### MRS. SCHRIEBER'S PARTY

A Very Pretty Event in Honor of Miss Helen Blair.

Miss Helen Blair, of Cincinnati, Ohio, who is the popular and entertaining guest of Miss Emily Ford, was again complimented with a very pretty party Tuesday afternoon, when Mrs. F. T. Schrieber gave a card party in her honor at which she entertained a few of her friends. It was one of the most pleasant small parties given in Ocala this spring.

Mrs. Schrieber, Miss Ford and Miss Blair received in the front room, where punch was served to the guests shortly after they arrived.

There were five tables of progressive whist and the games were most interesting. Miss Blair marked the scores and added much pleasure by her vivacious and charming manners. Little Miss Dorothy Schrieber passed bonbons and after the games refreshments were served by Mrs. Schrieber, assisted by her little daughter and Miss Louise Gamsby.

The first prize, a cut glass ink bottle, silver mounted, was cut for by Miss Ford and Mrs. C. V. Miller and was won by the former. The second prize, a handsome pack of cards, was won by Mrs. Woodrow.

### How to Ward off an Attack of Rheumatism.

"For years when spring time came on and I went into garden, I was sure to have an attack of rheumatism and every attack was more severe than the preceding one," says Josie McDonald, of Man, Logan county, West Va. "I tried everything with no relief whatever, until I purchased a bottle of Chamberlain's Pain Balm, and the first application gave me ease and before the first bottle was used I felt like a new person. Now I feel that I am cured, but I always keep a bottle of Chamberlain's Pain Balm in the house, and when I feel any symptoms of a return I soon drive it away with one or two applications of this liniment." For sale by Anti-monopoly Drug Store. m

### Moonlight Ride.

Tuesday night Miss Emily Ford entertained a few of her friends with a most delightful moonlight wagon ride to Silver Springs for her guest, Miss Helen Blair. The night was lovely, just cool enough to make the drive pleasant, and the evening was spent very happily. After driving out and rowing on the springs for a while, the party returned to town and were driven to the home of Miss Ford, where a most appetizing and enjoyable lunch was served.

On this occasion Miss Ford had as her guests, Misses Blair, Mona Hiller, Sara Harris, Violet Harris, Emily Stotesbury, Meta Jewett, Messrs. G. H. Ford, T. H. Harris Sidney E. Hiller, W. T. Wheeler, J. H. Taylor, and Stephen Jewett.

### Mr. Sistrunk Explains His Absence From Campaign Meetings.

To the Democrats of Marion County:

I had hoped during the canvass preceding the primary election to be able to accompany the other candidates in meeting appointments for speaking and to express to you personally my high appreciation of the great favor and kindness received at your hands.

I have found, however, that at this season of the year particularly, my presence in the clerk's office is, and has been, imperatively demanded. Aside from the other duties of the office, there has been so much required of me in looking after matters of taxes, redemption of certificates and assisting tax payers in adjusting their taxes, prior to the closing of the books, that I have felt it my duty to remain in the office. In addition to this, the change in the time of holding the spring session of the circuit court has imposed upon me some extra work at this time, in order to have business in readiness for the court, which convenes on the 3rd prox.

I therefore take this method of explaining to you my failure to participate actively in the primary campaign. I also desire to acknowledge the obligations which your great favor bestowed upon me in the past, has placed me under, and to give this public expression of my gratitude and appreciation. While there is no opposition to my candidacy in the approaching primary, I should, nevertheless, but for the causes mentioned, have been glad to make a regular canvass with the other candidates and to meet the voters personally.

In conclusion I desire again to thank you and I pledge myself to the faithful, prompt and impartial performance of all of the duties of the clerk's office during the next term, if elected.

Gratefully yours,

S. T. SISTRUNK.

Ocala, Fla., April 26, 1904.

### A Quiet Wedding.

Mr. G. H. Hays and Miss Bertie Durrance were united in marriage at twelve o'clock Wednesday at the home of the bride's parents in this city. Only a few friends and relatives were present, and the ceremony was performed by Rev. Louis B. Warren, of the Baptist church.

The bride, a tall, pretty brunette, wore a travelling suit, which was most becoming.

After the ceremony lunch was served and Mr. and Mrs. Hayes left on the south bound Seaboard for Altoona to spend their honeymoon.

Mr. Hays is the operator at the Seaboard depot and is an excellent young man and his bride is a charming young woman. Their friends wish for them a very happy married life.

Mr. John Ball, representing the Consolidated Grocery Company, of Jacksonville, in this section of the state, made the Ocala Banner office a call Tuesday. His firm had the misfortune to have a fire at their warehouse at an early hour Tuesday morning, and, considering the large amount of damage that might have been sustained, they were very fortunate, as will be seen from the following telegram received by Mr. Ball: "Only one section of our warehouse damaged by fire. It will not inconvenience our business."

### Cough Settled on Her Lungs.

"My daughter had a terrible cough which settled on her lungs," says N. Jackson, of Danville, Ill. We tried a great many remedies without relief, until we gave her Foley's Honey and Tar which cured her. Refuse substitutes. Postoffice Drug Store. m

Mr. John Clary and family, who left Ocala about six weeks ago for Southern California, returned Monday night. John says it only took him a few weeks to get enough of the varied and undesirable population of that section—Indians, Chinese "grease rs," etc.

### A Fine Crop of Oats.

The editor of this paper in company with Mr. Baxter Carn drove out to the farm of Mr. H. H. Whitworth on Monday afternoon to see him harvest his fine oat crop. Mr. Whitworth claims to have the earliest record along this line in thirty days of any one in the United States.

