

CANDLER NOTES.

Orange Groves Looking Well, Promise of Large Crops.

Col. R. E. Burnham, of Waco, Tex., left for home today. He is the owner of seventy acres of orange groves bordering north Lake Weir. He has employed Alex Young to superintend the grove work, and will spare no expense in making a first class grove, the equal of anything bordering the lake.

O. L. Tilson and R. S. Tilson, of Franklin, Ind., left for home today. They have a very fine bearing orange grove, and are highly elated over the prospects of a heavy crop of oranges.

The forty acres of peaches set out recently by O. G. Richey are doing nicely. John Farrier, a prominent merchant of Charlotte, N. C., is the guest of Major T. C. Hall, of Belleview, one of the "turpentine kings of Florida."

The major took Mr. Farrier in his buggy and drove to Carrabelle yesterday to show him his fine ten-acre bearing grove. Mr. Farrier was amazed at the amount of fruit now on the trees, and he was so delighted with Candler and its beautiful groves that he purchased two—the Felter grove of five acres and the Dr. Kingsbury grove of five acres. They are very fine groves, just coming into bearing, and now have quite a sprinkling of oranges on the trees.

Mr. Farrier will build a cottage in the near future and make Candler his winter home. He has lately traveled over south and central Florida for the purpose of investing in orange groves, and found nothing to entice him to buy a grove until he struck Candler, which, he says, is incomparably the prettiest orange village he has seen in Florida.

Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but its certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at Anti-Monopoly Drug Store. Get Green's Special Almanac. d-w-m.

Griner Farm.

Mr. W. E. Little, of Tampa, is visiting his children at this place for a few days. Mr. Oscar Burnett, of Ocala, was calling here Sunday. How about the young man that drove six miles to see his girl and then wouldn't take her home from Sunday-school? Messrs. Lee Neal, Jake Leitner and Henry Stuart, of Anthony, were in our berg Sunday. Will the Ocala base ball team that played Anthony on Saturday, the 19th inst., refrain from acting as they did at the schoolhouse here. Boys, it was fun then, but next time look out! Crops in this section are very good this season, but the recent dry weather

did some damage. Strawberries are ripening very fast now, but the prices have fallen so low that the planters will scarcely clear expenses. Beans will be shipped from here by the last of the week.

In last week's article it should have been Hullum Jones & Co., instead of Sullivan, Jones & Co.

Anson Halsell, of Juliette, is up for a while.

Mr. L. G. Neil, of Anthony, was over to see his best girl Sunday.

Mr. James Milligan is fencing his 50-acre farm.

Hon. and Mrs. Henry W. Long, of Martel, spent Monday and Tuesday at the hospitable home of Mr. and Mrs. Buford H. Leitner.

Cattle here are beginning to fatten some since the spring opened.

One of our best girls seems inclined to go to the poor farm, as she is seen quite often with its manager.

Say, boys, get your debating society and your base ball started, as both will be very enjoyable to Judge.

Good for Rheumatism.

Last fall I was taken with a very severe attack of muscular rheumatism which caused me great pain and annoyance. After trying several prescriptions and rheumatic cures, I decided to use Chamberlain's Pain Balm, which I had seen advertised in the South Jerseyman. After two applications of this Remedy, I was much better, and after using one bottle, was completely cured.—Sallie Harris, Salem, N. J. For sale by Anti-Monopoly Drug Store.

Orange Lake.

The vegetable crops are doing well. Beans are being shipped today, and the tomato crops are promising.

Miss Augusta Evinston, of Evinston, was in town for a short while yesterday.

There was a colored man by the name of Ike Clark drowned here in the lake last Friday, and Mr. Colson, a resident of this place, came very near being drowned also, but was rescued by Peter Carston, a colored man of this place.

Mrs. Jennie Robertson, of High Springs, is visiting her sister, Mrs. Rouse.

Mrs. D. H. Irvine is expected home this week.

Dr. Wilson was in town the other day and said that this is the healthiest season he has ever known.

Fish are biting well now and there are a great many fishing parties on the lake. C. D. C.

Gaiterville.

Gaiter is still O. K. Everybody seems happy this week.

That long-looked for oat crop is in view, and it is not too early for it either.

Corn, peanuts, peas and other portions of Gaiter's main crop will stand the test this year, and we can show melon vines four and five feet long, and may be small melons, I am not sure.

Mr. Charley Brooks, Mrs. H. A. Ross and Miss Inez Ross made a flying trip to Dunnellon Thursday.

Mr. Joe Williams was in our little burg Friday. He will be visiting Gaiter again, and soon too, I think.

Oh, my! what a fish fry we had at Stokes' Ferry on Friday; it was simply all O. K., so Henry says, and I believe he is right.

