HAPPENINGS ABOUT TOWN.

Mr. W. T. Wheeler went to Jacksonville last night on a business trip.

Mr. Emil Van Espen, of Brussels, who is engaged in the phosphate business, is a guest at the Ocala House.

Mr. J. W. Crosby came up yesterday morning from his turpentine farm near Auburndale to spend a few days with his family.

Owing to the illness of Mrs. Dozier the daughters of the Confederacy will meet with Mrs. Gottlieb Friday afternoon at 3:30 o'clock.

Foley's Kidney Cure if taken in time affords security from all kidney and bladder diseases. Postoffice Drug Store.

Dr. T. K. Slaughter, of Levon, passed through Ocala on the early morning train with the body of his sister, Miss Lizzie Slaughter, of Jackson, Ga., who was one of the pleasure party drowned at Sutherland Tuesday.

The body will be buried today at Jackson, Ga.

Mrs. W. L. Hale and children, of Louisville, and Mrs. Stevens and little daughter, of Mayfield, Ky., who have been spending some time in Ocala with their brothers, Hon. R. L. and Hon. H. L. Anderson went down to Dade City Wednesday to visit relatives. They will return to Ocala before returning home.

B. J. Potter of the Union Phosphate Company, operating at Tioga, a few miles west of Gainesville, returned yesterday from Ocala, where he spent the Sabbath with his family. Mr. Potter states that the Union company is mining a great deal of rock at present, and employing a large number of hands.—Gainesville Sun.

The prettiest and most up-to-date line of box paper for ladies' correspondence can be had at Tydings & Company's and the prices are reasonable, too.

Deputy United States Marshal Hamp S. Chambers of Ocala was in the city on official business yesterday. He registered at the Brown House. Mr. Chambers has many friends in this section who are always glad to see him, as well as some others who do not appreciate his coming. The latter may be termed, however, as offenders of the United States laws.—Gainesville Sun.

Little Miss Onie Chazel entertained a large number of her little friends yesterday afternoon with an Easter egg hunt. Besides hunting for the eggs each child was given a rabbit as a souvenir and afterwards refreshments were served and the children all declared they had had a big time. Last night Charlie and John Chazel gave a party for their boy friends, exclusively and they spent a rollicking happy evening.

There's a story of a farmer and his son driving a load to market. Of the team they were driving one was a steady reliable old gray mare, the other a fractious, balky black horse. On the way the wagon was stalled and the black horse sulked and refused to pull. "What'll we do father?" said the younger man. "Well," said the father, "I guess we'll have to lay the gad on the old gray." That homely compliment to the women: "The gray mare's the better horse" suggests how often when there's an extra strain to be borne it is laid on the woman's back. How often she breaks down under the added weight of some "last straw." Women who are dragging along wearily through life can gain real strength by the use of Dr. Pierce's Golden Medical Discovery. It puts back in concentrated form the strength making material which working women use up more rapidly than it can be restored by nature in the ordinary processes of nourishment and rest. Dr. Pierce's Pleasant Pellets are universal favorites with women because they are easy to take and thoroughly effective in curing the consequences of constipation.

THE PALMETTO FARMS.

As Pretty as a Picture—Big Stock Sale April 12 and 13.

Messrs. Z. C. Chambliss & Co., were so successful with their first sale that they have advertised a second sale which will take place at their elegant stock farms near Ocala next Tuesday and Wednesday.

Colonel R. E. Edmondson, one of the best cattle auctioneers in the country, will conduct the sale and it promises to be an exceptionally fine one.

Messrs. Chambliss & Co., have one hundred and fifty as fine cows as were ever seen on any farm in Kentucky or any other state and will sell seventy-five of them at this sale.

Among those sold will be fifty registered animals, 25 bulls, and 25 heifers, and 25 graded heifers.

All the cows are in good condition and are of extra high quality.

Some are Herefords and some Short-horns and all are real beauties both in size and color. The calves from five days old and upwards are worth a visit to the farm to see.

Messrs. Chambliss & Co., have one bull—King Aldrie—which has been a prize winner at some of the finest stock fairs in the country.

The Palmetto Farms are properly named, as the whole landscape is covered with these beautiful trees in all stages of growth, and it is beyond all odds one of the most lovely and picturesque places in the county.

It is high and undulating and well drained and the soil is black and rich as the reclaimed lands around Kissimmee and the crop yields would appear to splendid advantage in the census reports.

Last year Messrs. Chambliss & Co., put up four thousand bales of hay and besides all the velvet beans needed for their own use sold eighteen hundred dollars worth.

The dwellings and outhouses are painted and nestled under the shade of the trees and surrounded with flowers, present a most attractive appearance, the fences and gates kept in first class condition, the barns are built after the latest models, and a gasoline engine pumps the water and cuts and grinds the feed.

Everything looks like farming.

Arrangements have been made for seating comfortably three or four hundred people and that many should attend the sale.

To add to the attractions of the sale on Wednesday Messrs. Chambliss & Co., have arranged for a barbecue and Kentucky burgoo, a kind of chowder that is unsurpassed.

Remember now everybody is invited and there will be enough to eat for a regiment.

Our farmers are especially invited to attend the sale and be accompanied by their wives.

A Chattanooga Druggist's Statement.

Robt. J. Miller, proprietor of the Read House Drug Store, of Chattanooga, Tenn., writes: "There is more merit in Foley's Honey and Tar than in any other cough syrup. The calls for it multiply wonderfully and we sell more of it than any other cough syrups combined." Postoffice Drug Store.