The field covered one hundred acres and the yield is very fine.

Besides his oat crop, Mr. Whitworth has an excellent prospect for other good crops and has a fine stock of cows and hogs.

Just to tell how fine his stock really is it is only necessary to say that he recently sold a pair of his pigs at auction and they brought the very handsome sum of \$22 50, a larger sum than the products from the famous Biltmore farms.

Mr. Whitworth's is the old Moore place and he is making it one of the prettiest farms in the county.

### Mrs. Miller Entertains.

Mrs. Charles V. Miller entertained the Original Whist Club very charmingly Wednesday afternoon at her attractive home on South Second street. This is the first party Mrs. Miller has given since her marriage a few months ago and she was a delightful hostess.

Fruit punch was served by the hostess' sister and sister-in-law, Miss Alice Bollock and Miss Eloise Miller.

Mrs. Miller had as her guests besides the club members, Mrs. J. J. Gerig, Mrs. F. L. Watson, Mrs. Mallory Liddon, Mrs. W. S. Bullock, Mrs. L. R. Chazal, Mrs. Lee Miller, Mrs. G. R. McCann, Miss Johnnie Liddon and Miss Valeta Potter.

Refreshments were served after which the scores were counted and it was found that Mrs. J. K. Austin and Mrs. Gerig had made the same score. The prize a Mexican lace handkerchief, was cut for and won by Mrs. Gerig.

### Millionaire's Poor Stomach.

The worn out stomach of the over-fed millionaire is often paraded in public prints as a horrible example of great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the toilers. Dyspepsia and indigestion are rampant among these people, and they suffer far worse tortures than the millionaire unless they avail themselves of a standard medicine like Green's August Flower, which has been a favorite household remedy for all stomach troubles for over thirty-five years. August Flower rouses the torpid liver thus creating appetite and insuring perfect digestion. It tones and vitalizes the entire system and makes life worth living, no matter what your station. Trial bottles 25c; regular size 75c. For sale by Anti-monopoly Drug Store.

### Complimentary Dance.

The young ladies were complimented with a dance at the armory last night by their young gentlemen friends. The special guest of honor was Miss Helen Blair, of Cincinnati. Both the older and the younger society sets participated in the dancing, which was enjoyed from nine to twelve o'clock. The night was a particularly pleasant one for this delightful exercise.

William Benus, for many years operating a profitable bakery at Ocala, but now settled down on his elegant country home near Bronson, was among the visitors to this city yesterday. Mr. Benus was one of the most widely known and most conservative business men in Ocala, and the people of the Brick City gave him up with reluctance. The change was made on account of Mrs. Benus' mother, who has been in ill health for some time.—Gainesville Sun.

Mr. Francis S. Bangs, a prominent attorney of Washington, D. C., and a brother of John Kendrick Bangs, the noted author, after spending a few days fishing at Homosassa spent Wednesday in Ocala with his brother, Mr. William M. Bangs. He was accompanied by his little son.

## SMALL BEGINNINGS

Our business was started very small but did not remain so—satisfaction of customers made the change

## MUNROE & CHAMBLISS BANKERS

Ocala Florida

Dr. Carswell and Miller, of Citra, have established a drug store at Citra which has been christened the Palmetto Pharmacy. Both are enterprising young gentlemen, and the business they have established as well as themselves will prove a valuable acquisition to Citra. We hope they will be liberally patronized.

Mrs. Bashinski, of Troy, Ala., who has been in Ocala for some time the guest of her brother, Mr. R. A. Burford, for the past two weeks, intended returning home yesterday afternoon, but owing to the lateness of the north bound train she postponed her departure until today.

Mr. and Mrs. Albert E. Gerig, Mr. and Mrs. Harry Lapham, Miss Bernice Mark and Mr. Arthur Masters composed a pleasant party, who spent Tuesday afternoon and evening fishing and picnicing at Silver Springs. They went down the run several miles in the napha launch and had excellent sport and spent the time most delightfully, returning home about 10 o'clock.

The Married Ladies Wednesday afternoon card club has disbanded for the season, the last meeting being held with Miss Emily Stotesbury last Wednesday.

Hon. C. M. Brown returned Wednesday from Starke, Gainesville and other places. He accompanied the local candidates down to Dunnellon.

Judge Ion Farris, of Jacksonville, is spending a few days in this city which is his old home. His Ocala friends are delighted to welcome him.

## Watch the Kidneys

WHEN THEY ARE AFFECTED LIFE IS IN DANGER

A WORD OF WARNING

Dr. ABERNETHY, the great English physician and surgeon, well known to all physicians, sounded words of warning to the medical profession and to all mankind when he uttered the words: "Watch the kidneys; when they are affected life is in danger."

It is the duty of these organs to keep our blood strained of poisonous impurities that are capable of causing the most fatal forms of disease. When they do not perform their work properly, then trouble in some form is sure to follow sooner or later, and if neglected, death will follow.

Some of the most important symptoms are, aching in the back or hips, swollen ankles, puffiness under the eyes, dry or furred tongue, unnatural appetite and great thirst, weakness and loss of weight, sediment or cloudiness in the urine, dryness of the skin or strong perspiration, disorders of the stomach and liver.

All the above symptoms do not appear in any one case, and all kidney disorders will not present the same symptoms.

There is nothing that so quickly and surely makes the kidneys right as FOLEY'S KIDNEY CURE. It is a preparation of the best known remedies used by the world's most celebrated kidney specialists. It is endorsed by physicians and used by thousands. It has saved many lives, and while it cannot cure hopeless cases, it will prevent fatal kidney troubles and give relief in even the last stages of kidney disease.
