What a splendid type of tireless activity is the sun as the psalmist describes it issuing like a bridegroom from his chamber and rejoicing like a strong man to run a race. Every man ought to rise in the morning refreshed by slumber and renewed by rest, eager for the struggle of the day. But how rarely this is so. Most people rise still unrefreshed, and dreading the strain of the day's labors. The cause of this is deficient vitality and behind this lies a deficient supply of pure, rich blood, and an inadequate nourishment of the body. There is nothing that will give a man strength and energy, as well as Dr. Pierce's Golden Medical Discovery. It does this by increasing the quantity and quality of the blood supply. This nourishes the nerves, feeds the brain, builds up enfeebled organs, and gives that sense of strength and power which makes the struggle of life a joy. The "good feeling" which follows the use of "Golden Medical Discovery" is not due to stimulation as it contains no alcohol, whiskey or other intoxicant. It does not brace up the body, but builds it up into a condition of sound health.

She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

An Ancient Foe

To health and happiness is Scrofula— as ugly as ever since time immemorial.

It causes bunches in the neck, disfigures the skin, inflames the mucous membrane, wastes the muscles, weakens the bones, reduces the power of resistance to disease and the capacity for recovery, and develops into consumption.

"A bunch appeared on the left side of my neck. It caused great pain, was lumpy, and became a running sore. I went into a general decline. I was persuaded to try Hood's Sarsaparilla, and when I had taken six bottles my neck was healed, and I have never had any trouble of the kind since." Mrs. K. T. SNYDER, Troy, Ohio.

Hood's Sarsaparilla and Pills

will rid you of it, radically and permanently, as they have rid thousands.