Death of Col. C. M. Perkins.

A letter was received in Ocala Wednesday containing the sad intelligence of the death of Col. C. H. Perkins, of Providence, R. I. His death occurred at his home last Saturday and was very sudden, caused by neuralgia of the heart.

Col. Perkins, with his family, had been a regular winter visitor to Ocala for many years and the many warm friends he made here by his pleasant manner will be greatly grieved to learn of his sudden death.

The Misses Sinclair Entertain.

One of the pretty and delightful social affairs of Easter week was the card party given by Misses Ethel and Beatrice Sinclair yesterday afternoon in compliment to their guests, Mrs. Arthur Eugene Dunn, of New York City, and Miss Lillian Rolleston, of St. Augustine.

The Misses Sinclair and the guests of honor received in the front hall. Miss Sinclair wore white organdie, elaborately trimmed with lace and Miss Beatrice Sinclair wore white china silk trimmed with Persian bands.

Miss Rolleston's gown was a dainty white dotted lace with quantities of valenciennes lace trimmings and Mrs. Dunn wore a becoming gown of white tucked mousseline over taffeta.

In the back hall Miss Louella Gary presided at the puer table and she was assisted by little Misses Alta Pearson and Mary Burford.

There were 36 guests, who enjoyed the game of whist for an hour and a half after which strawberry cream and cake was served.

The afternoon was a very delightful one and the Misses Sinclair's guests spent the afternoon most enjoyably. The prize for the young ladies, a beautiful picture frame embroidered in violets was won by Miss Rolleston and a silver and gold bon bon spoon, the prize for the married ladies was won by Mrs. G. R. Mrs. Holder Entertains.

The Original Whist Club was entertained at the Ocala House Wednesday afternoon from three to six o'clock by Mrs. Edward Holder, of Dunnellon.

There were five tables of progressive whist, which was played in the large parlor. The score cards were heart shaped and exquisitely painted in dainty water color heads. Mrs. Holder marked the scores.

Those who engaged in the pleasures of the afternoon were Mrs. J. K. Austin, Mrs. D. M. Smith, Mrs. G. T. Maughs, Mrs. C. R. Tydings, Mrs. A. H. Marsh, Mrs. Charles Rheinauer, Mrs. Edward Hiller, Mrs. L. A. Finch, Mrs. H. L. Anderson, Mrs. Pearl Mason, Mrs. J. C. B. Koonce, Mrs. N. M. Allred, Mrs. Frank Harris, Mrs. W. S. Bullock, Mrs. C. V. The prize, a beautiful dresser cover, made of dainty handkerchiefs put together with lace and ribbon, was cut for by Mrs. Koonce and Mrs. Harris and won by the latter.

Chronic Bronchitis Cured.

"For ten years I had chronic bronchitis so bad that at times I could not speak above a whisper." Writes Mr. Joseph Coffman, of Mount Morenci, Ind. "I tried all remedies available, but with no success. Fortunately my employer suggested that I try Foley's Honey and Tar. Its effect was almost miraculous, and I am now almost cured of the dread disease. On my recommendation many people have used Foley's Honey and Tar, and always with satisfaction. Postoffice Drug Store."

The Swap Party.

The "swap" party at the residence of Mr. and Mrs. G. S. Scott last night was a great success.

This affair was planned and given by the Ladies Aid Society of the Presbyterian church and was unique, original and entertaining. Everybody who went carried something or other that they didn't want and swapped it to somebody else. One of the things swapped was a live kitten and created much fun. Everybody had a big time trying to get their articles palmed off on somebody else.

The admission fee charged was 25c and as the invitations stated the fun was worth the price. Refreshments were included in the entrance fee.

Mr. and Mrs. Scott are pleasant entertainers and the swap social was much enjoyed.

Old Maids Convention.

The Old Maids Convention to be given at the Armory tonight under the direction of Miss Hattie Jones, of Kentucky, who has devoted her time for a number of years in presenting this play to the public.

It is a most amusing and laughable play and will be produced tonight by the very best home talent. A portion of the proceeds will given to the Episcopal church for their "building fund."

This convention is a new version, is original, witty and amusing and those who go are assured a very pleasant evening.

Reserved seats, 50 cents; general admission, 35 cents; children under 12 years, 25 cents.

What a Marion County Boy is Doing.

We are pleased to see that Mr. Jonathan S. Griner is a candidate for treasurer of Clay county. Mr. Griner is a native of this county and is a son of the late Martin Griner who for many years lived a few miles north of Ocala and bore a most excellent reputation.

Both parents, dying young Griner was left to battle for himself and has truly been the architect of his own fortune, and we judge that he is "a chip off the old block" as we hear nothing but good reports from him. We hope that he will be given the honor he covets.

Cattle Sale.

The public sale of registered Short-horn and Hereford breeding cattle by Z. C. Chambliss & Co., will take place at Palmetto Stock Farm, 1 1/2 miles from Ocala on April 12 and 13. Every stockman and farmer should attend and bring their wives. If they don't want to buy, the sight of the splendid animals will more than pay for the trip. Lunch will be served free on April 13th.

A strong company has been formed in Havana for manufacturing flour from the banana. No country in the world surpasses Cuba in growing bananas and the Havana Post believes that the manufacture of this flour will be entirely successful and it will make the island of Cuba independent of other countries for its bread stuffs.

The ladies of Ocala are especially invited to attend our sale of fine cattle near the residence of Mr. T. T. Munroe on Wednesday, April 13th. Every one present will be served a lunch at noon including barbecue and Kentucky "Burgoo."
