Miss Ellen Huggins, who spent Sunday in Ocala the guest of Mrs. E. P. Thagard, returned to home near Reddick yesterday. This lady is a very ardent church woman and enjoyed the Sunday services and the sermons of Mr. Little, the new rector of Grace Episcopal church, very much indeed.

He estimates his yield of syrup for this year at four thousand gallons.

## AT THE CHURCHES SUNDAY.

Interesting and Well Attended Services in all the Churches.

Sunday was an ideal day and for the first time in many months all the pulpits in the city were filled. At every church the services were very interesting and the attendance excellent.

At Grace Episcopal church Rev. Henry W. Little, who for a number of winters has been the pastor of the Episcopal church at DeLand, and for the past summer has been preaching at Newport, R. I., has accepted a call to the Ocala church, preached two most excellent sermons Sunday.

Mr. Little's morning sermon was on the "Parable of the Sower," and he drew therefrom a most instructive and interesting lesson. He preached without notes and his congregation were entirely delighted with him.

At the Presbyterian church Dr. W. C. Lindsay, of Biloxi, Miss., who has received a call to the church here, preached both in the morning and evening, and his sermons were in every way pleasing. The choir rendered some very beautiful music.

Dr. Lindsay will leave for Mississippi this week and will return with his family to Ocala in the course of three or four weeks. The people of this city extend a cordial welcome to both Mr. Little and Dr. Lindsay.

At the Baptist church Sunday morning the popular pastor, Rev. L. B. Warren, preached most excellently, using as his text, "Ye are My Witnesses." Three new members were added to the church at the morning service. On account of sickness of the pastor there was no evening service in this church.

The Sunday services at the Methodist church were full of interest.

The Sunday school at 9:30 in the morning was a veritable scene of animation and deep interest, with an attendance of 123 members and a number of visitors.

The pastor, Rev. Howard Dutil, preached two able sermons, morning and evening, using as a subject for both sermons, "The Pledge of Jesus to Men." In the morning he spoke of "the pledge of Jesus to believers," and in the evening he emphasized "the pledge of Jesus to sinners," showing very clearly and forcibly the pledge to save those who want to be saved, and the pledge of woe to those who reject salvation.

The Epworth League service in the afternoon was indeed an occasion of deep spiritual interest, the subject being "What Christ has done for me." Much feeling was manifested.

At the Christian church Sunday afternoon the Kentucky evangelist, Mrs. Mary Collins, preached and Rev. Mr. Collins preached in the evening.

The regular services were held in the Catholic church Sunday morning, conducted by Father Bottolasio.

Ocala is to be congratulated upon the strength and power of her pulpit the coming winter.

Major St. Clair Abrams, one of the leading lawyers of Florida, has recently married in St. Augustine, causes the Ocala Banner to pen the following: "Now that Major St. Clair Abrams has a young and beautiful bride, he may contest honors with Col. Bob Davis, and it remains to be seen which will be the first occupant of Florida's new gubernatorial mansion." The Major beat Col. Bob getting married, and if he decides to enter the race, Col. Bob will have to stir his chunks and stir them fast.—Tampa Herald.

### To the Public.

Allow me to say a few words in praise of Chamberlain's Cough Remedy. I had a very severe cough and cold and feared I would get pneumonia, but after taking the second dose of this medicine I felt better, three bottles of it cured my cold and the pains in my chest disappeared entirely. I am most respectfully yours for health, Ralph S. Meyers, 64 Thirtieth St., Wheeling, W. Va.

### Old Times Again.

We are under obligations to Mr. F. Schneider for a handsome grape fruit, sometimes called the "pomelo," grown on the "Golden Acre," plantation which for some years past has been under his management. Mr. Schneider gathered nine crates of this fine fruit Friday. It looks like old times have come to stay.

You Know What You Are Taking When you take Grove's Tasteless Chill Tonic, because the formula is plainly printed on every bottle, showing that it is simply Iron and Quinine in a tasteless form. No cure, no pay. 50c.

### The Spelling Bee.

The above affair, which has been so well and picturesquely advertised for several days past, attracted a large crowd at the armory Friday night and proved to be one of the most enjoyable events of the season.

Mr. R. L. Anderson acted as the teacher and the Blue Back Speller was the weapon used, which created the merriment.

Rev. L. B. Warren and Miss Sue Barco were the leaders and each chose thirty assistants.

Banker Chambliss was the first to fall by the wayside. Mrs. Barco, wife of the manager of the Commercial bank, soon followed him. Mr. L. Ballard was next. Then Miss Platt, Lawyer Lou Green, Mrs. Benton, Alderman Smith, Editor Frank Harris, General Bullock, Attorney Zewadski, Prof. Van Brunt, Prof. Gottlieb, Mr. Simon Benjamin, and others followed in rapid succession.

Mr. Drew Mathews went down on Satan, and went down on him hard. He said he had never heard of the gentleman before.

Mrs. William Sinclair was the last lady left standing on Miss Barco's side and Mrs. Frank Harris on Mr. Warren's.

Mr. Albert Gerig and Hon. R. A. Burford were the last to fall, when the brilliant attorney stumbled and fell on the word aqueous, and Mr. Gerig was declared the winner, and was kept busy handshaking for several minutes.

General Bullock delivered the prizes and gave a pleasant reminiscence of Ocala's first school house, school teacher and the old methods of spelling.

Banker Chambliss and Mr. L. Ballard got the "booby" prizes and Messrs. Gerig and Burford the two others.

