

Itching Skin

Distress by day and night—
That's the complaint of those who are so unfortunate as to be afflicted with Eczema or Salt Rheum—and outward applications do not cure. They can't.

The source of the trouble is in the blood—make that pure and this scaling, burning, itching skin disease will disappear.

"I was taken with an itching on my arms which proved very disagreeable. I concluded it was salt rheum and bought a bottle of Hood's Sarsaparilla. In two days after I began taking it I felt better and it was not long before I was cured. Have never had any skin disease since." Mrs. Iva E. Ward, Cove Point, Md.

A VISITOR.

A Fireman's Close Call.

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa, "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters and, after taking it, I felt as well as I ever did in my life." Weak sickly run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by the Anti-Monopoly Drug Store. Price 50 cents.

Funeral of Mrs. J. W. Sylvester.

The last sad rites over the body of Mrs. J. W. Sylvester were held at 3:30 o'clock Saturday afternoon at the Baptist church, Rev. L. B. Warren, pastor of the church, assisted by Rev. R. H. Morris, of the Presbyterian church, conducted the service.

A large concourse of sorrowing friends gathered at the church to pay their last sad tribute to the memory of the departed and to mingle their tears with those of the grief-stricken husband and daughter.

The Baptist choir sang several appropriate anthems, Mr. Morris read the lesson and led in a beautiful prayer, after which Mr. Warren in a few simple words, drew a beautiful lesson from the life and death of Mrs. Sylvester.

The pall bearers were Messrs. Isaac Stevens, W. S. Bullock, John Edwards, M. M. Little, Fred Gaskill and J. J. Gerig.

The remains were laid to rest in Greenwood Cemetery.

The grave was covered with lovely flowers, tokens of the love and esteem in which the deceased was held.

Dressed in Royal Purple Robes.

C. M. DeLong, Scranton, Pa., got an injunction against his daughter getting married! To what other uses will come the injunction? Are the judges so much wiser than other people—if so, perhaps it would be well to turn over to them all the affairs of the people. Let them say who shall and shall not marry, who shall and shall not have children; what we shall and shall not eat, wear and drink. Great has become the judge. But the king was once great, but he had his day—The Appeal to Reason.

Resolutions of Sympathy.

Since it is the will of our Heavenly Father that the beloved wife of our esteemed fellow citizen, Mr. J. W. Sylvester, and the affectionate mother of our cherished schoolmate, Leafy Norrine, be removed from her beautiful sphere of life on earth, to her home in glory, therefore, be it

Resolved, First, That we tender to our bereaved fellow citizen and sorrowing classmate, our sincere sympathy in this period of their deep sorrow; when the dearest ties are broken, and the loving mother is lost forever on earth.

Second, That we recognize in Mrs. Sylvester all the virtues of the faithful Christian wife, the devoted, patient mother and the exemplary woman.

Look for the Beautiful.

There are superb personalities that go through life extracting sunshine from what to others seems but darkness, seeing charm in apparent ugliness, discerning grace and exquisite proportions where the unloving see but forbidding angles and distortion, glimpsing the image of divinity where less beautiful souls see but a lost degraded human being.

Yet it is a heritage possible to all who take trouble to begin early in life to cultivate the finer qualities of the soul, the eye, and the heart.

It is said that the most disgusting object, if put under a magnifying glass of power, would reveal beauties undreamed of; so, even in the most unlovely environment, in the most cruel conditions, there is something of the beautiful and the hopeful, when viewed through the glass of a trained and disciplined mind.

A beautiful character will make poetry out of the prosiest life, bring sunshine into the darkest home, and develop beauty and grace amid the ugliest surroundings.

It is not circumstances, so much as the attitude and quality of the mind, that gave happiness, contentment and divinity of service.—October Success.

Did It Ever Occur To You

THAT when You refuse to insure Your life You don't take the risk? You must either pay a company to carry the risk or force Your Wife and Children to do it. Don't they deserve the best You can do for them? I should hate to be myself a few minutes after telling you that they don't—that is if You are worthy of their respect. The Best is none too good for them, and a policy in the **STATE LIFE is the Best.** Because what? Why, because the State of Indiana always holds enough of the company's funds to pay off its liabilities whether the company be solvent or insolvent. That's one cause. Here's the other [there are only two]. Because **It Pays Larger Dividends** to policy-holders than any other company in the United States, thereby making its net cost the smallest. It's worth a year's premium on a Ten Thousand Dollar policy to some one who will prove that this statement isn't true. Now down to business. I am not writing this "ad" just for fun—it cost money. I want you to write me for a sample policy and the cost of same at your age. And if you don't object to receiving about fifteen minutes of entertaining information you might ask me to call and talk the matter over with you. If my talk gives you "that tired feeling" I will give you a thousand dollar policy for a year just to rest you. That's all. Just write to

Gaiterville Notes.

A sudden change in the weather makes things pleasant at Gaiterville.

Mr. Lee Roy Fort, of South Dunnellon, was a welcome caller the past week.

The party that left Gaiterville last Monday for Ocala has returned, as did also the party that left Tuesday for Homosassa, sit of whom had a nice time, notwithstanding the mosquitoes and sand flies which were bad indeed.

Mrs. A. Brass is visiting friends in York this week.

Misses Frankie and Inez Ross visited their sister, Miss Cora Ross, Saturday. Miss Cora has charge of the Indian Lake school and ever, one speaks well of her as a teacher. This we know to be true for she is from Gaiterville.

Mr. Fore accompanied by Mr. Fort and his wife, passed through here last week en route for Wildwood. They had been to Crystal River on a fishing tour.

Rev. C. T. Setzer, of High Springs, delivered two very interesting sermons Sunday to the people at Cedar Grove church.

Messrs. Frank Ross and J. A. Thomas viewed the beauties of Dunnellon Monday.

The young people of this community are looking forward for a glorious time at the oyster and basket supper Friday at the Pine Level school house. The program will be very interesting, also Rev. Setzer and the cake basket.

Rev. Setzer says there is nothing on earth so dear to him as the sunshine of Gaiterville. He was very sorry he could not be present at the basket supper, but then he has the promise that she will send his basket to him through the mail, I guess. Sunshine remember Uncle Joe has not forgot anything, and that he is always on the look out. UNCLE JOE.

The couple were Mr. John Priest and Miss Zedie Proctor, both from Anthony.

Health FOR A QUARTER!
People who have torpid livers find life a miserable existence, and take purgative and drastic drugs which gripe and rack the bowels, when all they need is a gentle reminder to the liver to do its duty.
RAMON'S LIVER PILLS AND TONIC PELLETS
are mild in their action. The pills stimulate the liver to its proper work, and the pellets invigorate the system as a whole; in short, they both assist Nature, which is all a medicine should do. Remember that 25 doses for 25 days costs 25c. You can have a free sample if you want it.
