

JAPS AGAIN MAKE PORT ARTHUR ATTACK

Reported Russian Stronghold Is Assailed by Land and Sea.

HEAVY CANNONADING HEARD.

Army of Mikado Again Actively Assaults the Russian "Gibraltar of the East," but With What Results is Not Stated.

Che Foo, June 7.—4 p. m.—Proceeding a sea attack on Port Arthur last night the Japanese apparently made an advance on that stronghold by land.

A Chinese junk which left a point 3 miles south of Port Dalny early Monday morning, has arrived here. She reports having heard firing north of Port Arthur from 7 o'clock Monday morning until 2 o'clock that afternoon by which time she passed out of hearing distance.

It would appear that the Japanese planned a land and sea attack on Port Arthur yesterday. The Russians on seeing this, sent their fleet out to give battle. The result is not known.

The above dispatch would seem to confirm the dispatch previously received at Che Foo today from Teng Chow. The correspondent said there was firing at Port Arthur last night beginning at 11:30 and continuing for several hours.

Naval Battle In Gulf. Che Foo, June 7.—3 p. m.—An impression prevails here that a naval battle took place last night in the gulf of Pechili. Passengers on steamers passing the Liao Tieshan promontory at the time did not hear any firing.

GROSS CARELESSNESS ON PART OF SOLDIERS

Killing of War Correspondent Etsel by Chinese.

IS SAID 150 SHOTS WERE FIRED

Junk In which Were Etsel and a Companion Was Unchallenged by the Soldiers—Consul General Miller Will Make a Report.

New Chwang, June 8.—7 a. m.—The funeral of Louis Etsel, correspondent of The London Daily Telegraph, will take place here this afternoon. He was killed 10 miles out at sea by some Chinese soldiers who were searching for pirates.

Immediately after realizing the mistake they had made, these men put out to sea and have not been seen since. United States Consul Miller held an inquest at Shwantaltze yesterday at which the Chinese General Lu acknowledged that Etsel was killed by his soldiers.

Consul General Miller will forward his report to United States Minister Conger at Peking, showing gross carelessness upon the part of the soldiers to say the least. While Brindle is uncommunicative regarding the plans which took himself and Etsel on the sea voyage, it is learned that they were attempting to reach Port Arthur.

General Kondrativitch placed a steam launch with 25 soldiers under orders of Consul General Miller and otherwise rendered great aid in recovering the body of Etsel. Consul General Miller has replied to General Kondrativitch thanking him heartily for his kindness on behalf of the United States government.

Alexieff's Report of Casualties. St. Petersburg, June 9.—Emperor Nicholas has received the following dispatch from Viceroy Alexieff:

"According to the report of Rear Admiral Wittsoeff, on the battle of Kin Chow, our right flank was strongly supported by the gunboat Bobr and the torpedo boats Burni and Bolki, which afterward returned to Port Arthur.

"On the night of May 26 ten torpedo boats were sent out against the Japanese boats operating in Kin Chow bay. One torpedo boat struck the rocks and sank. Her crew was saved. "The casualties among those serving the naval guns were one sub-lieutenant missing and six sailors wounded."

SERVED WITH NEW WARRANT.

Case of George W. Beavers, Former Postoffice Official.

New York, June 9.—When George Beavers, former superintendent of the division of salaries and allowances of the postoffice department, appeared in the United States court in Brooklyn today he was served with a new warrant for arrest on a Washington indictment charging him with entering into a deal for the purchase of book typewriters and with receiving money for his influence in putting through a contract for machines.

On that day there will be another hearing, and the federal authorities hope to secure the transfer of Beavers to Washington. Counsel for Beavers were to have been here today on motions to quash the indictments based on the cash register deal, but it was postponed.

Lightning Kills Two Women. Columbia, S. C., June 9.—Jane and Rane Fare, wife and daughter of Myer Fare, negroes, were killed by lightning. The mother and child were at a wash tub under a large tree at their home on Gervais and Gregg streets when lightning struck the tree, killing them instantly.

13 DEATHS FROM DYNAMITE OUTRAGE

Peace Now Prevails Throughout the Gold Field.

BUT CONDITIONS UNSETTLED

Late Sensational Affair Between Officers and Union Miners at Victor and Independence—Bloodhounds Put on Trail.

