this, Mr. Clifford Anderson won the prize, a copy of Barriers Burned Away.

At a late hour supper was served in the spacious dining room by Mrs. Standley assisted by Mrs. J. C. Porter, shortly after which the guests reluctantly bade good night to their hostess and the guest of honor.

Miss Standley's party will long be remembered as one of the most delightful social occasions of the season.

High Living, intemperance, exposure and many other things bring on Bright's disease. Foley's Kidney Cure will prevent Bright's disease and all other kidney and bladder disorders if taken in time. Be sure to take Foley's Anti-monopoly Drug Store. m

The word BIG hardly applies to any concern in Ocala, but if you will watch us you will see that we are doing a WHOLE LOT of little business.

## A Deep Mystery.

It is a mystery why women endure backache, headache, nervousness, sleeplessness, melancholy, fainting and dizzy spells when thousands have proved that Electric Bitters will quickly cure such troubles. "I suffered for years with kidney trouble," writes Mrs. Phebe Cherley, of Peterson, Ia., "and a lame back pained me so I could not dress myself, but Electric Bitters wholly cured me, and, although 73 years old, I now am able to do all my housework." It overcomes constipation, improves appetite, gives perfect health. Only 50c, at Garrett and Gerig's.

## Baseball.

On Tuesday August, 6th, the Ocala baseball team will cross bats with the St. Augustine club.

On Thursday August, 8th, it will measure strength with the Fort White team.

On Saturday August, 10th, it will test the skill of the Orlando.

On Wednesday, August the 8th, the St. Augustine and Ocala colored teams will play a match game.

Ocala should be the mecca of the lovers of this sport next week.

It will play more ball than in any week in its history.