A song entitled "A Spell" was rendered by Messrs. Texas Martin, Clifford Anderson, Jake Gerig and Albert Gerig, which provoked much laughter.

During the proceedings Mrs. E. L. Carney and Mrs. Donald Melver gave several piano recitals.

The sum realized as reported by treasurer Melver was \$40.90.

The first prize was a beautiful picture, the second, "Dreams" by Olive Schriener, and the two "booby" prizes were "A. B. C." books.

The blue back speller, which was used for the contest, was auctioned at the close of the evening by Hon. R. A. Burford and was "knocked down" to Mr. Drew Mathews for \$1.50.

### Meeting of the Daughters.

Friday afternoon at 3 o'clock Mrs. Leonard Dozier entertained the United Daughters of the Confederacy.

After the regular business was transacted, Mrs. A. B. Brumby read an interesting description of the laying of the corner stone of a Normal school to the memory of Miss Winnie Davis at Athens, Ga.

Mrs. Fanny Gary read about a Christian soldier whose heroism is worthy to be preserved in our Confederate archives.

Mrs. Annie Bond Hopkins, of Orange Lake, who was present and had just returned from a visit to Jacksonville, gave an interesting talk about the Soldier's Home there which she visited.

Refreshments were served by Mrs. Dozier, assisted by her granddaughter Florence Dozier.

The meeting was a delightful one. The next meeting will be with Mrs. E. M. Howard.

### Food Changed to Poison.

Putrefying food in the intestines produces effects like those of arsenic, but Dr. King's New Life Pills expel the poisons from clogged bowels, gently, easily but surely, curing constipation, biliousness, sick headache, fevers, all liver, kidney and bowel troubles. Only 25c at Anti-Monopoly Drug Store.

Ocala Has the Best Drilled Soldier. All of his Ocala friends are shaking hands with Sergeant John Z. Reardon on his good fortune in capturing the medal at the state fair for being the best drilled soldier in Florida.

Sergeant Reardon says he made up his mind to win out and having done that much the balance was an easy matter.

He said he read up on military tactics for two months and practiced drilling for two weeks.

The prize is a handsome gold medal with names and dates engraved on either side.

### IMPORTANT TO FLORIDA GROCERS.

Retail Convention to be Held on 28th of November.

Jacksonville, Fla., Nov. 17.—On account of the fact that the 26th of November, the date called for the Retail Grocers' Convention in Jacksonville, is day before Thanksgiving, the busiest day of the year with retail grocers, the date has been changed to November 28, two days later, the day following Thanksgiving. This has been made on the request of a number of retail grocers who found it impossible to attend on the 26th, on account of Thanksgiving trade. Every retail grocer in Florida should be present. The convention will be held in the board of trade rooms. President J. A. Van Hoose, of the Southern Wholesale Grocers' Association, Birmingham, and Organizer Stevens, of the National Retail Grocers' Association, Chicago, will be present and deliver addresses. It will be one of the largest conventions of the year in Florida, and of far-reaching results to the grocery trade.

### A New Dance.

The newest dance, which is expected to be more fashionable than any other during the coming season, is nothing more than an Americanized version of the Cuban "Danzon." Although it is neither graceful nor inspiring it will be a relief after the romping two-step. Slow as a minuet, being merely a swaying of the body and an apparently aimless bobbing up and down, a couple may dance it all night in a space half a yard square. "La Paloma" is the accepted music for this dance. Now and then there comes a pause, when the dancers stand in their places and chat. In Havana, the true home of the "Danzon," these pauses afford the only chances the well bred Cuban girl ever has to speak to a man beyond the ear-range of her duenna; therefore, very naturally, it is the favorite dance of the señoritas.

"Last winter an infant child of mine had croup in a violent form," says Elder John W. Rogers, a Christian evangelist of Filley, Mo. "I gave her a few doses of Chamberlain's Cough Remedy and in a short time all danger was past and the child recovered." This remedy not only cures croup, but when given as soon as the first symptoms appear, will prevent an attack. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by Anti-Monopoly Drug Store.

### Our Aim.

We have installed a new press and ordered a new gas engine, and if our friends shall rally right royally to our support, we hope in time to be able to put in a linotype machine. If our ambition along these lines shall be gratified we promise the people of this city a paper of which they will in no wise be ashamed.

Help us to achieve our aim.

### Lawn Tennis.

Mr. J. F. Edwards has kindly donated the beautiful lot in the rear of the Ocala House for a lawn tennis court and says if it needs fixing up he will even do that. The Ocala House proprietor is generous and is willing to do anything and everything that will in any way promote the pleasure of the people of this city.

Stops Cough and Works Off Cold. Laxative Bromo Quinine Tablets cure a cold in one day. No cure, no pay. Price 25 cents.

Mr. Frank Lippett, a former citizen of Ocala, was kept busy all Saturday afternoon shaking hands with his old friends. It has been nearly ten years since Mr. Lippett was here and he says more than half the people are strangers to him. He will leave today.

Besides winning the gold medal at the fair as the best drilled man in the state, Sergeant Reardon won five dollars, which was offered by Capt. G. A. Nash, if one of the Ocala Rifles should capture the prize.

Governor Jennings and his cabinet were too busy last week to go to the polls and cast their ballot. This rush of work will probably be over by the time of the 1904 primary.—Tropica Sun.

Mr. C. Bryant, who inserted a small advertisement in the Ocala Banner when he was here a few weeks ago with a fine stock of cows, says the advertisement brought him sales as far south as Braidentown.

Mr. and Mrs. B. J. Potter have gone so Tampa to visit relatives for a short while.