AN OLD SORE

Months of diligent and faithful use of external remedies that the place remains as defiant, angry and offensive as ever. Every chronic sore, no matter on what part of the body it comes, is an evidence of some previous constitutional or organic trouble, and that the drugs of these diseases remain in the system; or, it may be that some long hidden poison—perhaps Cancer—has come to the surface and begun its destructive work. The blood must be purified before the sore will fill up with healthy flesh and the skin regains its natural color. It is through the circulation that the acid, corroding fluids are carried to the sore or ulcer and keep it irritated and inflamed. S. S. S. will purify and invigorate the stagnant blood when all sediment or other hurtful materials are washed out, fresh rich blood is carried to the diseased parts, new tissues form, and the decaying flesh begins to have a healthy and natural look; the discharge ceases and the sore heals. S. S. S. is the only blood purifier that is guaranteed entirely vegetable. It builds up the blood and tones up the general system as no other medicine does. If you have

Several years ago, my wife had a severe sore leg and was treated by the best physicians but received no benefit. Our druggist advised her to try S. S. S., which she did. Fourteen bottles cured her. Write for free literature.

Spring Park.

Mrs. Peter Johnson has sold all her real estate and personal property here and has left for Birmingham, Ala., where she will make her home with her daughter, Mrs. H. Whitmore.

Hon. J. C. French, wife and Mrs. T. Tarbell, after rustication for a week at Tangerine, have returned to the Park very much pleased with their trip.

Rev. I. Ogle occupied the pulpit of the M. E. church Sunday morning.

J. W. Pratt and wife have secured passage for West Hanover, Mass., and will leave Thursday to make connections with the Clyde Line steamer Algonquin, which leaves Jacksonville on Friday for Boston. CITIZEN.

Seven Years in Bed.

"Will wonders ever cease?" Inquire the friends of Mrs. L. Pease, of Lawrence, Kan. They knew she had been unable to leave her bed in seven years on account of liver and kidney trouble, nervous prostration and general debility, but "three bottles of Electric Bitters enabled me to walk," she writes, "and in three months I felt like a new person." Women suffering from headache, backache, nervousness, sleeplessness, melancholy, fainting and dizzy spells will find it a priceless blessing. Try it. Satisfaction guaranteed by Anti-Monopoly Drug Store, Only 50c.

A Remarkable Woman.

To the Editor of the Banner.

Mrs. Charlotte Leitner, of Griner Farm, Marion county, Fla., passed her 82d birthday February 10, 1902. She was married at the age of 14 years, gave birth to ten children, reared nine to manhood and womanhood, who, like their mother, married in early life. She has fifty eight living grandchildren and fifty living great-grandchildren. Says it would require time to count the number of deaths of her grandchildren and great-grandchildren not included in the above, which is approximately thirty. She is still physically active and mentally vigorous, reads without glasses, and does not feel herself too old or learned to attend Sunday-school regularly as a scholar. Her mother died at the age of 92 and her great-grandmother at the age of 115 years. H. W. LONG.

Raymond B. Bullock.

Mr. Raymond B. Bullock, who has established a splendid reputation at the Ocala bar, through his own efforts, both as a civil and a criminal lawyer, will enter the political arena this year and make the race for the lower house of the legislature.

Mr. Bullock is a native of this city and was born since the civil war. He is a son of Gen. Robert Bullock, and owing to the prominence of his father and brother, Judge W. S. Bullock, in politics, has modestly heretofore kept in the background and now obtains his consent only at the earnest solicitation of a large number of friends.

Mr. Bullock is a close student, ambitious, and if elected we believe will take a prominent part in the legislature, and will reflect credit not only upon himself but upon his county as well. He will address the people in joint debate with others who are running for the same office, and as he is very forceful in the use of language and possesses a magnetic personality he will make a very fine impression.

G. J. Strozler a Candidate.

The citizens of Blitchton district, among whom Mr. George J. Strozler has lived for the past ten years, announce him a candidate for the legislature. When a man lives so as to gain the confidence and esteem of an entire community he could scarcely ask for a better recommendation. Mr. Strozler has been reading clerk in the legislature for several successive terms, and is entirely familiar with the workings of said body. He is a ready-debater, self-poised, and is entirely at himself when on his feet. We do not know what position Mr. Strozler will assume on the dispensary and other topics, but no doubt he will make himself plain on all these issues before the people.

Let it Alone.

Scott's Emulsion is not a good medicine for fat folks. We have never tried giving it to a real fat person. We don't dare. You see Scott's Emulsion builds new flesh. Fat people don't want it. Strong people don't need it.

But if you are thin Scott's Emulsion is the medicine for you. It doesn't tire you out. There is no strain. The work is all natural and easy. You just take the medicine and that's all there is to it.

The next thing you know you feel better—you eat better—and you weigh more. It is a quiet worker.