Cripple Creek, Col., June 8.—After a night of terror, comparative peace prevails today throughout the gold camp, but conditions are still unsettled and nobody believes that the trouble is yet ended.

Thirteen deaths have resulted from the dynamite outrage at Independence, several of the injured are in a critical condition, and two men were killed and eight wounded in the subsequent rioting in Victor.

Following is a list of the dead: List of Dead.

Roxey McKee. Dan Davis. Wounded: J. A. Reed Joe Findley, Fire Chief Murphy, Peter Chrisman, Fred Sturebaugh, Peter Calderwood, Arthur Parker, James McKelvie.

Vigilance Committee Organized. A thoroughly organized vigilance committee has taken charge of the government of Teller county and large squads of armed men are patrolling the district.

Sheriff Robertson resigned under compulsion. He was forcibly taken to the headquarters of the Mine Owners' association and his resignation was demanded. At first he refused, but when a coil of rope was thrown at his feet he weakened and signed the resignation, which had been provided for him.

Officials Deposed. Meantime O'Connell had visited the mine owners' headquarters in which about 30 armed men had assembled and demanded that they surrender their arms to him.

"It's up to you to drive these scoundrels out," Hamlin had declared, whereupon Alf Miller, a union man, who had been sworn in as deputy sheriff, raised his rifle and inquired: "Whom are you referring to?"

Miller's rifle was seized and the shooting began, which resulted in the killing of Roxey McKee, a nonunion miner and the wounding of six other persons, one of whom has since died.

Many Arrests Made. During the night many arrests were made in Victor, Goldfield and Independence. The union stores in Victor and Goldfield were wrecked and the stocks scattered in the streets by a mob.

This was not uncontented by Sheriff Bell, or others in authority. Among those taken prisoner was Editor Geo. Kyner, of The Victor Record, but he was subsequently released. A bloodhound brought from Trinidad took the trail of the person who exploded the dynamite at Independence and followed it from Bull Hill to the Colorado Springs road.

Victor, Col., June 8.—Although excitement was at a white heat last night, no sensational incident occurred after the riot of the afternoon. From dark until dawn the principal streets were almost as crowded as they were during the day by thousands of men and women who had assembled from all parts of the camp in the belief that darkness would invite further bloodshed.

Their expectations, however, proved to be groundless. Aside from the occasional arrest of a union agitator by the military authorities or the sheriff's deputies, and the occasional shriek of a Krag-Jorgensen from some dark, secluded spot in the foothills, the night passed off quietly. All night, however, the streets of the city and the foothills to the mines were watched closely by the militia and every five minutes a miner was brought in and placed in the armory, which is under military guard.

The dragnet was cast far and wide, and more than 150 union men, said to be the leaders of the riot of yesterday, are now lounging about on the hard floor of the armory. Many have been there since yesterday morn-

Ing and there is no telling how much longer they will be kept in confinement.

At midnight a special train of five coaches pulled in on the Florence and Cripple Creek siding near the temporary bull pen, and the suppressed excitement was suddenly raised to fever heat. It was rumored and apparently with some foundation that 12 or 15 of the recognized leaders of the union were to be turned over to Sheriff Bell and that all other prisoners were to be deported.

COLORADO DEMOCRATS.

Convention to Select Delegates to National Convention.

Pueblo, June 8.—The state democratic convention to select ten delegates to the national convention met here today. In all probability the delegation will be unopposed, but considerable Hearst sympathy was manifest and a fight may develop, a resolution commending Mr. Hearst probably being adopted.

The delegates agreed upon in caucus are former Governor Charles S. Thomas, Charles J. Hughes, Jr., Senator H. M. Teller, H. E. Insley, state Senator Charles B. Ward, former Governor Alva Adams, Judge J. H. Voorhees, Judge William P. Seeds, George E. West and J. H. Robeson or Judge Theon Stevens.

A resolution was adopted in caucus strongly denouncing the outrage at Cripple Creek yesterday.

Harmonious Convention.

Dover, Del., June 8.—Indications pointed to a harmonious Democratic state convention today. There were concessions made by both the Gray and anti-Gray men. Through the efforts made last night by Andrew C. Gray, of Wilmington, son of Judge Gray, and others, a resolution was agreed to by ex-Senator Kenny, state Chairman; Willard Sobbury and members of the state committee endorsing Judge Gray for the Democratic presidential nomination and requesting the several delegates from Delaware to use all honorable means to secure his nomination.
